

C. & O. YARDS BUSY SCENE AS FARMERS GET SEED POTATOES

Several hundred Wayne and Preble county farmers were notified Saturday and Monday of the arrival of three car loads of certified seed potatoes which had been ordered through the Wayne county farm bureau. The C. and O. yards were a busy sight Monday morning as a constant stream of autos and wagons passed through, hauling out the various orders.

An intensive organization was necessary to handle the crowds, checkers, cashiers and car tenders, who delivered the sacks of potatoes, being kept busy with hardly a moment to spare from nine o'clock in the morning until late in the afternoon.

As farmers come into the yards, they first pass by the county agent, Mr. Dolan, who checks their names on a list previously compiled. He notes on a slip of paper their names, amount of each variety that was ordered, and gives the total amount due at the stated price of \$1.80 a bushel.

Visits Cars
With this slip the farmer visits the cars containing his variety of potatoes. Three cars stand on the tracks, one each of Early Ohio, Rural New Yorkers and of Cobblers. These cars are in charge of R. B. Morrow, Ed Deitemeyer and Wilbur Davis, who give out the seed according to the order presented by the buyer.

After delivery is made, the buyers check the amounts with the county agent and pay the amount due to the cashier, another volunteer. By this well organized method of distribution, it is expected that it will be possible to handle buyers as fast as they can come and unload the cars without demurrage. The cars will stand on the tracks Tuesday. Distribution will continue Tuesday. Some of the larger orders, including Easthaven's 300 bushels, were taken out Saturday, thus lightening the work for this week.

Quick Handling
Exceptionally quick handling was obtained from the railroad for the potatoes, the cars being brought into Richmond within 14 hours after striking the lines of the Richmond railroad. This is about the usual handling time, but an unusual saving was made in handling time through Chicago. It usually takes two days to get a shipment through the Chicago terminal, on account of the congestion of the yards and the various delays encountered. Special service was requested and granted for the Wayne county shipment, however, and with the cars billed out of the Blue Island yards on the evening of March 23, two arrived in Richmond on the evening of March 24. The other car, delayed on account of a minor repair, was placed in the yards by Saturday noon.

FUNERAL SERVICES FOR WRECK VICTIMS

EATON, Ohio, March 27.—Funeral services for Harbin G. Gorton, 41, undertaker, of Camden, who was killed last Thursday when a train wrecked on a crossing in Camden a motor truck he was driving, were conducted this afternoon in Camden, in the Methodist church. The Rev. Mr. Moore and the Rev. Mr. Gowdy, formerly of Camden, officiated. Burial was at Camden.

Funeral services for Pearl Overholtz, 40, farmer, of near Camden, who met death with Mr. Gorton in the same accident, were conducted Sunday afternoon in the Camden Methodist church, the Rev. Mr. Moore officiating. Burial was at Camden.

Darrell Overholtz, 13, son of Mr. Overholtz, who escaped from the wreck with his life, is reported to be recovering slowly from his injuries at a sanatorium in Camden.

Harold Schjeldrup has been appointed professor of philosophy at the University of Christiania. He is 26 years old and acclaimed the youngest philosopher in the world.

Not to Build Detroit Bridge In Front of Business Section

DETROIT, Mich., March 27.—Decision on the part of civil engineers that approaches to the \$30,000,000 international bridge that will span Detroit river between Michigan and Ontario should be built at Sandwich, Ont., and at about Twenty-Fourth street in Detroit, will place the Canadian end of the structure one and one-half miles from Windsor.

It had been hoped that the structure would stretch across the river directly in front of the Detroit business section. Borings revealed, however, that the crossing at Sandwich was the most advisable from an engineering standpoint and plans are being made to construct the span at that point.

Work is to begin as soon as weather permits.

WAYNE TOWNSHIP FARMERS TO HEAR LECTURE ON WEEDS

An illustrated lecture on common farm weeds, with instruction of combating them, is one of the features of the regular meeting of the Wayne township farmers' association in the courthouse Tuesday evening. Ridding the farm marketing system of unnecessary middlemen and excessive handling charges, and clearing the farm of harmful weeds comprise the two subjects to be treated at the meeting.

J. E. Scholl, of Fayette county, director of the grain agency's membership campaign in this county, will talk on the farmer's co-operative grain selling plans, and A. A. Hansen, of Purdue, has been secured to describe methods of fighting common farm weeds.

Mr. Hansen's talk will be illustrated by lantern slides showing the various weeds. This speaker has been secured to advise farmers of Wayne county, through the efforts of the county agent, J. L. Dolan. As his advice is intended for all Wayne county farmers the Wayne township officials are extending a warm welcome to neighbors in other townships. Elimination of white-top, in common with other weeds, will be a subject treated by the speaker.

The explanation by Mr. Scholl, of the grain marketing plans, is intended to be an introduction to the membership campaign in this township, which is next in line after Boston, where the team is working at present. From 80 to 90 per cent of the farmers in that community, which has a decided sentiment in favor of co-operation, are reported to be signing the contracts.

Work of Randolph Boys' and Girls' Clubs Reviewed

WINCHESTER, Ind., March 27.—Review of work that is planned by the boys' and girls' clubs of Randolph county, and a preliminary organization for other clubs, occupied the time of E. L. Austin, the assistant state club leader, on his recent visit to this county.

Mr. Austin made a talk to pupils at the Jackson school, describing the work of the clubs and their possibilities. He also left full information at the office of the county agent, from which it will be sent to any school children in the county who are interested.

500 YOUNG PEOPLE EXPECTED TO ATTEND LUTHERAN MEETING

The annual district meeting of the Dayton-Richmond group of young people of the Lutheran church is to be held in Richmond, Sunday, June 13, according to an announcement Monday, by Rev. Oscar Tressel, pastor of the Trinity English Lutheran church.

An attendance of from 500 to 600 young people is expected. The program for the day's meet has not as yet been announced. Meetings will be conducted at the Trinity church.

RUSSIA'S RELIEF MONEY SPENT ON TRANSPORTATION

(By Associated Press)
MOSCOW, March 27.—A large proportion of the money which Soviet Russia itself has available for famine relief has to be paid to transport the food which the American Relief administration is furnishing to 2,000,000 children and 5,000,000 adults in the Volga region.

Masonic Calendar

Monday, March 27.—Richmond Commandery No. 8, K. T. will confer the Order of the Temple, beginning at 7 o'clock.

Wednesday, March 29.—Webb Lodge, work in Master Mason degree, beginning at 4:45. Supper at 6 o'clock; the officers of the 12 county lodges will be guests and confer the work on one candidate. Grand Master Omer Smith will be present; also will speak to the assemblage.

Friday, March 31.—King Solomon's Chapter No. 4, R. A. M., rehearsal Royal Arch degree; new ritual.

Saturday, April 1, Loyal Chapter No. 49 O. E. S., stated meeting.

PARIS COMMUNISTS ELECTED
PARIS, March 27.—The Communists, Andre Marty and M. Badina, were overwhelmingly elected to the municipal council of Paris at the elections. Their opponents, M. Goldsky, who is serving a prison term on the charge of having been mixed up with the Bonnet Rouge espionage case, and Emile Cottin, who attempted to assassinate M. Clemenceau, then president, in 1919, received only 31 and four votes, respectively.
