By Post C. Scribe

Saturday evening, March 25 was a very interesting one at Post C headquarters for the new president, Charles Benton Beck, was inaugurated, with Louis C. Niewoehner, the outgoing president in the chair, President Beck being escorted to the rostrum by James Martin and H. Shuman Jones. President Beck thanked the members very kindly for the honor bestowed upon him, and gave a very nice talk as to the needs of Post C, and he will soon outline a plan whereby the post will be much benefited. Members present were much impressed by his speech, for it was forceful and to the point, and we predict that President Beck's administration will be an aggressive and successful one.

Marcus A. Hasty who has been the post secretary for many years was re-elected and read his report to the members, which showed he had the business of the post at his "fingers ends," so to speak. His financial report showed that the post is on a solid financial basis.

We are glad to hear our good member, John Zwissler, is much improved in health. He was remembered by the boys of Post C, by a handsome bouquet on Sunday morning.

Our post is entitled to 22 delegates to the state convention, to be held at Indianapolis the week, beginning first of May. Delegates and alternates will be named at an early date. Seventeen members have already agreed to go as delegates, kindly call the secretary by phone. We want a full delegation.

Immediately after adjournment, the president called for a meeting of the board of directors. John P. Higley was elected chairman of the board. The resignation as a director, by President Beck was received and accepted and E. E. Lebo was elected for the unexpired term of President Beck. The board as it now stands, consists of John P. Higley, Theodore H. Hill, Walter H. Bates, E. E. Lebo and Earl W. Coate. A "nifty bunch" and all of them active in T. P. A. circles.

A unanimous vote of thanks was extended to the retiring press chairman, Walter H. Bates, for his very

Lillian Russell Moore submitting her immigration report to Secretary of Labor Davis.

In her report on European conditions and immigration, Lillian Russell Moore, wife of Alexander P. Moore, wealthy Pittsburgh publisher, declares that conditions are not as black as they are being painted. She recommends a five-year immigration "holiday," contending that under present conditions the United States is becoming the dumping ground for European undesirables. Mrs. Moore recently went to Europe to make a study of conditions at the request of Secretary of Labor Davis.

able work in the interests of the post during his administration. Walter was like Little Ah—Gid The Chinese Kid Who blushed right up to the roots of his hair.

But in that nice way of Walters he thanked the post very kindly for their appreciation of his work.

Memorial services for members of Post C who have taken "The Great Adventure," will be held at the First English Lutheran church on Sunday, April 9, at 9:30 p. m. Albert J. Beveridge of Indianapolis will deliver the address. Music will be furnished by the church choir. Every local member of Post C will receive notice through the mails as to this meeting, as we desire a good attendance. In fact we expect all local members that are able to attend will be there. The services will be public and a good attendance is expected. Seats will be reserved for all members, so no one need be afraid they will not be accommodated. The Rev. Frank A. Dressel will have charge of the services.

Post J of Evansville is certainly wide awake, and "coming strong," as at their membership rally, last Friday and Saturday night they wrote 105 applications, which is the high water mark for them. This certainly looks good, and is a sure indication that the members are very active. The following named members were elected to the offices: Theodore Stein, president; Frank Canida, first vice-president; James Stockwell, second vice-president; J. B. Young, secretary-treasurer.
