American Housekeepers Should Learn More About Cooking Rice

Europe and America lag far behind in eating rice as a staple food.

This is true although more rice is grown in the world than any other single food.

The main reason for America's backwardness in this respect is that our cooks do not know how to prepare this excellent grain food.

The United States Government has taken notice of the fact, and has prepared an excellent booklet on "Rice as a Food." Our Washington Information Bureau will secure a copy of this booklet for any of our readers. Merely fill out and mail the coupon below, enclosing two cents in stamps for return postage. Write your name and address clearly on the lines of the coupon.

(Do not send the coupon to The Palladium. Mail it direct to Washington, D. C.)

Pastor's Children Force College Enrollment Up

(By Associated Press)
PARKVILLE, Mo., April 3.—The enrollment of Park college here recently took a jump when the Rev. H. O. T. Burkwall of Canton, China, arrived and entered all of his seven children as students in the college. Doctor and Mrs. Burkwall, who are spending the winter here, have five daughters and two sons. All but one of the children were born in the Orient.

Doctor Burkwall is the representative in Canton of the British and Foreign Bible society, and has supervised the printing of the Bible in about 20 different Chinese dialects.

"Our work in printing the Bible will be immensely simplified," Doctor Burkwall said, "by the recent adoption of a standardized Chinese language. Scholars have reduced the Chinese printed alphabet to 39 printed characters, and this standardized language is becoming more and more generally used. Formerly the Chinese language contained fifty thousand written symbols."

Mrs. Howard Dill was made chairman of the ways and means committee. Mrs. Rush Miller, Mrs. George Reed and Miss Elsie Marshall are her assistants. Mrs. E. H. Harris heads the publicity committee, which comprises the following: Miss Helen Johnson, Mrs. Anna Grace, Mrs. Harry Land, Mrs. Margaret Kennephol, Mrs. F. O. Chambers and Miss Mary Lemon.
