

WHITE, BUD WALLACE
INDICTED BY GRAND
JURY FOR BURGLARY

EATON, O., May 3.—Seven indictments, one of which was not made public, were reported by the May grand jury, which completed a two days' session here Tuesday afternoon. Two cases were ignored. Seventeen witnesses were examined in covering the nine cases.

Indictments charging burglary were returned against Albert and William White and Harold (Bud) Wallace. John Freeman and Pearl Murray were indicted for failure to provide for legitimate children. Boyd White was indicted for assault and battery. Cases against Eddie Horner for assault, and Justin Archer, for discharging a firearm on a public highway, were ignored. Horner and Archer had been bound over to the grand jury.

R. E. DeMotte, of Lewisburg, was foreman of the jury.

Charged with Abandonment

William A. Cooper was lodged in the county jail here late Tuesday afternoon, following his indictment in last January on a charge of abandoning a legitimate child. He was arrested in Wayneville and taken to Lebanon, where he was delivered to Deputy Sheriff C. R. Wehrly and brought here to jail. Cooper was at one time employed by the Dayton and Western traction and formerly lived in West Alexandria.

Filer Cross Petition.

Zelma Meyer has filed in common pleas court an answer and cross-petition to a divorce complaint filed by her husband, William G. Meyer, in which she denies she is guilty of gross neglect and charges her husband was guilty of cruelty and neglect. She asks that his petition be dismissed and that she be granted a divorce, permanent alimony and custody of their child.

She avers she is endeavoring to secure a more thorough education in music, and is being sent to college by her brother, who, she avers, is assisting in care of her child. She gives notice, also, that she has made application to the court for temporary alimony, for her maintenance and in defending the suit of her husband. The application will be heard May 8.

Commissioner III.

County Commissioner W. B. Cline is seriously ill in his home in Israel township, west of Camden. The cause of his illness has not been fully determined by physicians, it is said. He was taken ill suddenly a few days ago in the fields on his farm, but managed to reach his home.

Need Water Supply

Believing there is not sufficient water supply to adequately protect the village in the event of a big fire, the village of Eldorado will hold a special election May 21 to vote on a proposal to issue \$2,000 worth of bonds to build three underground cisterns for the storage of large volumes of water. The village recently experienced a big garage fire, at which time, it is said, it was evident the water supply for fire-fighting should be augmented. The village recently purchased a motor fire truck.

Postmaster Earl R. Keselring, of Lewisburg, has the distinction of having led all third-class postmasters in the fourth federal reserve district in the sale of treasury savings certificates for the first quarter of the year 1922, according to an announcement by the savings division of the fourth federal reserve district. There are approximately 175 third-class postoffices in the fourth district.
