**LADY ASTOR SAILS AFTER TOUR OF U. S.**

(By Associated Press)  
NEW YORK, May 23.—Lady Astor, accompanied by her husband, will leave America today on the Aquitania for England to take up her duties in the house of commons after a tour of the United States and Canada, lasting six weeks.

Her visit to the Pan-American conference at Baltimore was extended until she spent a week there, several days in Washington, a Virginia homecoming, visits to Chicago and Philadelphia and an extensive trip through the dominion.

Hundreds of men and women have already found freedom from laxatives by eating Fleischmann's fresh yeast.

Doctors are now agreed that proper elimination of waste matter should be brought about by food. One doctor comes right out and states plainly that the indiscriminate use of cathartics is one of the causes of constipation.

Physicians all over the country are recommending Fleischmann's fresh yeast because it is a fresh food, rich in those elements which keep the intestines healthy. In one series of tested cases, normal functions were restored in from 3 days to 5 weeks.

Try it out for yourself. Begin today by adding 2 or 3 cakes of Fleischmann's Yeast to your everyday diet. Keep it up and see how normally and regularly your intestines act. Be sure it's Fleischmann's Yeast—the familiar tin-foil package with the yellow label. Place a standing order with your grocer.
