

# BILLY SUNDAY CLUB GETS GOOD START; SEEK 500 MEMBERS

The Richmond Billy Sunday club got a good start Wednesday night, when with 200 members present, resolutions adopting a constitution and by laws were passed, and a meeting for next Wednesday was called for the election of officers.

The membership goal has been set at 500 charter members, the organization committee reported, with 253 men already signed up.

Will Roney, temporary chairman of the club, presided at the meeting. He announced that the pulpit at the tabernacle had been presented to the club by President Edwards, of Earlham. The pulpit is deeply marked with dents, where Billy Sunday's knuckles have pounded and hammered.

Rev. R. W. Stokes, pastor of the First Methodist church and chairman of the revival executive committee, reviewed the results of the campaign and said that the Billy Sunday club was the instrument to bring the whole city to the cross.

J. W. Ferguson pointed out that although the club bore the name Richmond, that men from the nearby villages also were eligible for membership.

The names of persons who wish to be included as charter members of the club should be handed to Will Roney or to E. J. Treffinger.

## Infant Rash and Chafing

Quickly Healed by use of Sykes Comfort Powder

Northampton, Mass.—"In my work as a Nurse I find nothing heals rashes, chafing or a sore inflamed skin so quickly as Sykes Comfort Powder. I am sending you a picture of a baby who suffered dreadfully from a baby rash—and I used Sykes Comfort Powder with great success after everything else had failed to heal it."—Mrs. C. K. Humphries, Nurse, Northampton, Mass.

The reason Sykes Comfort Powder is so successful in healing and preventing chafing, scalding, rashes and skin irritations is because it contains six healing, antiseptic ingredients not found in ordinary talcums. Physicians, mothers and nurses call it "A Healing Wonder."

## "THE CHARM SCHOOL" IS WELL PRESENTED

A well-filled house witnessed the night performance of "The Charm School," given by the senior class of the high school at the Murray theatre.

Norman Hoeffer, as Austin Bevans and Martha Eggemeyer as Elsie Bendotti, showed unusual ability. Alice Eby, as Sally 'Body, received much praise. Miss Eby's acting showed the experience gained in some of the productions of the stock company which was in Richmond last winter.

Martha Eggemeyer received a big basket of roses and Midge Whitesell, taking the part of an elderly lady, received a beautiful floral piece. Miss Whitesell handled her part with ease. The twins, Jim and Tim Simpkins, taken by Allan Campbell and Lewis Ashe, gave bits of stage play.

All the girls were well-fitted in their parts. These parts were taken by Opal Whitesell, Alice Lemon, Charlotte Colvin, Grace Crow, Elizabeth McCormick, Dorothy Coyle, Lois Edwards, Sara Kring and Hilda May Farmer.

Helen Mashmeyer was outstanding in the part of Miss Hays, one of the middle-aged ladies in charge of the school.

Benjamin Ahl, as David MacKenzie, a law student, was at home in his part. Wendell Stanley, as George Boyd, brother to Sally Boyd, and an expert accountant, had an unusual part to take and handled it capably.

The play committee which selected the production was composed of Stanley Greene, Mary Frances Churchill, Francis Robinson, Norman Hoeffer and Alice Lemon.

## LOCAL POSTOFFICE RECEIPTS INCREASE

Postal receipts at the local post office continue to indicate the favorable trend of business, according to Henry Deuker, assistant postmaster.

During the month of May, the office enjoyed the largest postal sales in its history for the same month in any year. While complete tabulation has not been concluded, Mr. Deuker said that he believed the receipts during the past month would exceed the receipts of May, 1921, by about \$2,500.

Postal savings certificates also reached an unlooked for sale. May was the second largest month for the sale of these certificates, there being \$38,151 worth sold. The largest month was last February, when the sale totaled \$43,000.
