

# COUNTY CONVENTION OF C. E. DELEGATES AT EATON SATURDAY

EATON, Ohio, June 2.—Christian Endeavorers of Preble county will gather here Saturday for their annual county convention, the sessions of which will be conducted in the court house public assembly hall. The meeting will consist of a morning, afternoon and evening session. The meeting will open at 9 o'clock and an hour will be devoted to registration.

The Rev. Frank L. Freet, general secretary Ohio C. E. union, will address each of the three sessions of the convention. Marlowe R. Kersey, of Dayton, will address the evening session. Miss Marie Gregson, Miss Helen Gregson and Miss Anita Gregson, all of Cincinnati, have places on the afternoon program. A number of local county people will appear in various capacities at each session. At the opening session Albert Harris, Eaton, will deliver an address of welcome. The Rev. D. G. Pleasant, Campbelltown, will respond. A part of the afternoon session will be taken up with appointment of committees, business matters, etc. Committee reports will be received in the evening session and election and installation of officers will take place. Music for the convention will be supplied by the various church Christian Endeavor societies in the county.

The Endeavor society registering the largest number of members during the convention will be awarded a special prize.

The Rev. A. C. Barnhart, Eaton, is president of the county union. Fay Gardner, Eaton, is secretary.

Expect Big Shrinkage.

Shrinkage of three million dollars in the personal tax duplicate of Preble county is indicated at this time, although complete returns are not in. S. C. Fowler, taxing deputy in the office of County Auditor S. C. Hunt, says. Final returns or reports from Eaton and West Alexandria and the townships of Washington, Lanier and Monroe are the only taxing subdivisions remaining out. They are among those making heaviest returns.

The estimate is based upon comparisons with last year, from returns in at this time. A loss of three million dollars in valuation would mean an average decrease of 15 percent.

Harrison township shows a loss of \$111,000 and Jackson township a loss of a trifle over \$100,000.

Get Bridge Contracts.

Stanton Bros., Eldorado, were successful bidders for the contract for construction of four bridges on the Eaton-Hamilton pike, a state-county highway. Their bid was \$47,487.15, which was \$1,400 under the next lowest bidder and approximately \$6,000 under the engineer's estimate. The contract was awarded by the state highway commissioner in Columbus. Five bidders sought the contract.

Have Special Privilege.

Because of the fact that Eaton high school is a member of the North Central association of colleges, universities and secondary schools, the 30 students graduated this week from the local high school are eligible to enter without examination the best colleges and universities in 18 states. The association embraces approximately 200 colleges and universities and 1,400 secondary schools. The requirements of the association are said to demand a high standard of excellence. The Eaton school is the only one in Preble county holding membership in the organization.

**Child Takes Poison**

Physicians are watching closely the condition of Donald, four-year-old son of Mr. and Mrs. Chester Miller, East Main street, who, it is said, swallowed one of four bichloride of mercury tablets he found in the family home. Dr. L. R. Pryor and Dr. G. W. Flory employed heroic measures and remained several hours with the child. At this time his condition appears satisfactory but the poison is of so treacherous character that the full effects cannot be determined for some time, it is said.

**To Entertain Officers.**

Washington grange will host Saturday in Eaton to officers of the various grange organizations in Preble county at a conference, at which matters of importance will be discussed. There are a dozen or more grange units in the county and they constitute Preble Pomona grange.

Vote on a \$3,000 bond issue at Eldorado for fire protection purposes was almost unanimously in favor of the issue. To total of 118 votes were cast and only five votes were registered against the proposal. The bonds are issued to raise funds with which to construct street cisterns to store water for fire fighting purposes.

**Ball Game Sunday.**

Manager Bennett announces he has secured the fast Exello team to go against Eaton here Sunday afternoon at the ball park. The locals have hung up four wins in four games played thus far this season.

**WOOD MANUFACTURERS TO FORM ORGANIZATION**

(By Associated Press)

MEMPHIS, Tenn., June 2.—A call for an organization meeting of all hardwood manufacturing interests of the United States for the purpose of forming the American Hardwood Institute, along plans mapped out at the conference of lumber men with Secretary Hoover last week was issued here today by the special committee recently appointed by the American Hardwood Manufacturers' association. The meeting of Hardwood producers will be held at Louisville, Ky., June 15, 16 and 17.

# MINOR CHANGES IN CHAUTAUGUA PROGRAM

A few minor changes in tentative dates for the attractions at the chautauqua this summer were agreed upon at a meeting of the program committee of the Richmond chautauqua, Thursday night.

"The program as originally published will be followed in the main," Fillmore Riggs, secretary of the association said, "except that a few minor rearrangements of the schedule were approved by the committee. As soon as the proposed changes can be made with the booking agencies, the final program will be announced."

As usual, the meetings this year will be held in Glen Miller park, the dates being Aug. 20 to Sept. 3.

Last year approximately 180 tents

were used on the grounds, and the committee has hopes that an even greater number will be used this year.

## Circuit Court

### MARRIAGE LICENSES

Marriage licenses were issued to James L. Bozarth, and Dorothy Moore, both of Cambridge City; Charles W. Coben and Carrie E. Beach of Dayton and Richmond; and Clement Irvin Smith and Belle Pickett, of Hagerstown and Green's Fork, Thursday.

### NOTED BRITISH ACTOR DIES

LONDON, June 2.—George Rutland Barrington-Fleet, actor and theatrical manager, died here yesterday, aged 69 years. He played leading parts in nearly all the original Gilbert and Sullivan comic opera productions.

No Price is Right Unless the Quality is Right

We Sell—

# Quality

To most men price is an important consideration—but it's impossible to wear price. Service and style are as essential to good clothes as water and air are to mankind. You must have both to get quality true and thorough. That's why our clothes cost less per year than the ordinary kind.
