## Newcastle Phone Company Asks Increase in Rates

NEWCASTLE, Ind., July 29.—Petition for an increase of 70 per cent in Business phone rates and 62 per cent for residence phones was filed with the public service commission by the Newcastle branch of the Indiana Bell telephone company Friday.

The petition avers that present rates have not covered the cost of operation for the past year. The raise asked for would mean an increase to \$5 a month on business phones from \$3.50 now charged; a raise from \$1.75 to \$2.75 for individual residence phones, and an increase to \$2 from the \$1.40 now charged for rural residence phones.

The Chamber of Commerce will oppose the raise, it is understood, although a higher rate than now charged may be mutually agreed upon.
