

## BEGIN DISMANTLING EATON IRON BRIDGE; TRAFFIC IS DETOURED

EATON, Ohio, Aug. 2.—Work of dismantling the Main street iron bridge, which will be replaced by a concrete structure, is under way. The state will give financial aid in construction of the improvement.

Traffic is being detoured for a few days. Detour signs have been placed by the state highway department. The Dayton & Western traction bridge, alongside the road bridge, will be moved a few feet south of its present location, and will be so arranged as to accommodate vehicle and foot traffic, in addition to the company's tracks, while the new bridge is being built. The traction bridge will be moved Saturday night, it is thought. Loads will be limited to one and one-half tons on the bridge when it is opened for traffic.

As a means of fire protection for that part of town west of the bridge, a fire department hose reel has been hoisted on the west side.

### Democratic Women Meeting

Democratic women of the Third congressional district—Preble, Montgomery and Butler counties—will meet in convention in Eaton in the opera house on the afternoon of Thursday, Aug. 10, according to announcement just made. Two o'clock is announced as the hour for opening of the meeting.

Preparation of a program for the meeting is under way and will be announced as soon as completed. It will include an address by a prominent speaker.

Of 137 delegates in the convention, Preble county will have 12, one from each township. The list of local county delegates has not been completed.

Attendance at the convention will not be restricted to delegates alone, it is announced, so Democratic women of Preble county and the district are invited to be present.

### Furnishes \$500 Bond

Charles R. Mumfink furnished \$500 bond for his liberty pending investigation by the grand jury of a charge of non-support filed against him by his wife. He was bound over to the court of Judge L. T. Stephens. His wife and child are in Eaton. He has been employed in Dayton.

### Discharge Superintendent's Help

By action of the Preble county board of education, the services of Miss Ella Jennings as stenographer to County School Superintendent W. S. Fogarty have been dispensed with, beginning Aug. 1. It is understood Mr. Fogarty will not be provided with a stenographer by the board.

The board has also decided to not employ an assistant to Mr. Fogarty the next school year. L. F. Schlessler some time ago advised the board he would not seek re-election as assistant. His term of one year will expire the latter part of August.

Persons presuming to know, declare the board's action relative to assistant and stenographer to Mr. Fogarty was in an effort to force his resignation. They further declare politics enters into the situation.

### Expect Lodge Officers

Grand lodge officers are expected to be present at the annual meeting of the Odd Fellows and Rebekah lodges of Preble county, which will occur here Thursday on the fairgrounds. The grand lodge officers have places on a program of addresses that will be presented. A band from Lebanon will be present all day.
