

THIRD ANNUAL DUBLIN FREE FAIR OFFERS LARGE PREMIUM LIST FOR BEST EXHIBITS

DUBLIN, Ind., Aug. 8.—The Third Annual Free Fair and Homecoming will be held here for three days beginning Aug. 30. The premium list bearing the announcement contains a large list of premiums for the best exhibits of stock, agricultural and domestic products of almost every kind and class.

The fair is being financed by donations from the citizens of Dublin and surrounding towns and the farmers of this community, says the announcement, and it lays stress upon the fact that it is not Dublin's fair, but a community project.

Officers, directors and superintendents, together with the rules and regulations were also contained in the announcement. The officers are: George Cooper, president; Ed Jackson, vice-president; W. F. Floyd, treasurer and R. A. Layman, secretary.

The directors are as follows: Roy Mills, Webster Rummel, Henry Miller, Clark Paucot, Paul Caldwell, George Lamberson, E. S. Morgan, and the superintendents and their classifications are as follows: Nat Moore, horses; Webster Rummel, cattle; Horace Cole, hogs; E. C. Test and Thomas Kepler, chickens; Howard Whiteley, fruits and vegetables; Charles McCann, grain; Florence Knipe, art; Madge Lamberson, handicrafts; Alice Moore, babies; C. G. Layman, concessions.

The rules and regulations stipulate that the premium lists are open to all corners. The rules also state that the entries on all stock must be made to the secretary by 10 p. m. on Aug. 29, while all fruit, vegetables, grain, art and domestic science entries must be made to the superintendents by 10 a. m. on Aug. 30. All entries must be on exhibit by 10 a. m. on Aug. 30.

The management promises reasonable protection to the exhibits, but releases itself of responsibility in case of mishap. The regulations also provide that all exhibits shall remain intact until the close of the fair, unless released by the superintendents. It is stated that there will be a fine exhibit of manual training work of the Dublin schools on exhibition at Ed Henley's store.

Among the amusements are trotting, pacing, pony and foot races. There also will be games including baseball. Entries in these amusements should be made to the secretary and classification will be made by him so that all entries are given an equal chance.

A baby show will be held at 2 o'clock on Thursday afternoon, Aug. 31.

Need at Dances and the Seashore
(Aids to Beauty)

Here is a home treatment for removing hairs that is quick, painless and inexpensive: With some powdered delatone and water make enough paste to thickly cover the objectionable hairs, apply and after 2 or 3 minutes rub off, wash the skin, and it will be left soft, clear and hairless. This treatment will not mar the skin, but to avoid disappointment, be careful to get real delatone. Mix fresh as wanted.—Advertisement.
