

DEMOCRATIC WOMEN OF 3RD OHIO DISTRICT FORM ORGANIZATION

EATON, Ohio, Aug. 11.—Democratic women of the Third Ohio congressional district, Preble, Montgomery and Butler counties—met here Thursday afternoon in convention in the opera house. There were 134 delegates present, along with about 100 women non-delegates.

Mrs. Bernice Pike, of Cleveland, a delegate in the last national Democratic convention and Warren Gard, of Hamilton, former congressman from this district and nominated for congress at the late primary on the Democratic ticket, addressed the meeting. Mrs. Pike spoke upon the necessity of thorough organization. Gard spoke on political matters in a general way and upon the responsibility resting upon women since obtaining the right of suffrage.

Mrs. Caroline Hammerle, of Hamilton, presided. Mrs. Hamilton Shafer, of Dayton, was secretary.

The convention resolved to form a permanent organization to be known as the Women's Democratic club of the Third Congressional district. Mrs. Hammerle, of Hamilton, the convention chairman, was elected chairwoman of the club. Mrs. A. D. Davis, Preble county, was elected vice-chairman; Mrs. Walter Schaeffer, of Dayton, secretary, and Mrs. Frank Malampue, of Dayton, treasurer. The executive committee is made up of Mrs. Ada Hipple, of Eaton; Mrs. William Mason, of Hamilton, and Mrs. Harry Miller, of Dayton.

Elevator Work Progresses
Construction work on the new concrete grain elevator of the Eaton Farmers' Equity company is going forward rapidly and the tower section of the structure will be finished within the next few days. The plant is being built at a cost of approximately \$15,000. The company, after organization, purchased the J. H. Musselman elevator and business on North Barron street. The new building is going up just in the rear of the old elevator, which will be razed after completion of the new elevator.

Would Transfer Fund.
Application has been made to common pleas court by the rural board of education of Washington township for authority to transfer from the sinking fund to the tuition fund, the sum of \$1,352.

Printer Nominated.
George "Toney" Pickering, of Washington C. H., formerly a printer on newspapers in Eaton, was nominated for auditor of Fayette county, on the Democratic ticket, in the late primary. Friends here have been advised. His name was written in on the ballot and he received enough votes to make him the party nominee.

Will Engage Music.
Band music for the county fair the last week in September, will be contracted for in a meeting of the county fair board here Saturday. It is expected. The board offers \$75 a day to bands in the county. Those accepting the offer will be contracted with and assigned to one or more days of the fair.

May Get Factory.
Proposal of a Hamilton company to locate a factory in Eaton will be presented in a Chamber of Commerce meeting Monday night. The company manufactures a vehicle for children that is patterned after the velocipede.

CHIEF OF GREAT BRITAIN BOY SCOUTS VISITS LEADERS OF SCOUTS IN FRANCE

Sir Baden Powell, in uniform, at right center, and delegation snapped on arrival in Paris.

Sir Baden Powell, chief of the Boy Scouts of Great Britain and one of the men who helped organize the movement in the United States, is now in Paris at the head of a delegation of British Boy Scout leaders visiting the French capital and inspecting the scout movement in France.

County Agent Advises Farmers to Hill Select Potatoes For Planting

Every farmer who gets certified seed, as well as any others who expect to get good yields, should hill select his potato seed for next year's planting just before digging time while the vines are still green and the tubers are immature, according to County Agent Dolan. Farmers in other counties in Indiana who have followed this practice report increases of 60 bushels or more per acre as result of their efforts.

"In order to do this successfully go into your potato patch before frost with a fork and a basket and select hills which have not more than three stems and are healthy and vigorous," said Mr. Dolan. Dig these and if they have a satisfactory number of tubers upon them, throw all the potatoes in the hill in the basket for seed. If the hill is not better than the average return it to the ground and cover it again.

"By keeping up this method until you have secured a few bushels of seed for next year's planting you will be taking a decided step in improving your seed stock."

Cattle Exhibit in Henry Fair Expected to Be Large
NEWCASTLE, Ind., Aug. 11.—"The heaviest cattle ever shown here" is the prediction of fair officials regarding this division of the livestock department in the Henry county fair, which opens next week. A large number of cattle entries has been received than ever before and it is being

found necessary to make special accommodations for keeping the herds on the grounds.

Following are some of the prize herds which will be exhibited here: John F. Boyd, Rushville, Jerseys; Ranner Stock Farm, Hartford City, Herefords; Mrs. Johnson, Muncie, Guernseys; Mullendore Bros., Frankfort, Herefords; William Wilson, Muncie, Angus; E. M. Wilson, Anderson, Angus; Talbert Stock Farm, Rushville, Angus; Will Robbins, Greensburg, Shorthorns; Tudor Bros., Greenville, Ohio, Shorthorns.

In addition to those and other fine herds to be brought here from other counties, many notable entries will be made by Henry county stockmen. Included in these will be an Angus herd entered by Harry Modlin and a fine exhibit of Jerseys by Trum Ioe. John Ball has charge of the cattle department.

Hundreds of ants were found embedded in amber thought to be at least several million years old, in Scandinavia recently.

MY PICTURE ON EVERY PACKAGE P. D. Q.

P. D. Q., a chemical (not an insect powder) that will actually rid a house of Bed Bugs, Roaches, Fleas and Ants with its proper use. Impossible for them to exist as it kills their eggs as well as thereby stops future generation. A 35c package makes a quart. Free a patent spot in every package to put them in the hard-to-get-at places. Special Hospital size \$2.50 makes 5 gallons. Your druggist has it or get it for you.

P. D. Q. can also be purchased in sealed bottles, double strength, liquid form. Sold by A. G. Luken Drug company. —Advertisement

OHIO S. S. OFFICIAL URGES CHURCHES PUT TEACHERS IN SCHOOLS

"School children should be taught religion under the direction of teachers employed by the evangelistic churches," declared Arthur T. Arnold, general secretary of the Ohio state Sunday school association Thursday night at the session of the Indiana yearly meeting.

"We have no right under the constitution to ask the public school teachers to give instruction in religion, but we can ask for a period of when they can be given instruction by our own leaders in religion."

Declaring that 27,000,000 youths were not given religious instruction, and that three-fourths of the young men were not connected vitally with any church, he said the blame for the situation lay on our own shoulders. We give only 15 minutes a week—two minutes a day—of religious instruction to only a part of the children.

Willard O. Trueblood, of Western Yearly meeting, gave a report on the religious correspondence courses that the two yearly meetings were getting out jointly. Ten persons were already taking the course.

Superintendents Announced
The following superintendents of the Bible school work for the quarterly meetings were announced: Dublin, Everett S. White, Straughn; Eastern, Edith Wildman, Salem, O.; Fairmount, Glenn Smith, Jonesboro; Marion, Clarkson Cates, Greentown; New Garden, Naomi D. Pyle, Williamsburg; Penn. Milo E. Ratliff, Cassopolis, Mich.; Spiceland, Deborah Edwards, Shirley; Van Vert, Luther Adams, Rockford, O.; Wabash, Harvey Lamb, Amboy; Walnut Ridge, J. Irvin Butler, Greenfield; West Branch, Everett Pearson, West Milton; White-water, Harry Reeves, Richmond; Winchester, Norma Amburn, Farmland; Addison, Reece, Lynn, and Frances Robinson, Winchester.

"The next step in the preparation of peace should be an economic conference of the nations," declared S. Edgar Nicholson, Thursday afternoon.

following the report of the peace committee. "The other conferences have turned out to be political, but we must get the economic problems out of the way. If the president does not see fit to call such a conference in the near future, the national council for reduction of armaments may be called upon to start a public demand for the conference."

Meeting Time Changed
The yearly meeting time was changed from its present time to the third day following the first fourth day of August. In 1923 the meeting will begin on Aug. 28.

The following nominations were received and approved: Emma Pretlow, delegate to the Five Year meeting; vice Letta Gregory, resigned. Zona W. White, epistolary committee, vice Ida T. Parker, resigned. Pennina H. Trueblood, on returning minutes committee, vice Mary Doan Hole, resigned. Trustees of a disbursing board of income for aged women and ministers, terms expiring 1925, Amasa M. Jenkins, Richmond; Ira E. Johnson, Lynn. Evangelist, pastoral and church extension board, terms expiring 1925, Charles W. Sweet, Muncie, Emma Unthank, Richmond, and Lewis O. Chase, Marion. Historical committee, terms expiring 1925, Folger P. Wilcox, Richmond, and Walter Dexter, Richmond. Ministers' and workers' conference, terms expiring 1925, Zeno H. Doan, Knightstown, and Ida T. Parker, Carthage. Peace committee, terms expiring 1925, Thrumman Marble, Gaston; Alva E. Wildman, Selma, Ohio. Printing committee, term expires 1925, E. Harrison Scott, Richmond. Social service committee, Edith Wildman, Selma; Bonnie Mayse, Marion, and Homer C. Phillips, Greenfield.

Friday evening the program will be given over to foreign missions, and on Saturday the educational institutions and the Young Friends committee will report on their work for one year.

NEWSPAPER OFFICE ROBBED
EVANSVILLE, Ind., Aug. 11.—Burglars entered the office of the Evansville Journal and stole \$146 in cash, according to the police. The office of the Evansville Association of Credit Men also was entered and \$60 in money was stolen.
