## Pershing Lutheran Church To Celebrate Anniversary

PERSHING, Ind., Aug. 31.—On Sunday, Oct. 1, the membership of the Lutheran church of this place will observe its one hundredth anniversary with appropriate exercises. The church organization was formed in 1822 and was composed principally of early settlers from Pennsylvania. A school was the first object and a log house for that purpose was built on the state road. A burying ground was next when two acres were purchased of John Crum. The first person to be buried was named Wills, who died July 7, 1824. The log house was succeeded in 1833 by a brick structure which was later remodeled and enlarged by the addition of a gallery. The present modern structure was erected in 1890 under the pastorate of Rev. Jacob Wesner, who died Sept. 18, 1918, at the age of 80 years and six months. In this instance Rev. Martin Wagner of Dayton will have charge of the services, for which an elaborate program is in preparation and will be an all-day affair.

Los Angeles, Calif., was founded in 1781 by Spanish soldiers.

## Live From the Garden While You Can

Let the department of agriculture tell you how to use vegetables so as to get the greatest possible benefits from them while the season lasts.

It is a matter of common sense and duty that everybody should live through the summer, as nearly as possible, on the perishable products of the garden. Get acquainted with all the vegetables, their food value, and how to cook them.

All of this information is contained in a booklet which the department of agriculture has issued. It is a free government publication, practical and authoritative on the subject of preparing vegetables for the table.

Our Washington Information Bureau will secure a copy of this booklet for any reader who fills out and mails the coupon below. Enclose two cents in stamps for return postage, and be sure to write your name and address clearly on the lines of the coupon.

(Do not send the coupon to The Palladium. Mail it direct to Washington, D. C.)

## DODGE BROTHERS COMMERCIAL CAR

The car's long-established reputation for faithful, low-cost service has not influenced Dodge Brothers in their constant seeking after betterments.

A semi-floating rear-axle is now provided, embodying the latest ideas in rear axle design. The main housing is 75 per cent stronger. One large Timken bearing at the hub replaces two small bearings and gives 100 per cent greater carrying capacity. Larger ring gear and drive pinion make possible a new tooth shape, giving quiet operation and 45 per cent increase in strength. Larger front and rear propeller shaft bearings more than double the drive thrust capacity.

Conservative changes in body lines have materially enhanced the attractiveness of the car's appearance.

of apples, grapes, grapefruit and oranges.

They avoided soapy ingredients and all alkalines because alkaline ingredients thwart Nature in her effort to fight tooth decay. Fruit acids on the other hand encourage an extra flow of natural saliva which is provided to keep the teeth and gums healthy.

## The correct cleansing agent

Secondly, they avoided dangerous gritty ingredients. Many abrasives will polish off the tartar that accumulates from day to day. But they are so harsh that they attack the tooth enamel.

In Listerine Tooth Paste you have a polishing ingredient just hard enough to remove tartar but not hard enough to injure the tooth surfaces. It does the work and does it safely.

## Watch how it whitens your teeth

Get your free tube of this superior new dentifrice and give it a thorough trial. See the difference in its work. Your teeth will gleam white and brighter than they ever have before. And you have the constant satisfaction of knowing your tooth paste
