SCHOOLS IN PREBLE COUNTY WILL OPEN WITHIN TWO WEEKS

EATON, Ohio, Sept. 1.—Centralized and other district schools in Preble county will all be in operation at the end of the next two weeks. There are 19 of these schools in the county. Eight schools will open next Monday morning. Ten will open a week later, on Sept. 11, and one school will open Sept. 18. Eaton schools, which open Monday, are not a part of the county school district.

County School Superintendent W. S. Fogarty furnishes the following list of dates upon which the following schools will open: Sept. 4, Jefferson township, Jackson township, Dixon township, Israel township, Washington township, Casper township, Camden and College Corner; Sept. 11, Lanier township, Twin township, Harrison township, Gratts, West Elkton, West Alexandria, Lewisburg, Verona, Eldorado, West Manchester; Sept. 18, Monroe township.

Members of the Republican executive committee for Preble county, selected recently, will meet next Tuesday night in Eaton for the purpose of organization.

Democratic Organization of a Preble county woman's Democratic central and executive committee will be perfected here Saturday afternoon in a county meeting in the opera house, at 2 o'clock. Delegates from the various voting precincts will elect the central committee, which in turn will name the executive committee. It is expected both committees will organize by electing officers. The central committee was partly selected in a meeting last Saturday in Eaton, when adjournment was taken until the following Saturday to complete the

work. Dr. Clara Robertson, of West Elkton, will preside at the meeting Saturday as temporary chairwoman. Mrs. Ola Potts, of Eaton, will be temporary secretary. They were elected at the meeting a week ago.

Return Home

Mrs. J. M. Gale and daughter, Miss Catherine, who have toured Europe the last three months, will leave Liverpool Saturday on their homeward voyage, according to advices received by Mr. Gale, cashier of the Eaton National bank. They will sail on the S. S. Adriatic and expect to arrive in New York City on Sept. 9. Mr. Gale will meet his wife and daughter upon their arrival in New York.

Ask Appeal

Attorneys for P. O. Boston, farmer, of near Sugar Valley, have filed application for leave to file a petition in error in the appellate court in a case in which Boston was convicted of violation of the liquor laws. About a year ago Boston pleaded guilty in a squire's court to a charge of violation of the prohibition laws, after a raid by officers on his home. Two or three days later another raid was made and more materials for making liquor were found, the officers claimed. Boston claimed the materials were the same as found in the first raid and were not destroyed by the officers. However, he was fined \$250 and costs in a squire's court, after standing trial. Appeal on error to common pleas court was taken and the lower court was affirmed. The application filed in the appellate court in the case sets forth that Boston was convicted twice for one and the same offense, and seeks to have the court pass upon this alleged fact.

Hears Arguments

Judge A. C. Risinger will determine whether a temporary injunction granted Solomon Flory against Oliver F. Eavers shall be dissolved, after he considers briefs that are to be filed with him by attorneys on both sides of the case. Judge Risinger took the bench Thursday in common pleas court to hear arguments on a motion by Eavers

to dissolve the injunction, but the attorneys agreed to submit briefs covering the case. Eavers occupies a farm of Flory's under lease. Flory claims he reserved the right to sow clover seed on a certain part of the farm and that Eavers has been pasturing stock in the clover. Upon this ground a temporary injunction was granted.
