

## PEN WOMEN LAUNCH NATIONAL CAMPAIGN AGAINST DISLOYALTY

(By Associated Press)  
CHICAGO, Ill., Sept. 2.—A nationwide campaign against disloyalty to the country of whatever nature in the spoken or printed word has been inaugurated by the League of American Pen Women, which has sent out a call to its entire membership to join in the campaign.

This action was taken by the national officers in Washington after information was received from government officials that those who attempt to destroy American institutions and principles direct their efforts primarily to the women of the country and the students in colleges.

This feature is being given particular attention by a special committee appointed by Mrs. Louis N. Geldert, national president, and the national executive board. The textbooks in schools and colleges are being given close scrutiny by this committee. Many textbooks, it is stated, through selection, fail to instruct properly in American history, American traditions and American ideals.

The League of American Pen Women is composed of the professional writing women of the country, authors, editors, publishers, journalists, special feature and syndicate writers, dramatic writers, scenario writers, publicity and advertising experts and lecturers. It holds, because of the nature of its membership, a tremendous national power, Mrs. Geldert states.

## AUTOISTS FORBIDDEN TO TURN ON MAIN

Chief of Police Eversman Saturday repeated his warning that motorists must not turn around anywhere on Main street in the congested district. Violations of the rule have resulted in traffic tangles of late, and from this time on it will be rigidly enforced, he said.

Another thing which is forbidden by the traffic ordinance is the parking of automobiles within half a block of Eighth and Main streets. Traffic Officer Martin was employed for almost half an hour Friday in clearing out machines which had violated the rule. A number of motorists were called to the police station Saturday morning, where they were lectured on traffic rules in this particular.

The 30 day period of grace for motorists who have not yet had headlights on their cars properly adjusted and tested, comes to an end within a day or two, and rigid enforcement of the headlight law will then be taken up by the police department.

## Automobile Thieves Held By Posse at Falmouth

FALMOUTH, Ind., Sept. 2.—Russell Taylor, 17 years old, of Newcastle, and Mickey Owens, 19 years old, of Cincinnati, two of a party of four who stole an auto from Newcastle Thursday and robbed a store north of Rushville Friday night, were captured in Falmouth Friday. The gang pulled guns on a citizens' posse which attempted to arrest them and the other two members escaped into cornfields bordering the railroad.

The water of Lake Geneva rises and falls irregularly, much like the ocean tide.

### THE 1923 BUICK FOUR TOURING—\$885

In beauty of appearance, dependability and economy of operation the Buick four-cylinder five-passenger Touring has established an entirely new standard for four-cylinder cars.

Its low body with its clean, straight lines, accentuated by the high radiator and straight hood, give it a long, sleek appearance that is new to cars of its class. Massive crown fenders add to this distinction, as do the snug-fitting, shapely top and the handsome drum-type head and cowl lamps.

And with this beauty has come a new riding comfort. The seats are deep and low with full leg room in both compartments. The steering column has been changed in position to increase driving ease and the gear shift lever has been raised to meet the driver's hand. A transmission lock, a windshield adjustable from the inside, and a transmission-driven speedometer likewise are among the many new refinements of this model.

Material changes also have been made in motor, chassis, and body construction which contribute still further to the wonderful performance record characteristic of Buick cars for twenty years.

The Buick line for 1923 comprises fourteen models: Four—2 Pass. Roadster, \$865; 5 Pass. Touring, \$885; 5 Pass. Coupe, \$1175; 6 Pass. Sedan, \$1395; 6 Pass. Touring Sedan, \$1325. Six—2 Pass.
