

PREBLE FAIR HEADS OCCUPY TEMPORARY QUARTERS IN EATON

EATON, Ohio, Sept. 23.—Secretary Silver of the county fair board, and a corps of assistants has the last few days occupied temporary quarters in the courthouse, in the office of County Health Commissioner G. W. Homsher, formerly the quarters of the Preble county Red Cross chapter. Entries for the county fair next week have been received at the temporary quarters and other business relating to the county show has been transacted.

It is expected the temporary secretary's office will be continued Saturday and Sunday night, as a matter of convenience for exhibitors in filing entries. The office is in the room on the ground floor and to the right of the main entrance to the courthouse.

Friday was an exceedingly busy day for the secretary and his corps of assistants. Entries for the fair were being recorded in rapid-fire order and the office was crowded with fair followers the greater part of the time during the day and evening.

Secretary Silver expects to establish himself and his force of helpers in the regular secretary's headquarters at the fairgrounds early Monday morning.

Auto Polo Games
A sensational feature of the fair this year will be the auto polo games played for four full periods each day, with finals played off on Friday. This exhibition always has drawn big crowds, many visitors to the Connersville fair of last year having vivid remembrances of the games there. The games will be put on as a free attraction in front of the grandstand.

Exhibits of boys' and girls' club members in livestock displays, canned foods and clothing will be another focus of attention, these displays always being a center of interest. A large section of the agricultural hall has been reserved for the club canning and clothing exhibits.

Boys' pig club entries also will materially swell the stock exhibits this year, several dozen pigs being listed, as well as 80 additional entries of pigs in the Duroc and Poland China breed promotion shows. Besides these "extras," all the open classes in the swine show are as well filled as ever.

W. C. T. U. Officers
Eaton branch of the W. C. T. U. of Preble county has named the following department superintendents: Evangelist, Mrs. Grace Weidner; flower mission, Mrs. Mary Small; Mrs. Jennie Weidner; literature, Mrs. Hilley Baker; press, Mrs. Nellie Miles; S. T. I., Mrs. Mayne Scheid, anti-narcotics, Miss Anna Hehn.

New Fair Ruling.
Announcement has been made by the county fair board of a new rule governing school exhibits at the annual fair next week. Under the new rule pupils can not make an exhibit in the school exhibit hall unless the school which they attend gives notice of its intention to make an exhibit.

Report on Buildings.
For several weeks a Chamber of Commerce committee has been investigating advisability of conducting a campaign for a new city building. The committee will submit its report in a chamber meeting Monday night. About a year ago a proposal for a new city hall was voted upon in a special election and defeated.

Award Bridge Contract.
Under competitive bidding, B. C. Crouse and Son have been awarded a contract by county commissioners for construction of a bridge over Price's creek, near Eldorado, at the firm's bid of \$1,672.82.

Heads Temperance Union.
Mrs. R. J. Scheid, of Eaton, has been elected president of the Preble county Woman's Christian Temperance Union. Mrs. Minnie Sauer, West Alexandria, is vice president; Mrs. Grace Weidner, Eaton, secretary; and Mrs. Ida Hinkle, treasurer.
