One of the most beautiful and picturesque of the season's church weddings took place Wednesday evening, when Miss Thelma Lucille Hazelrigg, sister of Mrs. Francis H. Brown, of Kinsey street, was united in marriage with Herbert Russell, son of Mr. and Mrs. Robert Russell, of Randolph street, the Rev. C. Raymond Isley officiating. The single ring service was used. Stately cathedral candles cast their soft light through the church, with its decorations of wild asters, goldenrod blossoms and palms. The altar, banked with the fall blossoms in shades of gold and yellow and waving palms and ferns, had been arranged within a rustic, flower-tinted gateway. Across the archway of the gate had been spun a spiderweb of silver wire, representing the web of romance which had started when the couple had first met at the church sometime ago and culminating with their marriage at their first meeting place. A program of bridal airs were rendered by Francis H. Brown, C. C. Studebaker, of Scottsburg, Miss Lois Johanning, pianist, and Miss Mary Carman, organist. The bride entered to the strains of the Lohengrin march, played by Miss Carman. The bride wore an exquisite gown of white tulle with organza lilies piped in silver thread. Her veil was arranged with a wreath of flowers. She carried a shower of bride's roses. The maid of honor, Miss Madge Cox, of Mitchell, was gowned in yellow tulle with black picture hat. Her flowers were lavender and yellow asters. The bridesmaids carried baskets of autumn flowers and wore black picture hats faced in colors to match their gowns. Miss Jane Clements, of Mitchell, wore blue tulle, Miss Fern DeBeck, pink, and Miss Catherine Cox, orchid. Little Miss Emily Beckett, the flower girl, wore a frock of yellow organza. Master Richard Rossiter, of Dayton, Ohio, in a white satin suit, acted as ring bearer, carrying the ring in the center of a cala lily. Claude Russell acted as best man. The ushers, Theodore Sedgwick and Wilbur Dickinson. Following the ceremony an informal reception was held for members of the immediate families and the bridal party at the home of Mr. and Mrs. Russell. Mr. and Mrs. Russell left later on a wedding trip. They will spend a short time at Mitchell, the bride's home in the southern part of the state. Later they will be at home here at 328 Kinsey street. Protect that precious enamel

The safe way to clean teeth

Of course, you want clean, white, bright teeth; that's why you brush them carefully several times a day. But you want to be sure that the polishing agent in your dentifrice is not injuring the tooth enamel. Once destroyed it can never be replaced. And then decay starts.

This paste is safe

Listerine Tooth Paste contains just the right polishing agent: a substance just hard enough to remove daily accumulations of tartar; but not hard enough to hurt the enamel. You know it does its work safely.

And fruit acids to help Nature

Also Listerine Tooth Paste contains mild fruit acids to increase the flow of Nature's tooth-protecting saliva.

This extra saliva-flow counteracts the dangerous acids of fermentation that form from the starchy and sugary foods we eat. Thus you assist Nature in retarding tooth decay and keeping the gums sound and healthy.

See how it brightens the teeth

Buy a tube of this delicious dentifrice at your nearest dealer and give it a thorough trial. Note how quickly your teeth and gums will improve. You'll be delighted with the results and use no other dentifrice.

Scientifically safe; even for children
