Enjoy Entertainment  
A Wednesday evening entertainment in the auditorium was enjoyed by an estimated audience of about 200 persons. The program included music by the senior orchestra, a duet by Marguerite Scott and Stanley Davis, a solo by Miss Iva Nicholson and a reading by Virginia Knapp, with accompaniment by Esther Meek. The feature of the program was an interesting talk on birds valuable to the farmer as insect destroyers, illustrated with lantern slides showing views of the birds and their nests. The lecture was given by Dr. Millard S. Markle of Earlham college.

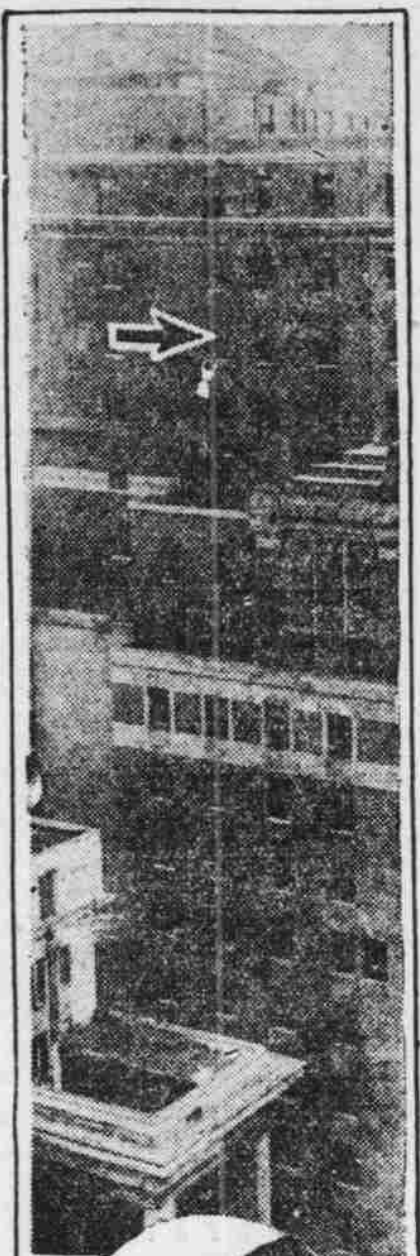

The Thursday program included a discussion during the morning of the report of the educational survey, given by Superintendent W. G. Bate of the Richmond schools and a report of farm

**Home-made Remedy Stops Coughs Quickly**  
The best cough medicine you ever used. A family supply easily and quickly made. Saves about \$2.  
You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, too—children like it—and it is pure and good. Pour 2½ ounces of Pinex in a pint bottle; then fill it up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly loosens the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma. Pinex is a highly concentrated compound of Norway pine extract, famous for its healing effect on the membranes. To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

bureau achievements by Perry Crane, state farm federation secretary, in the afternoon. Dorothy Smelser and Edna Vorhees were on the program with a duet, as were Clarissa Ahi and Erpha Lundy. Edna Vorhees and Virginia Scott gave a duet in the afternoon and Helen and Hazel Jackson followed. Mrs. Crane's talk with another duet. Mrs. D. W. Scott spoke on "Needs of the Farm Woman," and Miss Iva Duff gave a piano solo.

An invocation by Rev. Marie Cassel opened the morning program and Rev. M. R. Scott dismissed the audience in the afternoon.

An evening entertainment with an admission fee is announced for Thursday evening. A seven-reel motion picture film will be shown, dealing with problems of rural life.

## FARMERS AND WIVES TO DINE WITH CITY FOLKS AT COLISEUM

Plans for a big get-together dinner in which farmers and farm women will mingle with city business men and their wives, are being made by corn show and short course committees as a climax to the annual short course which will be held at the Coliseum on Feb. 19, 20 and 21. A committee headed by Everett Hunt is arranging the banquet, which will be served from food furnished by the farmers, but prepared and served by hired caterers, and for the enjoyment of which the farmers expect to invite city business men of Richmond or other Wayne county towns as their guests.

This activity is planned as an expression of the farmers' appreciation of the courtesies they have enjoyed in Richmond, and an opportunity to cement still further the friendly relations between city and country. Letters have been sent by Everett Hunt, chairman, to all township farm bureau chairmen, notifying them that each township will be allowed space for 10 families, and two guests for each family, at the dinner. It is expected that a total of 600 diners will be provided for. The dinner will be served in the Coliseum on the evening of the last day of the short course. Township chairmen have announced that they expect those families in their townships who wish to go, to turn in their names by Saturday, Feb. 3. All arrangements will be made through township officials, and the final list of guests must be given to the county office by Feb. 10.

## CAMBRIDGE VOTERS WILL BALLOT FEB. 5 ON LIGHT PLANT SALE

CAMBRIDGE CITY, Feb. 1.—Cambridge City voters will ballot Monday, Feb. 5, on the proposed sale of the city electric light plant equipment and franchise. The town election was called by the town board in compliance with a petition signed by more than the required number of taxpayers.

Every registered voter, male or female, residing within the corporate limits of Cambridge City, is entitled to vote at this election. The question involved and to be decided is, "Shall the town board be given the power to proceed to sell the municipal light plant equipment and franchise of the town to the highest bidder?" The ballot provides that if the voter favors the sale of the plant they mark "yes" and if not in favor of the sale of the plant mark in the square "no."

The plant seems to be in better condition for the past two years than at any time in the past ten years. According to the audited report made recently by an expert accountant employed by the board, shows the net earnings from electric service in 1922 to be near \$2,300. Two-thirds of this earning is credited to the account of current purchased and consumed in the industrial district. This would indicate that the five per cent power rate now in effect is too high and should be adjusted.

The town trustees have appointed

**A Little Cup of Custard**  
Children who tire of eating eggs as "just eggs" often like them if they are fixed up in a new form. Take the child's favorite cup, butter it, and break into it an egg, add two teaspoons of sugar and beat it well. Add a pinch of salt and one of nutmeg, fill up the cup with rich sweet milk, set it in a pan of boiling water, and put in the oven until the custard is set.

## WOMEN OF INDIANA FAVOR RETENTION OF ATTENDANCE OFFICER

(By United Press)  
INDIANAPOLIS, Feb. 1.—Women of Indiana are up in arms against abolishment of the office of state school attendance officer and amendment of the school attendance law as proposed in bills introduced in the legislature.

This was the statement of Mrs. Walter S. Greenough, president of the Indiana League of Women Voters today. The attendance division of the state department of public instruction was created by the 1921 session of the legislature which passed a bill drafted by the league, Mrs. Greenough said. "It is one of the league's preventive measures, which it has originated," she said. "The attendance division has caused a decrease in the number of confinements to children's correctional institutions."

There have been fewer commitments to correctional institutions for children this year than any other year. The state stands high as compared with other states in this respect.

"In one county there has been a saving of about \$50,000 this year because of the work of the state probation department. At the Indiana Boys' School at Plainfield, there have been fewer inmates due to the activities of this division."

The Indiana League of Women Voters is back of state acceptance of provisions of the Sheppard-Towner act which was passed by congress in 1920. It has been accepted by Governor McCray preceding the session of the legislature, Mrs. Greenough said. Under this act the division of infant and child hygiene of the state board of health would receive federal aid.

Another bill which was backed by the league has been introduced in the

state senate and would change the method of voting on constitutional amendments. A majority of the voters casting ballots in the previous general election would adopt an amendment under provisions of the constitution. The proposal now pending is that a majority of those voting on the subject of referendum would be sufficient to carry the question.

The league is also preparing a bill which would give women equal representation in organization of political parties. Betsy J. Edwards, a member of the league, is studying the laws of other states which would give the women those rights.

## Police Head Demands Charge New York "Cops" Bootlegging Explained

(By Associated Press)  
NEW YORK, Feb. 1.—Investigation of charges made by Magistrate Joseph E. Corrigan, in Essex market court that "half the cops are bootleggers themselves and stealing whisky" has been demanded of District Attorney Banton by Police Commissioner Enright.  
When David Rosenthal, a delicatessen store owner, who pleaded not guilty to a charge of selling liquor, declared that he could produce 20 witnesses who saw him beaten by one of the detectives who raided his store, the magistrate said:  
"Half the cops are bootleggers themselves and stealing whisky and when they find another man getting in on their graft they go in and beat him." Enright requested an investigation "in order that the identity of any or all of these officers may be established and that they may be dealt with to the full extent of the law."
