

HIGH STUDENTS GIVE ENTERTAINING SHOW; PLAY AGAIN TONIGHT

The first performance of "Frenzied Frolics of 1923" measured up to all expectations when it was presented to a capacity audience in the high school auditorium Friday night. The performance will be repeated Saturday night at 8 o'clock.

The orchestra, under the direction of Professor J. E. Maddy, opened the bill with a selection from "Pinafore." The musical revue headlines the bill with attractive costumes, synchronized steps and songs, and the feature of the act, "The Jazz Band." Miss Rhea Pyle took honors for the evening by making a hit with her accordion numbers. Miss Pyle responded to two encores. Miss Marguerite Cox put her songs across with the audience, singing "Aggravating Papa" and "Carolina in the Morning." Miss Elma McKisick danced an Oriental dance. The costumes worn by the actors in this act helped to make it original.

Jay and Ryan gave an original line of comedy in their offering, "A Little Bit of Foolishness." Both were dressed in the hobo garb. They sang several appropriate ditties.

Versatile Offering
Van Etten and Vice presented a versatile offering in a cartoon and song act. Van Etten proved his skill as a cartoonist in drawing a number of prominent figures in the high school.

Meloy and Peterson were excellent blackface comedians. Mikosell and Lanier offered an act entitled "Stage Struck," introducing offerings and singing a few peppy numbers.

Davis and Miller, two black face artists, gave the audience their money's worth of laughter in their offering "Taint That." Davis makes a fine looking colored woman.

Gus Pfafflin proved his versatility by offering something new in the way of a tramp act. His singing of the song "Moonshine," was well received.

Longfellow and Ewing offered a novelty act, giving selections on bassoons, disguised as floor lamps. William Penery proved a hit with his saxophone solo. This act closed with a good imitation of a Scottish bagpipe by the two bassoons and an oboe, played by Penery.

KLAN STATEMENT GIVEN TO OFFICIALS

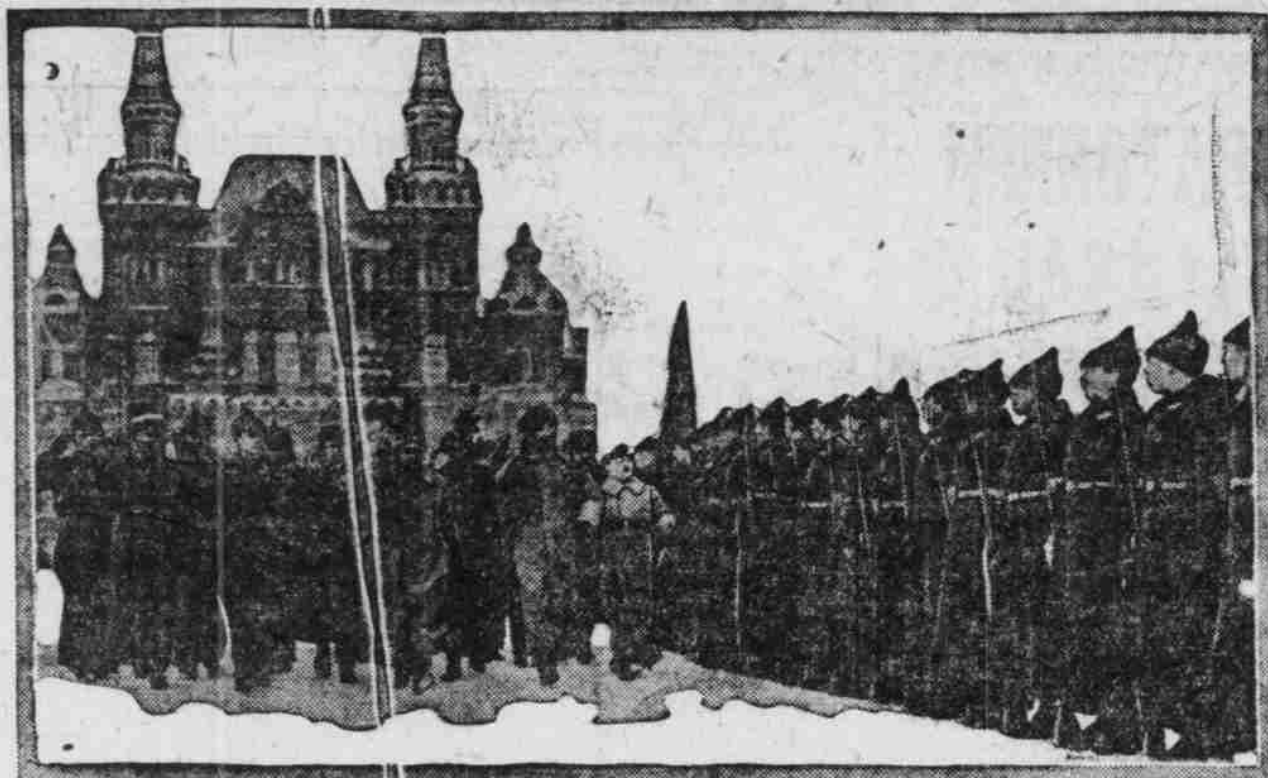

The following has been submitted by the organizer of the local Klan: "The resolution adopted and approved by the Knights of the Ku Klux Klan, Richmond Provisional Klan, for the purpose of informing the people of this community who have been misled by false, erroneous and prejudiced reports.

"Be it resolved: By the assembly held recently, that the following statement be handed to the heads of the city and county governments so as to assure them that we stand behind them individually and collectively in the support and enforcement of all matters pertaining to law enforcement and to all matters pertaining to civic improvement.

"That this organization requires of each person applying for admission, after qualifying and prior to being admitted, that he will abide by and support the Constitution of these United States of America and the laws of the state in which he does or may reside, that he will sacrifice his property and his life if necessary for the preservation and honor of this grand and glorious government.

"Be it further resolved: A copy of this resolution be handed to Judge Circuit Court, William A. Bond; Mayor city of Richmond, Law-

ENORMITY OF RUSSIAN KILLINGS REVEALED.

Eye witness accounts of the executions, massacres, prison cruelties and conditions as carried out by those employed by the Cheka reveal that the Bolsheviks slaughtered 1,766,118 persons

while the revolutionary tribunal of the French Revolution condemned only 2,596 persons. In the whole of France those put to death by process of law numbered about 17,000. The enormity of the Rus-

sian killings is just realized. This exclusive photograph shows Deschinsky, chief of the Cheka reviewing his men at the fifth anniversary of the Founding of Soviet Russia's "Cheka" (Secret Police) in Red Square, Moscow.

LOCAL FLORISTS WIN 3 SPECIAL PREMIUMS

Besides the gold medal won on the "America" rose by the E. G. Hill company at the annual Rose Growers' convention in Cincinnati this week, three of the five Rockwood vases awarded as special premiums were won by Richmond florists.

One went to the E. G. Hill company on the best vase of Freemans, another to the Joseph Hill company on the best general display, and the third was won by Fred Lemon on a new yellow rose which he has developed, called the "Amelia Gude." The E. G. Hill company also won a second prize on the 50 "Premier" display.

The "America" which was the sensation of the show, is only being released to the florists trade this spring, having been introduced to growers by exhibition at a number of fairs and floral shows last fall and this winter. It is a deep pink rose with the advantage of hardy growth in out-door gardens, and is expected by rose culturists, to become a popular flower.

The "Amelia Gude" is a yellow rose, not unusual in appearance, but of especial interest to florist because of its commercial possibilities. It also is being introduced to the trade for the first time this spring. This rose produces blooms equal to most of the yellow roses, and in addition is very easy of cultivation and an unusually profuse bloomer, furnishing greater quantities of roses than any other variety. E. G. Hill acted as toastmaster of a florists banquet Thursday evening.

DROPS DEAD DURING CHAT
HAMMOND, Ind., Feb. 3.—William Platt, contractor, dropped in at the E. J. and E. tower at Hobart to pass the time of day with his friend, John G. Lynn, agent. While laughing at something Lynn said, Platt fell to the floor and died before medical aid could reach him.

OLD FASHIONED FAMILY REMEDY FOR COLDS, GRIP, PNEUMONIA AND BODY BUILDING

Father John's Medicine Builds New Strength During the Getting-Well Stage After Any Illness.

A Doctor's Prescription. Free From Alcohol and Dangerous Drugs—67 Years in Use.

The getting-well stage of grip is the most dangerous of all because the body, weakened by the grip, is wide open to attacks of other lurking disease germs.

That is why all the organs of the body must be kept in their best working order, not only to drive out the poison left by the grip germ, but that the patient shall regain strength as soon as possible to avoid further attacks resulting from the poisons in the system.

As a means toward good health after the grip Father John's Medicine builds up the body because it is all pure wholesome nourishment and free from opium, morphine, chloroform or other poisonous drugs or alcohol. Father John's Medicine has had sixty-seven years' success for colds and throat troubles, coughs and sore throats, and as a tonic and body builder.—Advertisement.

Choosing Your Environment

The only way that you can choose the neighborhood in which you live is by owning your own home. When you "rent" you may have to move into a neighborhood that is not the most desirable, but the only place that you can find. You can eliminate such conditions if you buy a home in

Wrightland

where you find the most pleasing surroundings and have a home that is new and modern.

FATHER, SON FINED IN RANDOLPH COURT

WINCHESTER, Ind., Feb. 3.—Jared McGunnigill and his son, Ennis McGunnigill, each charged with assault and battery on Mrs. Emmett McGunnigill, have been found guilty in the Randolph circuit court. Jared McGunnigill was assessed a fine of \$15 and costs and the son a fine of \$10 and costs. Jared McGunnigill's son, Em-

met, husband of the prosecuting witness, was the defendant in a sensational case tried in the circuit court last week, and besides two fines of \$250 each and costs, was given a 60 days jail sentence.

Suit for divorce has been filed in the circuit court by Luella Surface against Estley Surface. The defendant is charged with cruel and inhuman treatment and failure to provide. Besides a divorce, Mrs. Surface asks the court to grant her the custody of their 13 year old son and a suitable allow-

once for his support. Mr. and Mrs. Surface are residents of Lynn.

Suit on note and foreclosure, demand for \$2,000, has been filed by George W. Parker against John Banning, Emma C. Banning, Ralph J. Banning, the Limestone Products company, William H. Hitchcock and The First National bank of Farmland.

Probably the largest plant in the world is a gigantic seaweed found in the south Pacific. It grows in the water to a height of 300 feet.
