## JESUS AND JOHN THE BAPTIST

Sunday School Lesson for Jan. 12, 1908  
Specially Arranged for This Paper

LESSON TEXT.—John 1:19-34. Memory Verses, 23, 30.  
GOLDEN TEXT.—"Behold the Lamb of God, which taketh away the sin of the world."—John 1:29.

TIME.—John the Baptist, began to preach in the summer of A. D. 28. He preached six months before Christ appeared on the scene. He continued a year and three months preaching while Jesus preached; till March A. D. 28. Jesus was baptized January, A. D. 27. His temptation—January and February. His first disciples—in February. The delegation of the Pharisees—February.

PLACE.—The wilderness of Judea. The baptism of Jesus at Bethabara, on the east bank of the Jordan.

Comment and Suggestive Thought.  
John preached the things that were necessary before one could enter the kingdom of God. (1) Repentance and confession of sin. (2) A change of conduct that proved the repentance to be sincere. (3) A public profession of this change of life by baptism, essential to the proof of their sincerity, to permanence of the new life, and to power for good. (4) The kingdom of God is at hand.

This preaching led people to inquire, what does all this mean? Who is coming? What is coming?

The Witness of John to Christ.—Vs. 19-34. The Christian wants proof. The issues are too important for credulity. We need to know.

The witness of John is repeated, reinforced, more and more clearly, all down the ages. The facts written in the history of 2,000 years confirm his testimony.

First. John Witnesses That Jesus Is the Christ, the Son of God. He refused to be called the Messiah. He was merely one who announced his coming. And when Jesus returned to Bethabara, John pointed him out to the people—"Here is the Messiah. This is the Redeemer from sin. This is the man whom God by sure signs made known to me as the Saviour."

There is a great deal of evil in the world yet, in the best of countries, in the best of people. But it is evil fought against. It is gaining the victory slowly but surely. The very revelations of evil, the controversies and conflicts, are signs that the power of Christ is working upon the evil, a never ending conflict till the good has triumphed.

Second. John Witnesses to Jesus as the Redeemer from Sin. V. 29. "Behold the Lamb of God." Jesus was so named by John, because the lamb was used in three ways as a symbol of the deliverance which Jesus brought. (1) John and his hearers were familiar with the representation in Isaiah (53:7) of the coming one, "as a lamb led to the slaughter." (2) Still more would the Jew think of the Passover lamb as the type and promise of national deliverance. (3) The daily sacrifice of a lamb was continually before the Jews, teaching them the meaning of all the sacrifices, and continually reminding them of their need of an atonement for sin. It is well worth noting that Jesus died for our sins at the Passover feast, and at the hour of the daily sacrifice. "Which taketh away the sin of the world." "To bear away sin is to remove the guilt and punishment of sin by expiation, or to cause that sin be neither imputed nor punished."—Thayer's Greek-English Lex.

(1) The work of Christ is to do this for the whole world till this sinful world is changed into the sinless Paradise Regained. (2) Jesus provides redemption for all the world. (3) He pardons past sin, so that it is no longer remembered by him, but is blotted out forever. (4) He is, in fact, removing sin from the world. Wherever he comes, sin is in the process of removal from each heart that accepts him, and from the community.

Third. The Witness of the Holy Spirit. V. 32. "I saw the Spirit descending from heaven like a dove, and it abode upon him." He descended not only in the manner of a dove, but in bodily shape of a dove (Luke 3:22). This means more than "It was as plain to him that Jesus was possessed by the Spirit as if he had seen the Spirit in a visible shape alighting upon him." It was necessary for his assurance, and that of the people, that there should be some visible proof of the descent of the Spirit, as there was at Pentecost, and the results proved that the sign was accompanied by reality. It may be that John saw the effects "in the demeanor of Jesus, in his lowliness, and sympathy, and holiness, all of which came to their perfect bloom at and in his baptism."—Exp. Greek Test. But the sign that accompanied this power was given to reveal the fact, "in letters that could be read from the stars," that the invisible Holy Spirit was actually present; to make the fact clear and unmistakable; to show the source whence the power and its effects came.

Practical Points.  
The Dove expresses the indwelling of Jesus in our hearts, awakening all the gentler, loving, affectionate qualities of religion, sweetness of spirit, graciousness of feeling and of manner.

Light cannot be hidden. If it ceases to shine, it ceases to exist.

The apostle said to the Corinthian Christians, "Ye are our epistles . . . known and read of all men . . . manifestly declared to be the epistle of Christ ministered by us, written not with ink, but with the Spirit of the living God" (2 Cor. 3:2, 3).

## GET IT AT THE LITTLE GEM

The majority of people haven't any idea of the importance of our candy department.

It, like the others in our store, is in charge of an expert, a specialist.

Deliciousness is not the only appealing feature of the "Little Gem" Candies. Purity is rigidly adhered to in every stage of their manufacture. That's why discriminating lovers of sweets prefer them to other kinds.

Take our cream chocolates at 30c the pound. The crisp coating on the outside and the soft mellow and piquant flavor of the inside make a combination that will beckon on the most backward palate.

There is a great variety of other candies here also, and we are confident that each grade is superior to any other sold at 20 cts. the pound more.

Our fine line of fancy boxes will have to be seen to be appreciated.

We fill them with our fresh hand-made Chocolates while you wait.
