Representative Crumpaker will introduce a bill in the House the first of the week to give the Monon Railroad Company the right to erect a railroad bridge over the Calumet river at Hammond.

Len Leffler was up from Crawfordsville last week looking after some business affairs. He enjoyed a very prosperous Christmas trade in his new confectionary store in that city and believes he will be able to establish a good paying business.

Several republicans went to Lafayette last night to attend the republican district organizing convention. In the evening a caucus of all republicans was held in Chairman Marshall's apartments in the Lahr House and the only candidate that developed for the Chairmanship was A. J. Hickey, a young lawyer with a pleasant smile and said by his home county boomers to be the real goods. The convention did not meet until 2 o'clock this afternoon.

The War Department is planning to conduct joint army and militia maneuvers at Ft. Benjamin Harrison again next fall. The final decision in the matter will depend on whether Congress makes an appropriation for expenses. As a preliminary step to asking Congress for the money that will be needed, Assistant Secretary of War Oliver, has written a letter to Governors asking how many national guardsmen they would contribute to joint maneuvers. It is the hope of the department that within a few years a permanent maneuvering site will be obtained at Ft. Benjamin Harrison. The Secretary of War in the annual report

to Congress, supports the recommendation of the Quartermaster General that \$750,000 be appropriated at this session for the purchase of the additional land needed for maneuvering purposes at the Indiana post.

A Mild Laxative For Baby's Bowels

The infant or the child should not be given salts, purgative waters or harsh pills or tablets when the bowels are constipated, and neither should any medicine be used that contains a narcotic.

It is well for mothers to remember that there is no better, gentler or more effective remedy for children's stomach and bowel troubles than Dr. Caldwell's Syrup Pepsi. Its purity and mildness make it especially adapted to young people's use. It works gently but surely, and containing, as it does, many tonic ingredients, it not only cleanses the congested bowels, but tones the system and makes the child feel better in every way.

Among the thousands who are using Dr. Caldwell's Syrup Pepsi is Mrs. Spalding of Mayfield, Ky., and she writes that she gives it to her children regularly and that she would not be without it. She has used it herself for a long time and ought to know.

Mothers will find this an invaluable remedy for old and young in constipation, dyspepsia, liver trouble, diarrhea, colic, worms, and many other ills that afflict the stomach and bowels. It is guaranteed to do what we claim, and by its use a home cure at very little cost is easily brought about.

Children are often troubled with skin diseases, are backward in school, in weight and do not grow well or play all that is required. The matter with them is stomach trouble, that Dr. Caldwell's Syrup Pepsi will correct. Go to your druggist to-day and buy a bottle and see how quickly the child gets well again.

It is a good thing for the whole family to use it stomach, liver and bowel complaints. A 50 cent bottle has often restored an entire family.

Those wishing to try Dr. Caldwell's Syrup Pepsi before buying a free sample bottle sent to their home by addressing the company. This offer is to prove that the results will do as we claim, and is only open to those who have not tried it. Send for it if you have any symptoms of stomach, liver or bowel trouble, especially those that are not relieved by the most effective laxatives for children, women and old folks. A guaranteed, permanent home cure. THE PUBLIC VERDICT: "No Laxative So Good and Sure as DR. CALDWELL'S SYRUP PEPSI." This product bears the public seal of No. 17, Washington, D. C.
