

## Don't Neglect It

It is a serious mistake to neglect a weak heart. It is such a short step to chronic heart disease. When you notice irregularity of action, occasioning short breath, palpitation, fluttering, pain in chest or difficulty in lying on left side, your heart needs help—a strengthening tonic. There is no better remedy than Dr. Miles' Heart Cure. Its strengthening influence is felt almost at once.

"I have used 10 bottles of Dr. Miles' Heart Cure and can assure you it has done me more good than anything I have ever used, and I have tried nearly everything that I know of. The doctor who attended me asked me what I was taking, and I told him Dr. Miles' Heart Cure. He said it was not going to do me any good, but it did. I have not taken any for a year now, and while there is occasionally a slight symptom of the heart trouble, it is enough for me to continue the use of the medicine. If I should get worse I would know what to do. Take Dr. Miles' Heart Cure as I did before, I consider myself practically cured of my heart trouble."

Jenkins was not pleased by the recklessness with which his august guest experimented with the levers and switches; but feared to remonstrate, though uttering an occasional word of caution. Suddenly, as if confused, the kaiser opened three switches at once. The machine gave a mighty lurch, and failed to obey the expert hand that was instantly reached.

"There are thousands of persons suffering from the auto-suggestion, or as it is commonly known, self-hypnotism," said Dr. Quackenbos to a New York Mail reporter. "Ad' writers and window dressers are responsible in a measure for the prevalence of the disease. A case of self-hypnotism is curable, says Dr. Quackenbos, if not chronic, and the only way to treat it is by putting the patient to sleep and talking to the soul."

"I have treated hundreds of cases of auto-suggestion, and nearly every instance have secured a permanent cure. You see some persons get into their heads that they have been injured in a railroad accident and will go into court and unintentionally perjure themselves."

"Having faith and confidence in a person one can be made to do almost anything, the limitations of possibility being unknown. A person can unconsciously fake the symptoms of any disease. Now take, for instance, the Christian Scientist. His patients believe in him and that they are going to be cured, and they are. Then there is the quack doctor who tells you through the advertising columns that for \$5 he will effect a permanent cure for you. All you have to do is to go in a certain room in your home at a certain hour and he cures you by long distance."

"The 'ad' writer puts things before the public in such a way that persons who are susceptible to auto-suggestion read the advertisement, believe themselves to be afflicted with a disease, and they send for the medicine which the shrewd 'ad' writer tells about. After they have used a number of bottles of the remedy they believe themselves cured."

"I believe, too, that the population of the earth will be regulated by auto-suggestion."

## How to Cure Liver Trouble

Keep Your Bowels Regular and Your Stomach Sweet

People sometimes imagine when they have liver trouble or are illious that the main thing to do is to take physic.

Taking pills and keeping your bowels regular are two very different matters. The use of a cathartic or enema does not mean the cure of constipation or the establishment of regular movements. A physic is an emergency remedy, but never more regularly there is a reason deeper seated than the mere clogging up that is removed by a dose of salts or pills.

When that drowsy, tired feeling, with the coated tongue, the dull head pains, the sour stomach, the sallow complexion, constipated bowels and touches of fever come on it is time to take a medicine that will set on the bowels gently and mildly, cleansing and strengthening them, stir up the liver and aid the stomach in digesting the food.

Dr. Caldwell's Syrup Pepsin does this every time. Take a few doses and see how quickly the drowsy feeling leaves, regular bowel movements come back, with a good appetite and perfect digestion, and you soon feel like your old self. It does not grip nor pain, it acts smoothly, mildly and is very pleasant to take. Wm. Hinchman, Muncie, Ind., says: "I was troubled with indigestion and liver trouble. I have used Dr. Caldwell's Syrup Pepsin with fine results. It is perfect laxative and I now feel as strong and well as formerly." Wm. Block, Nitro, Ill., says: "Dr. Caldwell's Syrup Pepsin is the best remedy I ever used for liver complaint or constipation."
