Hidden Danger.

NATURE GIVES TIMELY WARNING THAT NO RENSSELAER CITIZEN CAN AFFORD TO IGNORE.

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys create a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular passage.

DANGER SIGNAL NO. 2, comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently.

H. N. Wasser, Prop., of Carson House, Washington street, Monticello Ind., says: "I suffered from severe backaches and had such sharp shooting pains across my loins that I was kept awake at night. My kidneys were sluggish in action and the secretions were badly disordered. I used various remedies but did not find the desired relief until I commenced taking Doan's Kidney Pills. I can now rest well at night, have no backache and feel a great deal better in every way, thanks to the remedy."

Plenty more proof like this from Rensselaer people. Call at B. F. Fendig's drug store and ask what customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Now is the very best time to buy Xmas goods in fancy work, at Mrs. Goff's, as she expects to close out her fancy work between now and Xmas, all except embroidery threads and stamping, which she will continue with her corset business. She has the most complete line of stamping patterns in the city and is continually buying new. She also has a fine line of pillow cords, pillow tops and center pieces with work started and free instruction given. Also pillow case linens, belts and pine cushion forms. After a year's study in the corsetier's art and her week's instruction at Madison, Pa., under some of the very best eastern corsetiers and instructors, Mrs. Goff now feels she is in a position to give entire satisfaction to her patrons.

Van Huff, of Goodland, was here this morning and engaged to go to work for Warner Bros. as a tinner. He will move his family here at once.

Trustee Mannion, of Wheatfield township, brought an old lady named Walstrew here this morning to have her placed in the county farm. She is very old and badly crippled.

George V. Moss, the attorney, was here from Frankfort yesterday, and in company with his brother-in-law, Chas. Parker, selected a lot at Weston cemetery, and it will be occupied by the bodies of Isaac Parker, who died in Barkley township and was buried in the Brown cemetery about twenty years ago, and of his oldest son, Russell Parker, who died at Two Harbors, Minn., a little more than a year ago. Mrs. Belle Parker, widow of Isaac, and mother of Russell, and the other relatives wanted the bodies buried here. The change will be made as soon as possible.

James Blake and wife were over from Remington today. They came back a little over a week ago from the state of Washington, where they had gone last spring. He did not see anything there that he regarded as a good investment or that suited him in the way of employment and he decided to come back and again occupy his farm. The farm has been resided on by John A. Grey for the past year, and Mr. Grey is talking some of going to Oklahoma. Mr. Blake says that there are lots of poor people coming back from the west. And he thinks a person without money had better be here.

H. S. TEAM PULLS GAME OUT OF HOLE

Before a large and enthusiastic crowd the local high school team met and defeated their old rivals, Crown Point, by the score of 12 to 11 at Riversdale Athletic park last Saturday. Crown Point kicked-off to Meyers, who advanced the ball to the 25 yard line. Rensselaer made their first down twice, then were forced to punt. The ball was blocked and Crown Point carried it over the line for a touch-down. Young kicked goal. Score Crown Point 6, Rensselaer 0.

This piece of hard luck at the start of the game seemed to rattle some of our inexperienced players, and a few minutes later Crown Point punted and Rensselaer failing to cover the ball, she scored another touch-down. Young failed in an attempt to kick goal. Score Crown Point 11, Rensselaer 0.

In the meantime Coach Parker had arrived and during the 15 minutes interval he gave the team a spirited talk which seemed to have wonderful effect.

Second Half. Two changes were made in the line, Clarke going to end and Beam to center. Crown Point kicked off. A change for the better could be seen and the ball was fought hard up and down the center of the field until Meyers broke through for 65 yards, bringing the ball to the visitors' five yard line. The spectators gained a frenzy of excitement. Kirk gained 4 yards off guard and Elder carried it the remaining yard over the line. Capt. Kirk kicked goal from a difficult angle. Score Crown Point 11, Rensselaer 6.

It seemed impossible to lose and from this time on the visitors did not have a look in.

Captain Young kicked to Rensselaer, whose backs, by straight football, carried the ball to their own 15 yard line. Here the opponents held for downs and the ball was punted to the center of the field. Elder and Kirk carried the ball to the opponents 25 yard line, where, with 30 seconds to play, Kirk carried the ball over the line for a touch-down. Kirk kicked goal. Score Crown Point 11, Rensselaer 12.

The features of the game were the work of Captain Young of Crown Point, and the whole Rensselaer team during last half.

Injured in Automobile Accident.

Mr. and Mrs. Bert Hopkins had an automobile accident Sunday afternoon. They had started for Fowler in the W. C. Babcock Michel machine, and had reached the Gilboa corner south of Remington, when the machine went into the ditch as they went to turn the corner. Both were thrown out and Mrs. Babcock suffered the fracture of the right collar bone. She was not otherwise injured and Mr. Hopkins escaped unharmed. The machine was but slightly damaged and was brought here today, and is able to be run. The escape from wo'sh injury was very fortunate.

Death of Mrs. Martha Clark.

The aged mother of Mrs. Henry Amsler died last Saturday evening at her home on Weston street. She was 91 years of age on August 14th, and had been living here for about eight years, having come here from New York shortly after Mr. and Mrs. Amsler moved here.

The funeral occurred at the Amsler home this Monday afternoon at two o'clock, Dr. H. L. Kindig having charge of the services. Interment was made in Weston cemetery.

An obituary of this venerable old lady will be published in the next issue of this paper.

A dense smoke, resembling fog hangs over the city and much of the country about Rensselaer today, and doubtless comes from the many prairie fires that have occurred north of here. Henry Amsler lost a part of the corn crop on the Maple Grove farm Sunday, and Lyman Barce lost 6 or 7 acres a few days ago. The railroad is responsible for much of the fire. A rumor that the Wood school house had burned was not true. Saturday afternoon another big fire raged over north of Stoutsburg, and burned about 40 ricks of hay, and destroyed considerable corn. It required the best efforts of several men to keep the fire from burning Frazier Antrim's house and Mike Delehaney also had a close call for his house and barn.

Mrs. A. W. Wood, who has been visiting in Chicago, joined her husband and daughter here this morning, and will visit his sister, Mrs. Henry Pierson, of Jordan township, and his brother, Henry Wood, in town. Mr. Wood is the pastor of the Delphi M. E. church.

Delbert Beckman came up from LaSalle, Illinois, Saturday and remained until this morning, visiting his parents.
