# SPECIAL SALE

## For the Balance of the Month of November

We will slaughter a great deal of our present stock to make room for the vast amount of Holiday Goods which are arriving daily. Over \$20,000 worth of up-to-date merchandise to be included in this Great Sale. Goods of every description to be cut right and left. Goods you all need right at this time of year. We are positive beyond a doubt that we can save you money on any class of merchandise you may want to buy. Our sixteen years' experience in buying general merchandise is alone worthy of your consideration. We buy most of our goods right direct from the manufacturer—there are no go-betweens with us—the profits that go to the jobber, we save for our customers. Our prices are all marked in plain figures; we do not have to scratch our heads and look wise to give you any inside figures. We do not send our clerical force out to get the other fellows' prices before we mark our goods. We buy them right in the first place, we mark them right in the second place, which means they are sold when the customer sees the goods. We are always busy and have no time to waste worrying about what the other fellow is doing. We have been here eight years in business; we are increasing our trade every year. Giving you the same goods for less money or more and better goods for same money, has made the 99-CENT RACKET STORE today.

Yours for Business,

E. V. RANSFORD, Proprietor.
