### PROVISIONS OF LAW RELATING TO TAXATION.

"The owner of property on the first day of March of any year shall be liable for the taxes of that year. The purchaser on the first day of March shall be considered the owner on that day."

Purchasers of PERSONAL PROPERTY as well as Real Estate should remember that "TAXES FOLLOW PROPERTY when the taxes thereon remain unpaid."

"COUNTY ORDERS in favor of persons owing delinquent taxes can not be paid without settlement of taxes."

"It is the duty of the TAX PAYER to state definitely on what property he desires to pay taxes, in whose name assessed, and in what township or town it was assessed. THE TREASURER WILL NOT BE RESPONSIBLE for the penalties and charges resulting from taxpayer's omission to so state."

The Tax Duplicate for any year is made with reference to property on the first day of March of that year and remains unchanged for the year as to the showing of property, and in whose name assessed and taxed. Transfers after the first day of March of any year will never appear upon the Duplicate of that year's taxes.

Those who pay taxes of property in trust, and whose taxes are complicated, such as *undivided estates*, etc., should pay early enough to avoid the rush of the last days, as it requires time to make the divisions and separate receipts.

**Road Receipts Must be Presented in Payment of First Installment.**

The Annual Sale of Delinquent Lands and Lots will take place on the SECOND MONDAY OF FEBRUARY, 1909.

**JESSE D. ALLMAN, Treasurer of Jasper County, Indiana.**

#### G. F. Meyers Elected Councilman.

A special session of the city council was held Monday night for the purpose of electing a councilman-at-large to fill the vacancy caused by the death of Jay W. Williams. Two names were proposed, George F. Meyers, republican, and Lucius Strong democrat. Mr. Meyers received the votes of the three republican members of the council, and Mr. Strong received the vote of Mr. Gerber.

Mr. Meyers did not know that he was being considered for the office and if he decides to accept it, it will be with considerable unwillingness, as his health is very poor and he has so many matters of his own to look after that about all of his time is occupied. He would make a fine councilman and it is to be hoped that he decides to accept the election.

Although it was a special meeting of the board they considered a petition of John Schanlaub and others

for a tile drain running west from the Larkin Potts corner to the Fisher ditch on the street leading to the county farm. The petitioners offered to haul the tile and lay it if the city would buy it and the council decided favorable to the petitioners.

The family was just moving from a farm near Fair Oaks to the town, where they had purchased a little home, and Mrs. Kessick had worked hard and uncomplainingly all day. At about 7 o'clock the stroke came and an hour later she was dead.

She is a daughter of Joseph Gaines, well known in this county. He was spending the winter in West Virginia.

He started back here at once upon being informed of the death and the funeral arrangements have been deferred until his arrival.

#### Crumpacker for Civil Service.

Representative Crumpacker has refused to make any more recommendations for fourth-class postoffice appointments. Pending the taking effect of the new executive order placing fourth-class postmasters under civil service, the congressmen are being called upon, as usual, to name the appointees. Crumpacker received notice from the postoffice department that the postmaster at New Chicago and requesting him to suggest a successor. He returned the papers to the department with this endorsement:

"I suggest you refer this matter to the civil service commission."

In discussing the matter Mr. Crumpacker said:

"The postoffice at New Chicago pays about \$7 a year, and I imagine there will be a fierce rush to take a competitive examination for it."

IT IS A WONDER.
