DOCTORS MISTAKES

Are said often to be buried six feet under ground. But many times women call on their family physicians, suffering as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or over-busy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only symptoms caused by some uterine disease. The physician, ignorant of the cause of suffering, keeps up his treatment until large bills are made. The suffering patient gets no better. The reason of the wrong treatment, but probably worse, is that the doctor, ignorant of the cause, would have entirely removed the disease, thereby dispelling all these distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in any condition of the female system. As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic. As a soothing and strengthening nerve "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency. Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.

John Bruner returned from Bartlesville, Okla., Saturday night. He partially arranged for the purchase there of the fixtures of a large hotel and rooming house. If the deal goes through, as it probably will, he will move his family there between Christmas and New Years.

Judge and Mrs. S. P. Thompson will leave Wednesday afternoon for Los Angeles, Cal., and they will spend the winter some place in that state. They have gone there for several successive winters and the climate has proven quite beneficial to Mrs. Thompson's quite feeble condition.

Glenn Rayher, who has been working for C. O. Robinson, near Mitchell, S. Dak., arrived here Saturday night for a visit with his parents, Mr. and Mrs. William Rayher, and family. He expects to remain here until about the first of the year and then work in Chicago until about the first of February, when he will return to Mitchell, which he says is the finest place on earth.

Freeman Wood, the colored barber, will be married next Sunday at the Christian church at Monticello. The bride to be is Miss Lucy Langford, the daughter of a very prosperous farmer living near Monticello, and from one of the best colored families in the state. The ceremony is to be pronounced by the pastor just after the morning service. Mr. and Mrs. Wood will come to Rensselaer that afternoon and take up their residence in the house just north of C. Kellner's residence. Free is a good citizen and his many friends here will wish for him a very happy married life.

Sidney B. Holmes and little daughter, Irma, left this morning for Nevers, Tenn., for a visit of ten days or such a matter with his father, John Holmes, and to look around the country where he was raised. His father is now about 76 or 77 years of age and is in quite feeble health.

Rensselaer is again to have a picture show. It will be located in the Ransford store room adjoining the Rosey Hotel block. The proprietor is Mr. Wattle Robinson, who is putting in an attractive front, and has seats for the entire floor. He will rent the best films, is buying an entirely new machine, and promises a high class moving picture show. He hopes to be open for business by Thursday night.

Mrs. Korah Daniels went to Chicago Heights this morning to see her father, Rev. A. C. Abbott, who is in very feeble health. His home is at Indianapolis, and his son-in-law, Franklin Ott, of Chicago Heights, went there after learning of his sickness and yesterday took him to Chicago Heights, where his other daughter, Mrs. Ben McColly, also resides. He is 84 years of age and it is feared can not recover from his present sickness.

Spencer Greenlee, who for the past seven years has been living on the Mrs. Mary E. Splitter farm of 680 acres in Newton county, has purchased a farm of 100 acres about 5 miles from Plymouth, in Marshall county, and will move there the first of next March. He is now making preparations for his public sale, which will take place on the last day of the year. It is advertised in the Semi-Weekly Republican. The farm he vacates is to be occupied by Clarence Blankenbaker, of Mt. Ayr.

Jesse L. Brady went to Indianapolis today to be on hand for his wedding Wednesday evening. The bride is Miss Stella Braden, daughter of Mrs. James H. Braden, at whose home the wedding will take place at 8:30 o'clock. The ceremony will be performed by Dr. Benton, for many years president of Butler University, but now retired. He is 83 years of age. Mr. and Mrs. Brady will go to Chicago after the ceremony and will arrive in Rensselaer probably the last of this week. They will make their home in the groom's residence on Front street and College avenue.

Sheriff O'Connor is sending one wagon load of household goods to Kilmann today, one of the Middlecamp boys having come down for it with big hay ladders. The remainder of the household goods will be moved next week. Mr. O'Connor wishes to move during the good weather, remembering the disagreeable conditions that surrounded his coming to Rensselaer from Kilmann when he took office four years ago. He had his household goods all loaded then preparatory to starting to Rensselaer when a big snow storm and blizzard came up and delayed him from starting for two days.

In remitting for his Republican C. O. Robinson, of Mitchell, S. Dak., says: "Enclosed find \$3, which will pay me up for another year, so continue the good work by sending the paper right along. The Hoosier colony is all enjoying good health and fine weather. Last week we had a few days of cold weather, it run down to as low as 12 below, but the sun shone and there was scarcely any wind, therefore one could hardly realize it was so cold. We have about two inches of snow but as warm as it is today I think it will all be gone by night. I wish old Rensselaer another happy Christmas and New Year."

NOTICE OF LETTING CONTRACT FOR COUNTY SUPPLIES.

Notice is hereby given that the Board of Commissioners of Jasper County, Indiana, will, until 12 o'clock noon, of December 23, 1908, receive sealed bids for furnishing books, blanks, stationery and other supplies for the County, its several County Officers, and the Courts thereof, for the year 1909. All bids to be filed according to law.

The Board reserves the right to reject any and all bids. By order of the Board of Commissioners of Jasper County. JAMES N. LEATHERMAN, Dec. 11-18, Auditor Jasper County.

WEDNESDAY

Several new subscribers to the Daily Republican have been received this week.

Dr. E. Besser, of Remington, was in town a short time yesterday enroute home from a trip to Chicago.

Jas. Lefler, whose sale takes place today, will move in the spring to the land which Mrs. Mary E. Lowe bought near Marinette, Wis.

Miss Grace Kelly won the great Jasper county bread contest, made from the Gem of the Valley flour, bought at the Chicago Bargain Store.

L. L. Lefler came up from Lafayette yesterday evening to be on hand at his father's sale today. Len reports that business is good in his new location.

John Bond, of Gibson City, Ill., and Zachariah Bond, of Fontanelle, Iowa, arrived here yesterday to visit their brother, W. D. Bond, of near Pleasant Ridge.

Miss Josephine Nagel and brother, Master Vincent Nagel, returned to Plymouth this morning, after a visit of six weeks with relatives here. They are the children of Geo. Nagel, formerly of this county.

John Mauck's sale took place yesterday and good prices prevailed. Cows brought an average of \$50; one horse brought \$195, another brought \$165, and prices were very satisfactory.

Prof. and Mrs. Tillman are planning to spend the Christmas vacation with his parents at North Judson. Mrs. Tillman's sister, Miss Edna King, is now acting as assistant librarian and will have charge of the library during Mrs. Tillman's absence.

Rensselaer is to have a skating rink, Mr. Maxwell, of Remington, having secured the main floor at the Rosenbaum hotel. It is not a large floor, but if the skating bug gets well started it will draw a lot of business anyway.

The representative high school basketball team this year will probably be composed of Seagrist and Duval, forwards; Meyers, center, and Kirk, guards. They are indulging in daily practice and think they will have a look-in for the state high school championship.

William D. Baker and Lewis W. Thomas, both of near Parr, will hold a public sale on Monday, Dec. 28th, preparatory to moving away. Mr. Baker will go to Jennings county where he has a farm, and Mr. Thomas will go to Huntington, where he has purchased a business. The sale will take place on the Thompson sheep barn farm, and will be advertised in the Republican.

Elda Cavander, of Parr, suffered a stroke of paralysis last night, the entire left side being affected. He is a son of John Cavander, of Walker township, and has been working on a dredge over in Illinois, and his wife and little daughter have been living at Parr. He came home to vote the first of November and was feeling poorly at the time and he has since been staying at his home. The outcome of the stroke can not be told at this time.

Christie Vick has sold his fruit and confectionery store to Milbrin Griffin, who for some time has been working for E. D. Rhoades. Christy has conducted the business he disposes of for the past eleven years, and always maintained a first-class place of business. He contemplates removing to the west, and will probably go to Seattle, Wash., shortly after the first of the year. Mr. Griffin has taken charge of the business.

August Rosenbaum has just about closed a deal for the hotel E. V. Ransford has owned for some time at Edgewood, Iowa. He trades the fixtures at the old Nowels House as part payment for the hotel, and expects to move to Edgewood and take charge of the hotel. Mrs. Rosenbaum has also sold the restaurant stock at the Model restaurant on Van Rensselaer street to F. W. Bedford, who owns the building and fixtures. Ray Collins has purchased the stock and taken charge of the business, employing Ed Catt as assistant.

Chas. M. Sands has accepted the position of assistant cashier in the State Bank made vacant by the resignation of Joe Jeffries, who will

go to Huntington to engage in the grocery business. Mr. Sands is well known in Rensselaer and is a young man of excellent qualifications and pleasing personality and well able to discharge the duties of his new position. He came to Rensselaer first as a school teacher and later, after taking a course in the state university, engaged in the practice of law here. He would have been able in time, no doubt, to have established a good practice, but the opening in the bank has caused him to give up his practice for the present at least. He is county trustee officer, and will now resign from that position, and it is probable that the trustees at the January meeting will elect a successor to him.

Uncle John Makeever has just had completed at his farm northwest of town a good new house consisting of eight rooms and conveniently supplied with wardrobes, closets, etc. He also had a new barn erected and all the other buildings needed around a well improved farm. It is his intention to establish a summer residence there and he will go there to reside next summer. He will not molest his quarters at the Makeever hotel, but expects hereafter to live there only during the winter months. "Uncle John" did not inform his wife that he was building the house, and she learned of it for the first time yesterday when he took her there and showed it to her. It is located near the center of his large farm, and his two daughters, Mrs. Stockton and Mrs. Williams each have a section of land adjoining the former's lying to the west and the latter's to the east. He gave them this land last year. As he came to that farm 64 years ago, and has spent so many years there and made much of the opportunities that seemed so limited when he first set foot on Jasper county soil, he naturally wants to spend as much of the evening of life as he can on the old farm, and he has built this house solely for the occupation of himself and wife.

Read the two page ad and go in and see the beautifully decorated CHICAGO BARGAIN STORE.

D. A. Stoner Great Poultry Judge

D. A. Stoner, formerly of Rensselaer, and a poultry raiser of large proportions, having owned the farm now owned by J. H. Holden, arrived here Sunday for a short visit with his wife's mother, Mrs. J. T. Randle. He will also visit his mother in Morocco. He is now engaged in the real estate business at Wichita, Kans., having given up the poultry business. He is still one of the best poultry judges in the country, however, and has been devoting considerable time this fall and early winter to this work. This week he is one of the judges at the great exhibit at the coliseum in Chicago, which is held under the auspices of the American Fanciers Association.

He has already been the judge this year at Pratt, Wichita and St. John, Kans.; Rocky Ford, Colo.; Chandler, Okla., and Trenton, Mo., and he is yet to officiate at Plainville, Kans., and then at the Kansas state fair at Newton, an event he has been the judge at for the past three years. Later he will serve as judge at Holton and Logan, Kans.

He is quite prosperous and although he lives in Wichita he has a quarter section of fine land in Oklahoma.

Come, and get a Christmas turkey and enjoy a pleasant day shooting.

Married at Winamac Friday.

The marriage of Miss Cora Everett, the assistant postmistress in this city, to Mr. S. A. Simpson, who has just purchased E. M. Parcells' barber shop, took place at Winamac last Friday noon.

Mrs. Simpson will continue to hold her position at the postoffice for the time being, and she and her husband will board until spring, when they expect to begin keeping house. They have the best wishes of the many friends of the bride.

How to Cure Indigestion

Well Known Family Physician Gives Good Advice

"When a person cannot eat ordinary food without discomfort afterward, when he has heartburn, sick headache, gas on the stomach, water brash, belches up sour food, and this condition has continued for a week or more, it certainly is time to do something and do it quickly." That's what a popular physician recently said to the writer. "First thing you know you'll have dyspepsia if you don't," said he.

The quickest and best way to regain your normal condition is to step into the drug store and buy a 50c bottle of Dr. Caldwell's Syrup Pepsin. It gives natural, daily movements to the bowels, and that is usually where more than half the trouble lies. Then it aids digestion, sweetens the stomach, acts on the liver and is a general system tonic.

Postmaster Ridgill, of Bruceville, Tex., had such a severe attack of dyspepsia that his stomach, liver and bowels seemed almost paralyzed, but a few doses of Dr. Caldwell's Syrup Pepsin relieved him and today he is well as ever. Maude Hall, Alpena, Mich., says that one bottle cured her of a very severe case of indigestion. A. L. Espich, Chief of Police, New Philadelphia, Ohio, says: "I find Dr. Caldwell's Syrup Pepsin the best remedy for indigestion I ever used. I would not be without it." Rev. A. J. Fletcher, Rutherford, Tenn., is now 80, and yet it cured him of stomach trouble of 60 years' standing. Mrs. Mattie Crouch, Tiptonville, Tenn., cured her five months' old baby of indigestion with it, so you see that while it is so effective, it will cure cases of long standing of dyspepsia and constipation in old people, it is perfectly safe for babies, and it is pleasant to take, and does not pain or gripes.

All druggists sell it at 50c and \$1.00 per bottle. Pepsin Syrup Co., 307 Caldwell Bldg., Monticello, Ill., are glad to send a free sample to any one who has not used it and will give it a fair trial.

"It gives me great pleasure to be able to refer to the Dr. Miles' Anti-Pain Pills as the best remedy we have ever had in our house for the prevention and cure of headache. My wife who has been a constant sufferer for years with the above complaint, found me in recommending Dr. Miles' Anti-Pain Pills, hoping they may fall into the hands of all who are afflicted." J. L. BUSH, Watervliet, N. Y.

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails, he will return your money. 25 doses, 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.
