Kodol is the only thing known today that will do this, for Kodol is made of natural digestive juices found in a healthy stomach, and it digests all food completely. Kodol is pleasant to take, and is guaranteed to give relief in any case of stomach trouble. Sold by all druggists.

A Family Gathering.

(By Mrs. C. A. Pannocost.)

There is to be a family gathering. A jolly old-fashioned affair. Such as makes the heart beat lighter And drives away dull care. There will be that warm, glad welcome That all human hearts so prize And that makes of earth an Eden By its tender family ties.

The house will be filled to overflowing With kinfolk from far and near, With faces kind and smiling, Bespeaking love and cheer. There will be aunts and uncles many, With cousins, full a score, And darling bright-eyed babies That never came before.

And grandma with her glasses, And cap on all awry, Softly soothing and caressing The babies, lest they cry. And grandpa with his stories Of his happy boyhood days, And of how the country's changing In many of its ways.

And the uncles will be talking Of the weather, flocks and grain And wondering if the price of stock Is likely to remain, While the aunts, with some neighbor women, That they're always glad to see, Will be exchanging helpful methods And their favorite recipe.

There will be music in their voices, And in the children's merry shouts, And as for their real enjoyment Leaving none a cause for doubt. Then in time will come the dinner, Friends and kindred all in place, While over all a silence falls, As father's saying grace.

He will thank our Heavenly Father For his blessings, day by day, And will ask for grace and guidance To go with us on our way. Then again when dinner's over And the table cleared away, There will be sweet, merry music And the games the children play.

All the house will be a garden Over-run with human flowers, And to life they give sweet fragrance, Childhood days again are ours.

Hours of pleasure, so swift of wing, In noiseless flight you hurry past; It's the joys you give while passing That in memory long will last.

Rensselaer, Ind., Dec. 14, 1908.

From the Kentland Enterprise.

A current news item says that Congressman Charles Landis, who was defeated for re-election, has been selected by Senator Beveridge for collector of revenue in the Terre Haute district which, next to Peoria, is the largest in the country.

Prosecutor Graves was in town Monday evening. He retires from office the first of the new year, and has no regrets in doing so. Four years in the criminal practice is good schooling for a young attorney, but enough is enough. Fred H. Longwell of Brook will take up the work.

Frank Welshaar, a young man living between Brook and Goodland, met with a shooting accident Saturday morning. He and a friend were out rabbit hunting and as young Welshaar was climbing a fence the gun was discharged. He had his hand over the end of the barrel and the two smaller fingers were blown off. The third finger was so badly lacerated that he was taken to Chicago Monday where new skin will be grafted in hopes of saving the rest of his hand.

Goodland's new school house will be dedicated Dec. 28th, and elaborate plans are being worked out for a big house warming. In addition to the public reception and dedicatory program a supper will be served to provide funds for decorations for the new building. The people of Kentland and this community are given a cordial invitation to attend. The new building was erected jointly by Goodland and Grant township to replace the one destroyed by fire, and is one of the best buildings in the county.

MEDICINE THAT IS MEDICINE.

"I have suffered a good deal with malaria and stomach complaints, but I have now found a remedy, that keeps me well, and that remedy is Electric Bitters; a medicine that is medicine for stomach and liver troubles, and for run down conditions," says W. C. Kestler, of Halliday, Ark. Electric Bitters purify and enrich the blood, tone up the nerves, and import vigor and energy to the weak. Your money will be refunded if it fails to help you. 50c at A. F. Long's drug store.

Independence.

John Watson, of Modaryville, got some hogs of Wm. Rice Monday. Mr. and Mrs. Walter Daniels spent Sunday with George Daniels. Mr. and Mrs. Wm. Rice were guests of Wm. Rice and family Sunday. A. A. Gorbet shredded fodder last week. Miss Stella Nuss went to work for John Moore, of near Valma, Sunday evening. Misses Lizzie and Rilda Watson, of Modaryville, were the guests of Mary and Leatha Rees Saturday night and Sunday. Ed Oliver moved Wednesday to his farm near Newland.

Dyspepsia is our national ailment. Burdock Blood Bitters is the national cure for it. It strengthens stomach membranes, promotes flow of digestive juices, purifies the blood, builds you up.
