

FOURTH LECTURE TO DRAW CROWD

"Forgiveness of Sin" Will be Subject of Father Conway's Address at High School—Questions Arouse Interest.

"The Forgiveness of Sins" will be the subject this evening of Father Conway's lecture, the fourth in his series on the Catholic Church. This subject and the question of the Catholic church and divorce, according to Father Conway, are the ones which prove most interesting to the non-Catholic inquirer and invariably draw out the largest crowds. Accordingly plans are being made this evening to accommodate a much larger crowd than on previous evenings though without exception, the high school auditorium has been filled. The musical features this evening will be orchestral selections and a vocal solo, "Lead Kindly Light," by Miss Josephine Decker. The introductory remarks will be made by Prof. J. F. Hines.

Interest in Questions.
Infidelity as claimed by the Catholic church was the theme of Father Conway's lecture Wednesday evening in the high school auditorium which in spite of the rain was again filled. D. L. Gullfoyle presided and delightful musical numbers were given consisting of an instrumental trio with Miss Helen Gullfoyle at the piano, Miss Willa Shouts on the violin and Frederic Ingersoll on the cello, and a vocal number by Mrs. J. A. Rode.

Regarding Baptism.
Interest again centered on the questions which Father Conway answered previous to the lecture proper. Eighty-six were deposited in the question boxes following the lecture Tuesday evening. In the short space of time allotted to him preceding the lecture, Father Conway was able to answer only a portion of them, postponing the others until some later time. Among the most interesting asked and answered last evening were as follows:

XXIII, 4, Tob. II, 7-9) and the Christians under the new. In the second place it is today advocated by modern unbelievers, who, knowing that the Christian respect for the dead arises from the fact of the resurrection, hope by this practical method to undermine the belief in immortality. Thirdly, cremation today is opposed to the whole spirit of the burial service of the Catholic church although should ere-
