EVANSVILLE, Ind., Oct. 17.—
Everything is in readiness here today
for the reception of delegates to
what promises to be one of the most
interesting and enthusiastic conven-
tions ever held by the Indiana Fed-
eration of Women's Clubs, which
opens a three-days' meeting here
next Tuesday forenoon. Assurance
of a large attendance has been received
and elaborate preparations for the
comfort and entertainment of the
women and men visitors have been
completed. Headquarters will be at
the palatial St. Georges hotel, but the
principal sessions will be held at
Grace Memorial Presbyterian church.

Among the honor guests will be

president of the Illinois Federation
of Women's Clubs; Mrs. Richard S.
Lacey, president of the Kentucky Fed-

a "greeting" address. Many other
prominent speakers will be present
from beyond the state's borders.

Every district of Indiana will have
a full representation.
Among the social and entertain-
ment features scheduled for the an-
nual convention visitors are the
"federation dinner," a steamboat ride
on the Ohio river, the "suffrage din-
ner," luncheon for members of the
Indiana Press club members by Mrs.
Albion Fellows Bacon, and a side trip
to New Harmony, Ind., as guests of
the Women's Literary club.

Here's Indiana Slogan.
The program for the various ses-
sions are liberally interspersed with
vocal and instrumental numbers,
among the former, the "Indiana Sig-
n," written especially for the fed-
eration, which runs:

"The winds of heaven never fanned,
The circling sunlight never spanned
The borders of a better land,
Than our own Indiana."

The subjects to be discussed will
cover an extremely wide range,
including every phase of betterment
for which the federation stands.

Among the speakers from other
states who have promised to deliver
addresses before the delegates are
Prof. Rufus Bernhart von Kleinsmid,
president of the University of Arizona;

INDIANA SUFFRAGETS OPEN STREET CAMPAIGN

Discuss Political Questions in Pub-
lic
Thoroughfares of Cap-
ital City.

INDIANAPOLIS, Oct. 17.—A cam-
paign of street speaking, similar to
that employed by the socialists, was
inaugurated here today by the Woman's
Franchise league of Indiana, when
Mrs. Harriet S. Thompson, a
member of the Chicago Teacher's
franchise, addressed a large assem-
blage in W. Market st., between Illi-
nois and the soldiers' and sailors mon-
ument. This is the identical place
utilized by the socialists for their
evening harangues.

Dr. Amelia P. Keller, president of
the Franchise league, presided. Mrs.
Thompson spoke on "A New Consti-
tution for Indiana." The meeting was
held at noon and attracted a large
crowd.

A resolution soliciting voters to vote
"Yes" on the constitutional convention
proposition was adopted.

The Franchise league set apart to-
day as a day of special propaganda
in the campaign and called on the
branch leagues throughout the state
to observe the day with mass meetings
and the distribution of literature. The
local official flyer distributed today
was on "Indiana Needs a New Consti-
tution."

KEEP LIVER AND BOWELS REGULAR WITH CASCARETS

No More Headache, Bad Colds,
Sour Stomach and
Constipation.

Get a 10-cent box now.

No odds how bad your liver, stom-
ach or bowels; how much your head
aches, how miserable and uncomfort-
able you are from constipation, indig-
estion, biliousness and sluggish
bowels—you always get the desired
results with Cascarets.

Don't let your stomach, liver and
bowels make you miserable. Take
Cascarets tonight; put an end to the
headache, biliousness, dizziness, nerv-
ousness, sick, sour, gassy stomach,
backache and all other distress;
cleanse your inside organs of all the
bile, gases and constipated matter
which is producing the misery.

A 10-cent box means health, happi-
ness and a clear head for months. No
more days of gloom and distress if
you will take a Cascaret now and
then. All druggists sell Cascarets.
Don't forget the children—their little
insides need a gentle cleansing, too.

AUSTRIAN TROOPS OCCUPY HEIGHTS

Now Control the Northeast
Front of Przemyśl, Says Of-
ficial Dispatch—Movement
North is Extended.

MANCHESTER, Mass., Oct. 17.—
Austrian Ambassador Dumba has re-
ceived by wireless the following of-
ficial dispatch from Vienna:

"The Austrian troops have occupied
the fortified heights of Starezoj east
of Chyrow.

"Our attack against Stary Sambor
has gained in the extension of the
movement north of the Strivax river.

"The Austrian forces have occupied
the range of heights which lead up
to the northeast front of Przemyśl.

"Fighting has also taken place on
the banks of the San river north of
Przemyśl.

"The American Red Cross commit-
tee, arriving in Vienna Saturday, will
have at its disposal a special hospital
with 150 beds and all modern ap-
pliances. The American physicians and
nurses will be the guests of the Aus-
trian Red Cross.

"Foreign Office Baron Frickenstein
and Mrs. von Schaller are attached as
delegates of the Austrian society. A
second American detachment will
travel from here to Hungary."

Another dispatch, from wireless,
given out by Ambassador Dumba, is
as follows:

"Our forces on the march towards
Przemyśl have defeated parts of the
Russian investing army. They were
supported by the garrison on Przemyśl
which made a sortie and found that
no more Russians were left around
the fortress except on the eastern
side.

"The fighting east of Chyrow con-
tinues. A division of Cossacks was
driven toward Drohobycz by our cav-
alry. Our forces have attacked the
fortified positions of the Russians
south of Przemyśl.

"Our troops have taken Taranya on
the Carpathians after four days fight-
ing and are now pursuing the Rus-
sians towards Wyskow. In other
places in the Carpathians also there
have been several successful engage-
ments with the retreating Russian
columns.

FOREIGN ORDERS ARE
BOOSTING BUSINESS

Distribution is Reasonably Good Ex-
cept in South—Money
is Easier.

NEW YORK, Oct. 17.—Bradstreet's
weekly trade review for Saturday
says:

"Though trade and industrial op-
erations work forward very slowly,
conditions being disappointing for this
season of the year, evidence of grow-
ing ease in money market matters
combined with enlargement in foreign
trade due to the war and good reports
from the winter wheat crop contrib-
ute, bright aspects to otherwise ad-
verse conditions. While the acute
stringency in money has not passed as
yet, the progress made in the direction
of lessening the strain on trade, is
gratifying. However, business is re-
stricted and though merchants, ex-
cept in the south are hopeful enough,
buying is marked by much conserva-
tism.

"Yet on the whole current distribu-
tion is reasonably good except in the
south where trade is well nigh stag-
nant because of depression in the cot-
ton situation. On the other hand or-
ders growing out of the European war
stimulate a multiplicity of manufac-
turing lines and cause overtime op-
erations.

"In industrial lines some zest is fur-
nished by foreign orders, but demand
on domestic account is essentially light
and in such a basic industry as iron
and steel the tendency is to curtail
outputs to depend on ease in credits
to bring about an improved swing.

"Coal and lumber are slow of sale.
It is certain, however, that a rela-
tively large volume of foreign orders
have been taken by some machinery
interests.

"Collections save in spots are slow,
the northwest being most unfavorably
circumstanced in this respect."

OPEN NEW POSTOFFICE

Father Maher Has Been in Charge
Twenty-five Years.

The new postoffice at Notre Dame
was opened to the public yes-
terday. It is one of the most
artistic buildings on the campus,
being 50 by 50 feet in size and cost ap-
proximately \$5,000, the construction
work beginning last August. The old
building which stood on the site of the
new one was built in 1862, ten years
after the founding of the post office
at Notre Dame by Henry Clay.
Father Maher the present postmaster
celebrated his 25th anniversary of
active work last month.

The new office is modern in every
detail, and all modern appliances have
been installed. The inside decorations
are all of mahogany effect. The Notre
Dame office is classed in the second
group because of the Ave Maria which
is published every Saturday and is
sent through the postoffice.
