

## FINED \$10 FOR LACK OF MUFFLER

Varied Cases Tried at Saturday Morning Police Court.

Motorists violating the muffler ordinance do not get off as easily as speeders in city court. Saturday Ernest Finn, William Grey and Dewey Conger were fined \$10 and costs, the minimum fine allowed by the state statute under which the cases must be tried.

Peter Melinski told Judge Gilmer that he got whisky with his taxi, that the driver offered him a bottle and he drank half of it. Peter was fined \$1 and costs.

A case of provocation filed against Theodore Yenna, employed at the Bagby studio, was dismissed by Judge Gilmer Saturday morning when the court decided that the complaining witness, Eugene Carter, also employed at the Bagby studio, was more at fault than the man charged. A finding of not guilty was entered on the court record.

M. M. Gilman, charged with passing a street car discharging passenger, in an auto, was arraigned in city court Saturday morning and the case set for trial Aug. 20.

M. P. Calef was fined \$5 and costs on a charge of speeding and the fine suspended.

## BIG TRACK MEET TO END PLAYGROUND SEASON

Summer playground activities will end Aug. 20 with a meet of all of the playgrounds of the city to be held at one of the city parks. A track meet will be the feature of the day and prizes will be awarded the winners. Each championship team will receive a pennant while the city champions will receive a shield. It is expected that some good work will be done as all of the teams are running neck and neck for the city championship and this meet will decide it.

## ARREST LINEMAN ON GRAND LARCENY CHARGE

By United Press.  
MUNCIE, Ind., Aug. 16.—George Roche, a Western Union lineman, was arrested here Friday on instructions from Jacob L. Mooney, Chicago chief of detectives, who charges him with grand larceny. Mooney declared that Roche robbed a Chicago jewelry firm of three diamonds valued at \$650 and \$320 in currency.

Roche says he is innocent, and is supported in his plea by the local superintendent.

## Lift Off Corns!

Doesn't hurt! Lift touchy corns and calluses right off with fingers

Apply a few drops of "Freezone" upon that old, bothersome corn. Instantly that corn stops hurting. Then shortly you lift it right off, root and all, without pain or soreness.

Hard corns, soft corns, corns between the toes, and the hard skin calluses on bottom of feet lift right off—no humbug!

Tiny bottles of "Freezone" cost but a few cents at drug stores

If you are a rent payer, do you realize that rent is a debt that is never paid?

You can pay rent all your life and when old age comes, if you cannot pay your landlord will turn you into the street, although you have paid him the price of your house every ten years.

A rented house is not a home. The ancient Talmud said: "He that owns no land is no man."

Henry Clay said, "When a man becomes the owner of his own home, a new patriot is born to the nation."

Perhaps you have never felt able to own a home.

With these easy terms there is no longer any excuse for your not being a land owner.

This property is being offered by C. N. Lodge & Company, America's Leading Home Makers.

They represent over 15,000 lots in 50 American cities, and not a property sold by them anywhere has any mortgage against it.

They consider beautiful Portage Gardens one of the biggest opportunities which they have ever offered the public.

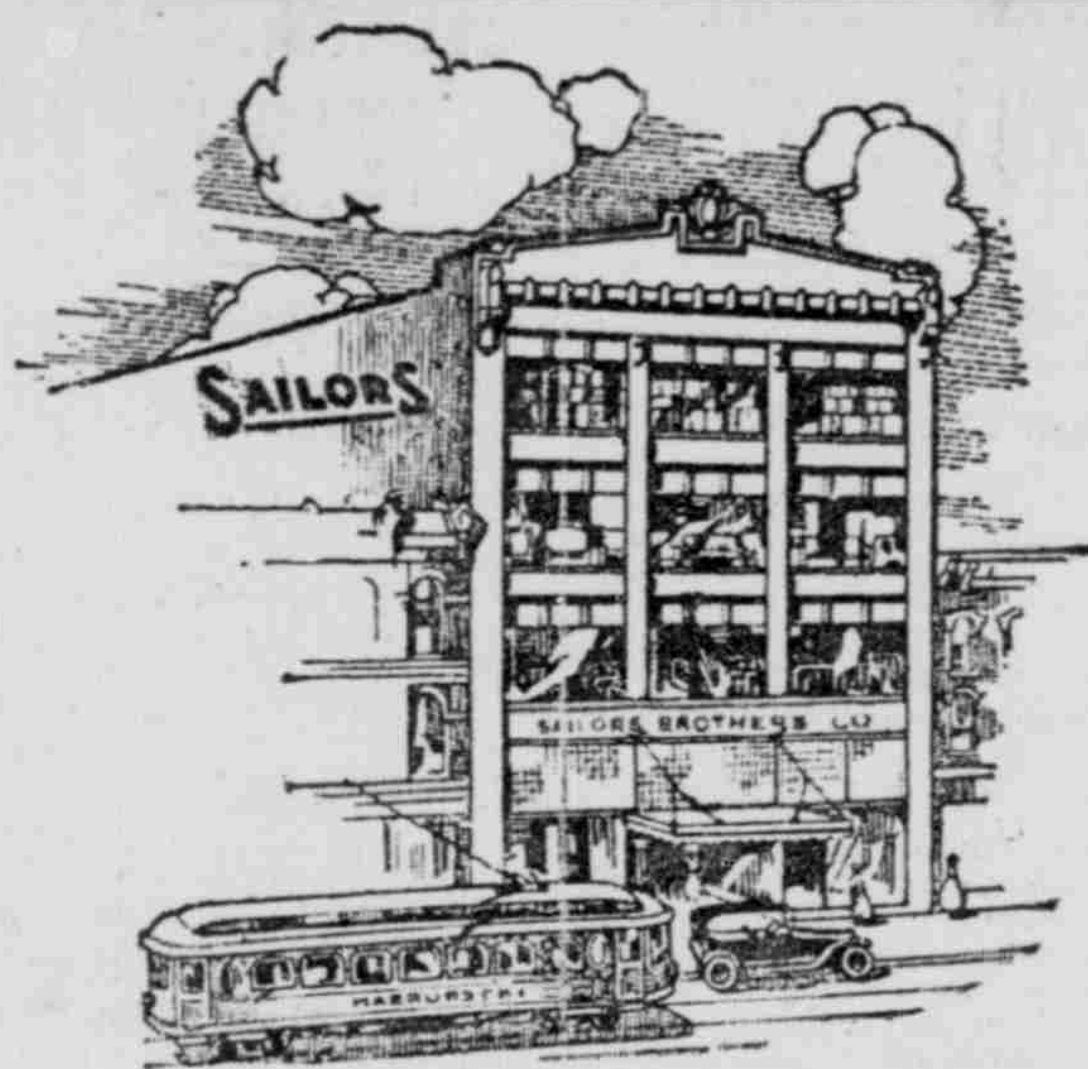

Their office is with W. K. McHenry, No. 220 Farmers Trust Bldg., and is open from 8:00 A. M. to 8:00 P. M.

Their phone is Lincoln 5733, and they will be pleased to give any further information in regard to this attractive proposition.

Remember you and your family are just as welcome to visit the property as our guests Sunday whether you desire to buy or not.

If you desire a lot, however, kindly bring your dollar with you and avoid disappointment, as no land can be reserved without a deposit.
