

## SEEK MAN UNDER CRUELTY CHARGE

Police Hold Warrant For Alleged Wife Beater; Speeders Draw Fines.

Police are searching for Jesse Ellinger, 507 William st., for whom there is a warrant charging assault and battery, filed by his wife, Mary Ellinger.

Mrs. Ellinger declares that her husband has for some time come home nights "all liquored up" and beat her; that Friday night he was especially cruel and she couldn't stand it any longer. There is a divorce bill filed in the circuit court wherein Mrs. Ellinger is accused of stabbing her husband. This she explains was the result of her coming home and finding him in her room with two other women.

A bench warrant was issued by Judge Gilmer Saturday.

**Dismiss Budy Case.**

The case against Daniel Budy, 19 years old, of W. Washington av., was dismissed in city court Monday morning when the state announced that it would be impossible to get the prosecuting witness to this city to testify in the case against young Budy who is charged with robbery.

Upholding Judge Gilmer in his campaign against speeders, Special Judge Kovacs fined several speeders in city court Monday morning.

F. E. Smith, charged with exceeding the speed limit, forfeited his bond of \$15 by non appearance. Arnold Zimmerman, 1111 S. Seventh st., River Park, was fined \$5 add costs on the same charge and his fine suspended by the court. Will Rose was given a fine of \$1 and costs on the speeding charge.

**Drunk is Fined.**

One lonely drunk still nervous from the effects of a Saturday night whirl with John Barleycorn followed by a Sunday in jail without first aid from the "bull pen," was brought before Special Judge Kovacs Monday morning. He admitted he had been drunk and was fined \$1 and costs. He gave his name as Edward Hummel, 1612 W. Washington.

The case of John Mirocha, charged with vagrancy by Anton Mirocha, was set for trial Tuesday. John is the son and it is alleged, won't work and father don't like it and Tuesday's court may change his mind.

## Nurse? Cassidy Qualifies When Baby is Noisy

Comes now one William Cassidy has arms. No other woman in Bend, in a new role—nurse.

It happened in city court Monday morning. Mrs. Robert Giesse, 1102 E. Bassett st., was called to the stand as a witness. She had an infant in her arms. No other woman in the court was kind enough to look after the child for her for the few moments she was required to testify. "Bill" took the babe in his arms when it was squalling.

Here's the mystery. Mr. Cassidy retired to the office of Larry Lane, which has now been nominated for nursery, and closed the door. Soon the bawling ceased. When he came out at the finish of Mrs. Giesse's testimony the infant was gurgling and cooing and patting the ivory like top of Mr. Cassidy's hairless pate.

Mr. Cassidy seemed as much pleased with his success in the role of pacifier as the baby seemed tickled to see its reflection on the detective's head.

## TO ASK COUNCIL FOR MANY APPROPRIATIONS AT MEETING TONIGHT

Among matters to come before the city council at the regular meeting to be held tonight will be the appropriation to be made from the general fund to the fund for the payment of wages and salaries of the street department.

The foreman of the street department workers is to receive \$1,200 a year. The wages of teamsters and teams is also to be raised, the payment for teams being stipulated as \$5 cents an hour.

An appropriation of \$500 to defray the expense of the fourth annual convention of the Indiana association of park departments will also be voted upon.

**INDECENT; GETS \$25 FINE.**  
Embarrassment caused to six young South Bend women through the alleged indecency must be paid for by John Yack, 1102 E. Bassett st., who was tried on a charge of indecency in city court Monday morning before Special Judge J. J. Kovacs, who assessed a fine of \$25.

## REJECT LONE BID FOR ROAD PAVING

Commissioners Get Jolt When Offer is \$28,000 Above Estimated Cost.

St. Joseph county commissioners were given a very big surprise at their meeting Monday morning when only one bid which was \$28,000 over the estimated cost was presented for the improvement of the Edwardsburg road from the Stover school to the Michigan state line west of Granger.

The jolt received Monday is just a relapse over the one suffered last Monday when no bids were received for the paving of the Donovan road, leading to the Notre Dame university from Notre Dame av. The amount appropriated was not large enough to make contractors pay any attention to the request that bids be submitted for the paving.

The lone bid on the Edwardsburg road was rejected and new advertisements were ordered. The commissioners will meet next Wednesday morning at 10 o'clock for further consideration of the paving of the Edwardsburg road. The commissioners are "up in the air" about the cost of paving these days and are experiencing many delays by insufficient appropriations.

Bids will be received for the improvement of the Newcommen road in Liberty township Sept. 9. The time of receiving bids was ordered advertised.

## TO HOLD COMBINED SALE OF POLAND-CHINA HOGS

Plans were made at the meeting of the Poland-China Hog Breeders' association Saturday for a sale of Poland-China hogs on Sept. 26 at South Bend. The meeting brought together a majority of the breeders who have breeding stock to consign to the September sale. Pres't Horace Langley and Leo Van Hoes, secretary, are working out the plans for this initial combined sale.

The offerings of the St. Joseph county association are to be substantially strengthened by consignments of hogs from the herds of Charles Reish and T. H. Jackson, who heretofore have had their own sales. They will however, pool their interests this fall with the other breeders which cannot but help contribute very materially to the success of the affair. Their experience in holding sales and in fitting hogs for the ring will be a valuable asset to the other breeders.

## ASK NEW BRIDGE NEAR STUDEBAKER ADDITION

A new bridge probably will be built very soon in South Bend if the county commissioners take action on a request by a committee of the Studebaker corporation headed by George Witwer, after members of the city board of works appeared and said they thought it favorable to erect a bridge over Bowman creek, adjacent to the newly planned Studebaker additions.

The new bridge, if constructed, will be of reinforced concrete and will cost approximately \$8,000. Members of the city board of works who were present said they are going to construct water mains to the new additions and will provide other commodities for the fire and general protection of the additions.

No official action was taken by the commissioners at their meeting Monday; however, it is thought the new project will be decided upon at an early meeting.

## TWO ADMIT CHARGES, BUT COMPANIONS IN RAID SAY NOT GUILTY

Although John Harkins and B. Cady, arrested Saturday night when the house at 435 E. LaSalle av. was raided, pleaded guilty to frequenting a house of ill fame when they were arraigned in city court Monday morning, and although each of them paid fines of \$5 and costs following their pleas, Mattie Brown, charged with keeping the house, and Hazel Blaine and May Fuller, charged with being inmates, propose to fight, and entered pleas of not guilty. Trial was set for Aug. 21.

R. L. Jones, a material witness in the case, forfeited a cash bond of \$25 when he failed to appear Monday morning.

## Use Shotgun if Tramp Bothers, Advises Schock

"If this man bothers you again it's time to use the shot gun," said Deputy Pros. Schock in city court Monday morning as Mrs. Orin Sisk, Ardmore Heights, asked what she should do in case E. Bechtel, convicted of being a tramp and bothering her, should return.

Saturday afternoon Bechtel appeared at the Sisk home and was given food. He returned later finding that the husband was absent and was talking to 12-year-old Mary Sisk when Mrs. Sisk found a shot gun and holding it ready for use ordered him away.

"I'm much obliged to you, madam," said Bechtel in a sneering voice as he was led away to start serving 30 days in jail. His remark caused Mrs. Sisk to ask what she should do in case he returned when liberated.

"I'll certainly use that shot gun if he bothers me or my children again," she said in answer to Mr. Schock.

## MODERN GYPSIES TRAVEL IN CHUGGING FLIVVER

By United Press: SEYMOUR, Aug. 18.—Old Dobbin again has gone down before the gasoline engine. In this day of speed even gypsies are forsaking their old horse-drawn wagons for the somewhat speedier flivver.

A Ford truck came chugging down the pike loaded with olive skinned nomads and cooking utensils. It was met at the outskirts of the city officials and steered in a different direction with the admonition to stay away.

The gypsies said they had lost their band, which is traveling the country in auto trucks.
