DOLLAR DAY IS  
A BIG SUCCESS

Plans of Local Retail Mer-  
chants' Bureau Shows Re-  
sult of Co-operation.

The streets were crowded, busi-  
ness in the downtown stores was  
exceptional and surplus stock of the  
merchants was sold at unusual  
prices. As a result the people, and  
the merchants were satisfied, and  
Dollar day was a big success  
throughout. The plans of the local  
Retail Merchants' bureau ran  
smoothly as a result of advance co-  
operation in the event.

Bargain counters and tables were  
besieged by anxious buyers early in  
the morning and by noon the stock  
on them was cleared out. Drygoods  
stores of the city experienced an ex-  
ceptionally heavy day as they of-  
fered tremendous bargains in that  
line of business. Women's ready-to-  
wear apparel stores were also high  
on the list of stores with exceptional  
big days as were the clothing houses  
for men, haberdashery departments  
in this line of business were espe-  
cially busy on account of bargains

offered in small articles and in ac-  
cessory needs for men.

## Car Service Good.

The out of town car service was  
better than on the usual day as pro-  
mised by the officials of the com-  
panies former to the event. City  
cars ran on regular schedules on all  
lines within the city limits, enabling  
the people of the suburbs to come  
into town and receive the benefits of  
the sales offered by local merchants.  
Every store in the downtown  
business district that cooperated with  
the local bureau received the bene-  
fits of this unusual day in business  
and all were completely satisfied  
when it came to closing time and the  
sales were still above the average.  
With the help of advance advertis-  
ing, window cards, and other forms

of publicity, in addition to the co-  
operation of the merchants of the  
city, the event has been made a com-  
plete success and a big boosting day  
for South Bend.

## NEW STATION OPENS

The new Sun Ray filling  
one of the most complete in the city,  
has opened at the corner of Lafay-  
ette and Jefferson blvds. The station  
is equipped with modern electric  
pumps, each of them bearing a large  
light at the top. The station will  
specialize in Sun Ray gasoline, but  
will handle the common grades of  
gasoline, as well as Vacuum Mobile  
oil, and Keystone Pennsylvania au-  
to oils and greases.

		680,000	July 15, 1930		

\$1,000 and \$500 Bonds in all maturities; \$100 Bonds in 1930 maturity only

Issue dated July 15, 1919. Interest Coupons Due Jan. 15 and July 15. 4% Federal Income  
Tax paid by the borrowing corporation. Callable at 102 and interest. Principal  
and interest payable at the offices of S. W. Straus & Co.

**SECURITY:** These bonds are a direct closed first  
mortgage on the Somerset Apartment Hotel, Chicago,  
which will be an eight-story fireproof building of re-  
inforced concrete construction. The building will contain  
205 apartments comprising 441 rooms arranged in one,  
two, three and four room suites. The first floor will con-  
tain a spacious lobby and dining room, with other rooms  
for the entertainment and convenience of guests. On  
the roof there will be a solarium and outdoor promenade.  
The apartments will be completely furnished.

**LAND:** The land fronts 201 feet on Sheridan Road  
and has a depth of 143 feet on Argyle Street. The lot  
will be practically covered by the building.

**LOCATION:** The location assures a constant rental  
demand, Sheridan Road being the principal boulevard  
of the North Side of Chicago. The situation at Argyle  
Street is especially advantageous as it affords the fastest  
elevated train service, through-route street car service,  
and enables the tenants to enjoy the business facilities  
and theaters of the Wilson Avenue district, and the  
beaches of Lake Michigan which are within one block.

**VALUATION AND EARNINGS:** The property,  
land, building and equipment is conservatively valued at  
\$2,000,000. The net annual earnings are estimated at  
\$199,880—more than two and one-half times the great-  
est annual bond interest.

**MONTHLY DEPOSITS:** To make certain that the  
borrowing corporation will apply the rentals of this  
building as received each month to the payment of prin-  
cipal and interest, monthly deposits with S. W. Straus &  
Co. are required. Each monthly deposit is one-twelfth  
of the principal and interest coming due each year. From  
the sums thus accumulated principal and interest when  
due will be paid to the bondholders through S. W. Straus  
& Co.

**RECOMMENDATIONS:** This issue has been sur-  
rounded by the customary safeguards of the Straus Plan  
to which is due the record of S. W. Straus & Co. of  
thirty-seven years without a dollar's loss to any investor.  
We have purchased these bonds with our own funds and  
recommend them as thoroughly safeguarded investments.
