

MUCK LEAVES FOR FOREIGN SHORES

Former Leader of Boston Symphony, Enemy Alien, is Deported.

NEW YORK, Aug. 22.—Count James Minotto, son-in-law of Louis F. Swift, the Chicago packer, and Dr. Karl Muck, former leader of the Boston symphony orchestra, both of whom were interned during the war as enemy aliens, sailed from here Thursday for Copenhagen on the Scandinavian-American steamer Frederick VIII. Asserting he was an American and not a German, but that he sailed for Denmark, "a man without a flag or country" Dr. Muck arrived at the pier with his wife only a short time before the hour of departure. He was accompanied by an operative of the department of justice, whose duty it was to see that the musician boarded the liner. The secret service agent warned Capt. Thompson, commanding the vessel to make sure Dr. Muck did not leave it within the three mile limit. Then he took his station on the pier at the gangplank until the ship was warped out into the river.

Denies Identity. On stepping aboard the Frederick VIII, Dr. Muck denied his identity until a fellow passenger with whom he was acquainted threw his arms around his neck and kissed him. Dr. Muck—whose lean figure swayed gracefully as he directed his orchestra, had charmed so many audiences in pre-war days—was in a bitter mood as Thursday he took his departure from the land in which he had been applauded. He denounced bitterly newspapers, which, he said had attacked his Americanism on a story circulated by "jealous rivals" and praised "some big people in the musical world who stuck by me." These, he said, were the only persons he cared about.

Brothers Living In Same Town Meet After 49 Years

TULSA, Okla., Aug. 22.—The other day D. F. Park agreed to answer the telephone calls for his sons, who are in the baggage business, as they had to be out on engagements. The sons have a booth near the Frisco depot here. Mr. Park was busy, but not too busy, despite his 74 years to notice a spry old gentleman who walked up and down the station platform, watching him. After this had continued for some time he approached the stranger and said: "Do you mind telling me where you came from?" "Not in the least—I am from Missouri," said the stranger, with a smile. "What part?" asked Mr. Park. "I, too, am a Missourian." "I came from Crawford county," said the other old man. "So did I," shouted Mr. Park. After a little more conversation he developed they were brothers who had not seen each other since they parted 49 years ago. No word had passed between D. F. Park and his brother, Samuel, now 80, since they left Crawford county. It later developed that Samuel has been living in Tulsa for three years and D. F. for 11 years. They are the only surviving brothers of a family of five.

Did You Know That Bay Rum is a Beverage

INDIANAPOLIS, Aug. 22.—If the opinion of acting Judge J. D. Robbins, of city court holds, the sale of bay rum, whether it be used for toilet water or as a beverage, will be in violation of the state prohibition law. Judge Robbins expressed this opinion in the case of a local druggist, who had been arrested charged with violation of the prohibition law, after a colored man had purchased 50 cents worth of bay rum at his store. The defendant admitted the sale of the liquid, but said he sold it as toilet water, and not as a beverage. "Under the existing law if I sold whiskey I would violate the law regardless of the purpose for which it was intended. If this man sold rum he is guilty under the statutes," said Judge Robbins.

LOCAL FIGHTERS TO HOLD MEETING

Ex-Service Men Meet Tonight at Chamber of Commerce—All Invited.

Another step toward the organization of a local branch of the national organization of ex-service men in South Bend was taken Thursday night, when more than 100 former soldiers, sailors and marines attended a meeting held in the superior room of the court house. The purpose of last night's meeting was to determine what interest local soldiers would have in the forming of a local post.

Meeting Tonight. As a result of the interest shown

another meeting was called for tonight. This meeting will be held at the Chamber of Commerce and definite action to organize this county will be taken.

At tonight's meeting the advantages of organizing a local branch will be explained in detail by C. F. Seastrum, an ex-service man.

FISH PEDDLER WOULD OBSERVE DOLLAR DAY

Abe Juraway, 115 Euclid av., had his own way of observing Dollar Day. Abe is a fish peddler, but he didn't offer any more fish for a dollar Thursday than he does any other day. He did, however, offer a dollar to Officer DeLee if he wouldn't arrest him, after DeLee had picked him up for selling without a peddler's license. DeLee refused the bargain and brought in Abe, as well as the dollar. The currency will be introduced as evidence when Abe is arraigned in city court this morning.

Healthy Mothers Healthy Babies

Every true mother realizes the fact that her baby's health depends upon her own, that the very vitality of her child is influenced by her own physical condition. How important it is, therefore, to guard against any derangement of the female organs, which induce general weakness, nervousness, constant fatigue and utter inability to properly care for her child. Please remember, that Lydia E. Pinkham's Vegetable Compound has brought health and strength to thousands of such mothers.

Mitchell, Ind.—"Lydia E. Pinkham's Vegetable Compound helped me so much during the time I was looking forward to the coming of my little one that I am recommending it to other expectant mothers. Before taking it, some days I suffered with neuralgia so badly that I thought I could not live, but after taking three bottles of Lydia E. Pinkham's Vegetable Compound I was entirely relieved of neuralgia. I had gained in strength and was able to go around and do all my housework. My baby when 7 months old weighed 19 pounds and I feel better than I have for a long time. I never had any medicine do me so much good."—Mrs. PEARL MONTMAN, Mitchell, Ind.

Good health during and after maternity is a most important factor to both mother and child, and many letters have been received by the Lydia E. Pinkham Medicine Co., Lynn, Mass., telling of health restored during this trying period by the use of Lydia E. Pinkham's Vegetable Compound.
