

REVIVAL OF GOD NEEDED SAYS JONES

Says Spiritual Good Comes
Before Business or Political
Creeds.

RAPS WHISKY TRUST
Says Too Many Men Try to
Serve God While Hoarding
Ill Gotten Gains.

JONES' PROGRAM.

TUESDAY
9:30 a. m. to 10:00 a. m.—Prayer meetings in homes according to locations.
10:00 a. m.—Party conference.
12:30 p. m.—Shop meetings. At Sibley Mrs. Co., by Mr. and Mrs. Bauman. At Campbell Paper Box Co., by Mr. and Mrs. Loren Jones.
2:30 p. m.—Tabernacle—Subject, "Prayer."
4:00 p. m.—Mrs. L. Jones meets prayer cafileds for conference.
7:30 p. m.—Tabernacle—Singing and sermon.

WEDNESDAY
12:30 p. m.—Shop meeting at South Bend Watch factory.
4:00 p. m.—Mrs. L. Jones will meet women, invited by pastors, to assist in campaign work.
7:30 p. m.—Tabernacle—Sermon subject, "The Sins of This Age."

"The great need of the land, of this city and of our own hearts is a revival—a revival not of business or of politics first, but a revival for the work of God, which is the work of primary importance. Let us have this and the others will come from it," Bob Jones told the audience present at the services Monday night which launched the first week of the evangelist's drive against evil in South Bend.

When to test the lasting results of revivals he said that every minister who had been converted in revivals to raise his hand, 11 of the 18 present on the platform responded.

Cold Weather.
The temperature which hovered below the freezing point all day on Monday reduced the crowd in size to less than one-half of that which greeted the revivalist Sunday. The tabernacle, however, despite the inclement weather, outside was not uncomfortable. The comfort of the crowd will be insured today against further cold weather when the walls of the building will be set on fire. Rev. C. A. Slickfoose of the Conference Memorial Brethren Church, delivered the opening prayer Monday night. The united choirs rendered the hymns in almost perfect style, the audience joining in the numbers. A solo by Dr. Loren Jones was an additional feature of the musical program.

Revival Needed.
Bob Jones approached the subject, "Revivals," in the plain and direct manner which characterized his opening sermon Sunday. He stressed the great and crying need of the universe for a revival in the lines of business, in politics and in the home. He said the need for a spiritual revival, "God's work," he said, "is the subject of primary importance."

He carried a logical argument straight to the point when he declared that you can judge the character of a campaign by the character of the people who oppose it. "The whisky trust has always been against this sort of thing," he said.

TERRE HAUTE MEN JOIN STRIKERS

Five Hundred Vote to Quit
Work at Once Following
Mass Meeting.

By Associated Press.
TERRE HAUTE, Ind., April 12.—Five hundred representatives of local yardmen and switchmen's union at a mass meeting, Monday night, declared unanimously to quit work at once. The men declared they were not striking but were quitting and would do no further work until more lucrative wages were offered by the railroad authorities. Formerly belonging to several locals, the men voted to form one new local to embrace them all, calling it the Terre Haute Yardmen's association. Officers were elected and a discussion was followed by a declaration that none should return to work. Some of the men said they already had notified the railroad authorities they would quit and others said they would not report for duty in the morning. The 160 affected are the Pennsylvania, Big Four, Chicago and Eastern Illinois, Evansville and Indianapolis and the Southern Indiana. Some of the men said that employees of the latter road were not sure they would quit but F. H. Canler, president of the new organization, said after the meeting that they would be 100 percent true to the quitting order. It is probable that if the order is obeyed in full there will be nearly 1,000 men out tomorrow. The action will practically paralyze all but passenger and mail traffic on roads entering Terre Haute.

Yard foremen are demanding \$1 per hour.

Traffic Officer Doesn't Know of Down Town Bank

Usually in cities of South Bend's size, strangers in the city are able to obtain information of locations from patrolmen and traffic officers. Monday a stranger was looking for the Citizens National bank. The stranger got as far as Michigan st. and Jefferson Blvd. He thought that he would ask the traffic officer on the corner where the Citizens National bank is located. The stranger approached the officer and made his inquiry.

The traffic officer said he did not know where the Citizens national bank is located. The stranger walked over to the sidewalk and asked a civilian if he could direct him to the banking institution.

"Why, there it is," the civilian said pointing across the street. The bank was barely a half block from where the traffic officer was standing.

GARBAGE CONTRACT TO BE CONSIDERED AT NEXT MEETING

**Farmers Oppose Letting of
Contract to Out of Town
Concern.**

When the proposed ordinance embodying the two contracts tentatively entered into with two out of town firms for the disposal of the city garbage was called up for first reading before the common council Monday night, it was referred to the council acting as a committee as a whole and will be taken up for formal consideration next Monday night.

As expected, organized opposition to the measure developed but no official action was taken, it being explained that nothing definite would be done until the council was given the opportunity of examining the contracts presented by Joseph Hall of Losansport, representing the Indiana Disposal Co., and Conley Bros. of Kalamazoo, Mich., who have secured tentative agreements with the board of public works, acting in conjunction with a special committee of five members of the council.

Attempt to Block.
Although Councilman Goebel and Yenets made strong efforts to block the proposed ordinance, the farmers to be heard, the delegation headed by Joseph Kollar presented ample evidence of their good faith and willingness to collect the garbage during the coming summer, adding that they were given to understand that they were to have the privilege of collecting the garbage and making provisions for the work, going to the extra expense of purchasing new equipment, including teams and wagons. Spokesman Kollar said that if the ordinance presented was ratified, the farmers in this vicinity would find themselves in bad shape financially and their plans would be completely disrupted.

The remonstrators were substantiated by Pat Gaudaur, custodian of the city cemetery, who reiterated the statements of the farmers' representatives, and assured the members of the council that an efficient organization had been built up to handle the garbage at the least possible expense and trouble to the city.

Heavy Expense.
Although the board of works and the council special committee agreed to keep the exact figures secret until the ordinance was ratified by the council, Mayor Carson disclosed the terms of the contract and it has been found that the city will eventually pay heavy sums for removal and disposal of the garbage. The balance of the refuse if the present project is carried out. According to the agreement, the city pays the Loganport concern 45 cents per ton for the removal of the garbage while Conley Bros. in turn pays the city 50 cents a ton for the refuse. It has been pointed out that a project of this kind would throw the balance of the other way and the city treasury will suffer as the collection will cost the municipality a greater sum than is returned in the sale.

City Attorney Slick declared that minor changes must be made in the contract with Hall before it can be presented for consideration. The contract will be ready by next Monday night, he said.

Adopt Ordinance.
An ordinance appropriating \$500 from the general fund to the miscellaneous fund for the purpose of defraying expenses of delegates to municipal conventions, etc., was adopted without a dissenting vote. Similar action was taken on an ordinance prohibiting the parking of automobiles in front of hotels and theaters.

Conforming with action taken at a recent session of the water board, a sum of \$20,000 was asked for the temporary use of the water department pending the final sale of the \$400,000 bonds, which has been held temporarily. The ordinance which was referred to the committee as a whole provides that the money be loaned from the track separate fund.

Two ordinances were introduced appropriating \$6,640 and \$2,976 from the general fund to the miscellaneous fund for the purpose of the improvement of High st. and E. Jefferson Blvd. The ordinances were deferred until next Monday night.

CITIZENS OF COUNTY VOTE FOR HOSPITAL

Declare in Favor of Hospital
Plan by Vote of Three
to One.

A county hospital for St. Joseph county is a three-to-one choice of the citizens who participated in the referendum balloting conducted under the auspices of the hospital committee of the Chamber of Commerce. Practical completion of the count was made Monday afternoon.

Vote totals give the county hospital plan a count of 3075 while 943 people favored an extension of the present institutions. These figures do not include the votes cast in Wyatt, Woodland, Lakeville and Crumstown. It is believed, however, that these votes will not exceed 200, according to estimates of the committee. Results of the count in these places will be announced later by the county clerk.

Four Thousand Vote
It had been hoped that at least 10,000 citizens would express their preference on the hospital question. The total of 4015 is believed to be representative of the citizens of South Bend and the county, however, and the preference expressed to be the general sentiment.

Reasons for the belief were assigned by Dr. J. C. Boone, chairman of the committee, to the fact that votes were cast by every class of people in South Bend and the county. Votes in proportion to numbers show that an equal percentage of professional, business men and laboring men are represented in the voting.

Meeting Tuesday
A meeting of the hospital committee of the chamber of commerce has been called for Tuesday afternoon at which time a resolution will be drafted and presented to the chamber. The previous age limit of 18 to 25 years and because of the reduced limits Sen. Lenroot, republican, Wisconsin, without a dissenting vote, recommended that the age limit be lowered to 16 years.

Report Bill.
In the house the military committee reported on the bill, adding the sum of \$2,777,823 to the regular army appropriation bill carrying \$337,246,944, a decrease of \$60,552,076 from the war department's estimates. The bill is necessary in the face of a deficit of several billion dollars, Chairman Kahn said in the majority report on the bill.

Pay to Investigate.
Dan Pyle, attorney, as a member of the committee will make investigation to find what legal methods can be used to facilitate getting the necessary legislation. A workable plan is to be evolved Tuesday afternoon by the committee. Dr. Boone's statement in part follows:

"Through extensive publicity, public meetings and the co-operation of the county and city newspapers, the committee feels that it has thoroughly acquainted the people of South Bend with the need of greater hospital facilities."

**Police Give Baker
Woman Third Degree;
Kline Knows Nothing**

Police officials Monday afternoon took Belle Baker, held in connection with the death of Miss Carlin at 22915 S. Michigan st. early Friday morning, to Chief of Police Kline's office for an examination of her connection with the death of Carlin.

The woman was questioned regarding what she knows concerning the death of Miss Carlin. Police officials declined to give out any information regarding the examination. It was given out by the police following the death of Miss Carlin that she had been stabbed several times with a stiletto. Belle Baker was placed under arrest, but was said by the police to be too intoxicated Friday and Friday night to give a coherent account of what occurred when Miss Carlin met her death.

**GOVERNOR WILL NOT
CALL EXTRA SESSION**

By Associated Press.
ALBANY, N. Y., April 12.—Gov. Smith has notified S. John Block, of counsel for the expelled socialist members of the assembly, that he has a power to call a special session in the five assembly districts formerly represented by socialist members. The letter, dated Saturday, was made public Monday.

Laporte Man 72 Years Old Cuts New Molar Tooth

LAPORTE, Ind., April 12.—They say that strange things happen every day, but it is not often said that folks grow young after reaching age. But in Laporte it is different. W. O. Jeffery, 72 years old, a farmer living near Laporte, and who works hard in the fields every day, sprouted a brand new tooth, and it is a molar, according to Dr. I. P. Norton, prominent dentist of this city. Jeffery came to this city with his wife and family, and he sprouted a brand new tooth, and it is a molar, according to Dr. I. P. Norton, prominent dentist of this city. Jeffery came to this city with his wife and family, and he sprouted a brand new tooth, and it is a molar, according to Dr. I. P. Norton, prominent dentist of this city.

SENATE RETAINS VOLUNTARY PLAN OF TRAINING MEN

Refuse to Substitute Obligatory
Training Scheme in
New Army Bill.

By Associated Press.
WASHINGTON, April 12.—The senate refused Monday to strike out of the army reorganization bill the provision for voluntary training recently substituted for the military training. The motion of Sen. McCullough, democrat, Tennessee, to strike out, was defeated, 37 to 9.

The action of the senate was expected to result in carrying the voluntary training plan, which was substituted for the military training. The motion of Sen. McCullough, democrat, Tennessee, to strike out, was defeated, 37 to 9.

Age Limits.
Only youths between 18 and 21 years of age would be accepted for the voluntary training under an amendment suggested Monday by Chairman Wadsworth and written into the bill. The previous age limit was from 18 to 25 years and because of the reduced limits Sen. Lenroot, republican, Wisconsin, without a dissenting vote, recommended that the age limit be lowered to 16 years.

Report Bill.
In the house the military committee reported on the bill, adding the sum of \$2,777,823 to the regular army appropriation bill carrying \$337,246,944, a decrease of \$60,552,076 from the war department's estimates. HOUSE WILL STAGE FIGHT ON EXPENSES

Will Introduce Today Proposals
Dealing With Alleged
War Profiteers.

WASHINGTON, April 12.—After republican leaders had denounced and democrats had upheld the government system of building army camps in the rush days of war, the house made ready, Monday, for a fight Tuesday on two proposals for dealing with persons alleged to have reaped rich profits out of alleged extravagance and waste.

Present Resolution.
Along with the investigating committee's report attacking the methods of construction, the republican majority presented a resolution directing that evidence obtained during the nine months' investigation be turned over to the attorney general with the request that he institute criminal and civil proceedings. The democrats countered with a substitute resolution proposing to instruct the committee to name persons, firms and corporations "which should be investigated by the attorney general" before directing that official to proceed.

When the house quit work Monday night, debate on the majority and minority reports had not reached an end. The principal speeches were made by Rep. McCullough, republican, Ohio, and Rep. Doernum, democrat, Michigan.

Speeches Far Apart.
Like the opposing reports, the speeches were far apart. Rep. McCullough declared that the cry "We were the war" had been made to cover a multitude of sins, while Rep. Doernum asserted that "if the supreme architect of the universe had built those camps, the bleacher managers would have found fault with the job."

To the republican claim that the government lost \$72,777,823 on 16 national army camps built alone through waste and was entitled to recover damages, the democratic majority countered by claiming that the government had saved \$35,000,000 water out of "pretended claims to recovery."

Mr. McCullough said it was not within the province nor the duty of the committee to prosecute crime or indict criminals.

The report of the majority committee, which attacked the construction of Camp Sherman, at Chillicothe, O., and Camp Grant, at Rockford, Ill., contains evidence on which the department of justice should immediately predicate grand jury indictments.

No Attempt to Make to Save Public Money.
Rep. Doernum argued that the report on the committee system, he declared, "and the record of the testimony taken in connection with the construction of Camp Sherman, at Chillicothe, O., and Camp Grant, at Rockford, Ill., contains evidence on which the department of justice should immediately predicate grand jury indictments."

Were Insured.
The South Bend bank had just taken out bond with United States Fidelity and Guaranty company, about a week before the robbery. The company is said to have sent detectives to locate the robbers. When Asst. Chief of Police Cassidy returned to the scene after the robbery, he asked Mr. Haslinger if any of the robbers were insured. Cassidy said that the insurance company was the one he called attention to.

Was the one with the green car.
"How soon after I called your attention to the bunch outside the bank, did they come into the bank?" Cassidy asked.

"About half an hour," was the reply.

"Why did you not put the money away when I told you?" continued the assistant chief.

"Mr. Hay had some certificates to sign," replied the cashier.

"They were a hard looking bunch," declared the assistant cashier. "The auto license 174181 is reported as belonging to Stanley Drogowski, 727 S. William st."

Cashier Haslinger, in giving an account of the robbery, says that he and Mr. Van Antwerp were busy, and that Mr. Hay was signing stock certificates and that they had no intimation that anything unusual was happening.

Girl Uninjured Following Fall From Dormitory

By Associated Press.
CHARLESTON, Ill., April 12.—With the exception of a nervous shock, Miss Mae Nona Deames of Illinois state normal school, showed no signs Monday of having been seriously injured Sunday night when she fell from a window on the third floor of Pemberton hall, the girls' dormitory to the concrete walk while being lowered by a blanket to a window on the second floor where she intended to reenter the building to liberate her friends who had been locked in by another group of girls. After the fall she arose to her feet and walked into the building aided by two other girls but she suffered a nervous collapse.

POLICE FAIL TO FIND TRACE OF DARING ROBBERS

Asst. Chief Cassidy Had
Warned Bank Officials
to Hide Money.

Half an hour before four armed auto bandits robbed the South Bend state bank, 911 S. Michigan st., of about \$1,000, Monday morning, William Cassidy, assistant chief of police, saw the suspicious characters loitering near the bank. Mr. Cassidy informed cashier Gus Haslinger of the fact. No other action was taken by him.

The bandits made good their escape from the interior of the bank and heads of the police department apparently have faint hope of finding them. At 10 o'clock of the police night shift, Monday night, no mention was made of the fact that a robbery had been committed in South Bend, or descriptions given, according to information in the hands of members of the police force.

Had Two Cars.
The robbers are said to have had two cars, a Packard and an Elcar waiting for them just west of Westville, where they abandoned the red car and divided between the two other cars.

The assistant chief could not have gone very far from the scene when the robbers entered the bank, he said, as he was in the vicinity of the bank at the time. He said that the money made their escape into the red Studebaker auto which was a fifth accomplice, who had been waiting for the robbers at the bank, a woman auditor and her three-year-old baby. Had they succeeded in locking the vault it is probable that the victims would have been subjected to a more serious robbery.

"Indeed," he declared, "if Socy Baker had attempted to build the camp by the committee system, he would have been guilty of the grossest incompetence and merited removal from office."

After none months of investigation with access to all records, he said, the majority of the committee was "unwilling to make specific recommendation to the attorney general for a specific allegation of fraud against any person, firm or corporation."

"Now they propose," he continued, "to pass the investigation on to the attorney general. This is a confession of failure, and the country will so regard it."

OTTAWA, Ont., April 12.—An order in council requesting King George to ratify the peace treaty with Bulgaria on behalf of Canada has been passed as a result of the adoption of resolutions approving the treaty by the senate and house of commons. It was announced Monday night.

Were Insured.
The South Bend bank had just taken out bond with United States Fidelity and Guaranty company, about a week before the robbery. The company is said to have sent detectives to locate the robbers. When Asst. Chief of Police Cassidy returned to the scene after the robbery, he asked Mr. Haslinger if any of the robbers were insured. Cassidy said that the insurance company was the one he called attention to.

Was the one with the green car.
"How soon after I called your attention to the bunch outside the bank, did they come into the bank?" Cassidy asked.

"About half an hour," was the reply.

"Why did you not put the money away when I told you?" continued the assistant chief.

"Mr. Hay had some certificates to sign," replied the cashier.

MARKED IMPROVEMENT IS SHOWN IN CHICAGO AREA; MANY EMBARGOS LIFTED

**HEAR
RALPH SMITH**
Candidate for
Democratic Nomination
for Congress.

**HIGH SCHOOL
AUDITORIUM
TONIGHT**
Eight O'Clock
Ladies and Men
WELCOME!

**DEMOCRATS MEET
AT HIGH SCHOOL**

Ralph N. Smith of Laporte
Will Fire Opening Gun
of Campaign.

South Bend democrats will celebrate the 175th anniversary of Thomas Jefferson tonight with a democratic rally held at the high school auditorium at which Ralph N. Smith, of Laporte will be the principal speaker.

Mr. Smith is candidate for congressman from the 13th district. As prosecuting attorney of Laporte county he recently came into prominence through the prosecution of the Walter Baker murder case here. The auditorium will be the scene of political activities on Thursday night also. Edward C. Tuner, of Anderson, republican candidate for governor and Sen. Warren G. Harding, republican, will be the principal speakers.

The robbers are said to have had two cars, a Packard and an Elcar waiting for them just west of Westville, where they abandoned the red car and divided between the two other cars.

The assistant chief could not have gone very far from the scene when the robbers entered the bank, he said, as he was in the vicinity of the bank at the time. He said that the money made their escape into the red Studebaker auto which was a fifth accomplice, who had been waiting for the robbers at the bank, a woman auditor and her three-year-old baby. Had they succeeded in locking the vault it is probable that the victims would have been subjected to a more serious robbery.

**PRES. WILSON VIEW S
PARADE OF ANIMALS**

By Associated Press.
WASHINGTON, April 12.—President Wilson, from the east port of the white house, Monday received a long parade of wild animals which were brought to the city for the purpose of demonstrating to "be kind to animals week" being observed throughout the country under the auspices of humane societies.

Thousands of persons lined Pennsylvania ave. and for an hour the parade of wild animals, including a lion, a tiger, a bear, a white house took on the appearance of an inauguration day. Fluffy critters from Fort Meyer, chubbly Clydesdales and Percheron horses drawing trucks and carriages, dogs, pet foxes and homing pigeons, all had done duty with the American army in France made up the long line, all bearing the same kindness to animals in return for their service to mankind. At the end of the procession came the chorale, a band, a mounted police horse, a picture of destitution, neglect and despair, resplendent by the Washington Animal Rescue League. The demonstration was under the auspices of the Humane Educational Society.

**APPEAL TO AMERICA
TO EXCLUDE TURKS**

By Associated Press.
WASHINGTON, April 12.—A memorial appealing to the government to exclude the Turks from Europe and to take some definite step toward the assuming of America's share of responsibility for the welfare of the subject races of the former Ottoman empire was presented to Pres. Wilson Monday by a committee of the federal council of the churches of Christ in America.

Bishop William F. McDowell, of the Methodist Episcopal church, headed the commission which presented similar memorials to Vice Pres. Marshall and Speaker Gillett.

The memorial said there was a "growing impatience amounting to indignation over the failure of the allied nations to enforce the peace treaty and to solve the near-eastern problem according to the principles of right and justice for the establishment of which we entered the war."

**FRAUD BALLOTS WILL
BE TAKEN TO CAPITAL**

By Associated Press.
WASHINGTON, April 12.—David S. Barry, sergeant-at-arms of the senate, will leave next Monday for Michigan to direct the transfer to Washington of ballots cast in the Newberry-Ford senatorial election contest. Delay was necessary, it was said, owing to failure of the attorneys representing both contestants to have modified the federal court orders for preserving these ballots. The ballots will be recounted under the direction of the senate elections sub-committee.

Walkout of Insurgents Shifts
to East Causing Serious
Freight Soppage.

OFFICIALS CONFIDENT
Say Break in Chicago Will be
Followed by General Resumption of Work.

By Associated Press.
CHICAGO, April 12.—While the unauthorized strike of railroad employees, which started in Chicago two weeks ago with the walkout of 719 switchmen on the Chicago, Milwaukee and St. Paul railroad, Monday appeared gradually to be waning in the middle west and far west, the situation in the territory east of Cleveland took on a more serious aspect.

The center of development in the walkout of insurgents had definitely shifted to the east, where additions in the ranks of the rebel railroad workers had caused a serious stoppage of freight and passenger traffic and the closing of several industries dependent on the railroads for supplies.

Situation Improved.
The situation in the Chicago yards showed a marked improvement, and reports from other large railroad centers in the middle west indicated that the crisis of the strike was fast and that strikers were returning to work in considerable numbers. Officials of railroad brotherhoods, who have been fighting the strike since its inception, were confident that the breaking up of the walkout in Chicago territory would demand the end of the resumption of work in other areas.

More freight moved in the Chicago yards Monday than on any day since the strike started. Railroads announced that the stock yards 229 cars of livestock were received and more than 3,000 head of cattle and horses were loaded or work by the strike returned to duty. About 25,000 stockyard workers were still idle.

Cars Moving.
The Illinois Central, the Chicago, Milwaukee and St. Paul, the New York Central and other roads reported that cars again were moving toward the east of the strike. The General Managers' association Monday denied that any negotiations were being carried on with the outlawed strikers' association, and stated that no parley would be entered into under any circumstances.

In requesting negotiations looking toward the end of the strike, Pres. Grand, of the gardeners' association, said contracts the railroads have with the Brotherhood of Railroad Trainmen and the Switchmen's union of North America did not apply membership in his union. Grand denied that the switchmen's strike was illegal.

FREE FROM VICE.
NEW YORK, April 12.—Mayor Urban Monday wrote Dgt. Atty. General, asserting that liquor in its history has New York been so free from vice conditions, and asking immediate trial of members of the police department who have been indicted by Asst. Dist. Atty. Smith's vice crusade.

**RADICALS CAPTURE
GUATELEMA CITY**

Estrada-Cabrea Forces Ousted
by Revolutionists, Report
Says.

By Associated Press.
MEXICO CITY, April 12.—The Estrada-Cabrea government, in Guatemala has been overthrown, according to dispatches to the newspapers here. The revolutionists have formed a new government with Carlos Herrera as president.

Addressed to the congress of Mexico City from Tapa Chila, state of Chiapas, say that the mission is triumphant. The revolt began in the capital and spread quickly to the interior and penetrated into the principal railway in the hands of the revolutionists.

One report has it that Cabrea is a prisoner and another that he is besieged in his home.

Great excitement prevails throughout the country. The revolutionists are crossing the Mexican border to participate in the revolution.

MANY RILED.
GUATELEMA CITY, April 12.—The city is undisturbed except by volunteers armed with rifles. On the day the revolution was kept up from 10 o'clock in the morning until eight o'clock at night. Shots fell in various parts of the city and the casualities are believed to have been heavy.

Cabrea is strongly entrenched in La Palma, outside the city.
