

### CHAMBER WARNS FREIGHT SHIPPERS TO CLEAR DEPOTS

Transportation Department  
Asks Merchants to Aid in  
Relieving Congestion.

Removal of freight from the railroad depots to the places of business of the consignees is urged by the transportation department of the Chamber of Commerce in a letter sent them Tuesday. The following is the letter:

"Receivers of freight are urged to use every possible means of moving shipments from depots to their warehouse as in consequence of present restrictions, freight for South Bend is accumulating at terminal and other points and this when moved will necessitate the carriers using every inch of space they can find. Appeals by phone and otherwise to receivers have resulted in decreasing the accumulation to a marked degree, but there is still room for improvement.

"Freight Embargoes. Embargoes placed on freight movement into and out of South Bend by the various carriers at this writing are as follows:

"New York Central cannot receive inbound freight to, or outward bound freight from South Bend.

"Michigan Central cannot receive inbound freight to, or outward bound freight from South Bend.

"Grand Trunk will receive freight for local points, in the immediate neighborhood, all other points are embargoed both in and out.

"Pennsylvania R. R. will receive freight for local points, all other points embargoed both in and out.

"N. J. & L. cannot receive inbound freight to, or outward bound freight from South Bend.

"Predictions as to how long these conditions will exist are futile, as the situation may change for the better at any time.

"J. R. Bremner,  
"Transportation Sec'y."

### Conduct Enthusiastic Noon Evangelistic Meet

An enthusiastic and successful noon meeting was conducted by Mr. and Mrs. M. J. Bouterse, members of the Bob Jones evangelistic party, at the Sibley Mfg. Co., Tuesday. In addition to an address by Mr. Bouterse several musical numbers, including cornet solos and duets, were rendered by Mr. and Mrs. Bouterse. At the close of the talk a large delegation from the factory promised to attend the tabernacle meeting next Tuesday night.

In addressing the employees Mr. Bouterse spoke briefly on knowing each other. He said in part: "The great need of the hour is for people to know each other better. We are too suspicious of each other. Few are willing to face facts. Lots of us are living in a fool's paradise. All is not what it seems to be on the outside. The woman taken in sin when brought to Jesus because of her inner sorrow and penitence of her heart received the blessing of Christ, while the scribes and pharisees with all their outward show and forms of religion received words of fierce denunciation.

"The question is, are you willing to face facts now? Don't wait until the judgment. It will be too late then. This great revival movement now going on is but another effort on the part of your heavenly father to get you to see yourself in the light of His word."

An address and a musical program will be rendered by Mr. and Mrs. Bouterse at the Stephenson Mfg. Co., Wednesday noon.

### Wife Says Husband Called Her Vile Names

James Grover called his wife vile names, refused to allow friends to visit their home and struck and beat his wife, according to a complaint filed in the superior court Tuesday by Doris Grover. The plaintiff asks for a divorce and the custody of the three children, Raymond, five years old; Lyle, three years old, and Ernest, two years old. They were married Dec. 15, 1913, and separated April 7, 1929.

Ruth O'Donnell in her suit for divorce against Claude O'Donnell charges cruel and inhuman treatment and asks for the custody of their son, William, one year and six months old.

In her suit for divorce against Oscar Jones, Myrtle Jones says that her husband repeatedly swore at her and kicked her. She asks that her maiden name be restored. They were married Aug. 30, 1919, and separated Dec. 8, 1919.

### International Kiwanis Secretary Will Address Joint Meeting of Clubs

O. SAMUEL CUMMINGS.

One of the largest noonday gatherings of South Bend business men since the old Liberty loan days will be held at the Oliver hotel Thursday noon to greet O. Samuel Cummings of Chicago, international secretary of Kiwanis clubs. Mr. Cummings will address a joint meeting of the members of the Kiwanis and Rotary clubs at 12:15 o'clock in the Rotary room of the hotel, with the Kiwanis club members acting as host. Special music and various other entertainment have also been arranged for the meeting.

Mr. Cummings as secretary of all the Kiwanis clubs of the United States and Canada, is one of the men chiefly responsible for the rapid growth of Kiwanis from an organization of several scattered clubs a little more than five years ago to an international body today of 20

clubs and a fast growing membership of 25,000 business men. The Chicago man will tell the idea behind the Kiwanis movement which has made this growth possible, in his South Bend address. Mr. Cummings is a splendid speaker and has spoken before Kiwanis and Rotary clubs throughout this country.

About 200 members of the two clubs are expected to attend the joint session on Thursday, which will be presided over by Fred C. Reimold, a former president of Kiwanis, in the absence of President Charles E. Speth, who is now absent from the city. Members of the Kiwanis club have all been assigned members of the Rotary club as their guests and will bring them to the luncheon and see to it that they have a good time. Members of the Rotary club, who have not received invitations to the luncheon are urged to come to the meeting regardless, as they have been locked unintentionally by the secretary of Kiwanis or by the Kiwanis member assigned to them. Every member of the two clubs is earnestly desired at the joint meeting. It is announced by the Kiwanis club. The regular Rotary luncheon on Wednesday noon has been cancelled to make way for the joint luncheon.

### BELLE BAKER HAS LOSS OF MEMORY

She Cannot Remember What  
Took Place at Time of  
Woman's Death.

"I don't remember anything that happened that night except that I drank five or six glasses of whisky and absinthe and that we had a quart of whisky and absinthe and that Mabel said that it was too late to go to the Orpheum theater," Belle Baker, held in connection with the death of Mabel Carlin at 329 1-2 E. Michigan st., early Friday morning, told Deputy Pros. George A. Schock and Chief of Police Kline in the latter's office Tuesday morning.

The Baker woman told the officials that she could not remember what happened during the night before Miss Carlin's death, except that the two women had been heavily drinking.

### PLAN OBSERVANCE OF AMERICAN DAY

National Security League  
Head to Confer With  
School Authorities.

Charles E. Cake, national secretary of the White Star league and a representative of that organization and of the National Security league, talked to and secured the unanimous endorsement of the commercial bureau of the Chamber of Commerce at the regular noon luncheon at the Oliver hotel Tuesday.

The purpose of the league, according to Mr. Cake, is to combat the perils and evils of radicalism, bolshevism and revolution in the United States. The membership of the league is in the main composed of editors of newspapers and magazines. The organization has as its slogan, "No Red Without the Blue." Mr. Cake is in South Bend in the interest of having the work of Americanization carried on here through the cooperation of civic organizations and the public schools. Conferences are being arranged by Mr. Cake with school heads and heads of clubs regarding the holding of a celebration in South Bend on May 1, national "American Day."

### COMPLETE PLANS FOR TWO MEETINGS HERE

Plans for bringing Dr. Charles Stelzle of New York authority on industrial and labor questions, to South Bend to address the members of the Chamber of Commerce at their weekly noonday luncheon Monday, and a mass meeting at the high school auditorium Monday night, have been completed. It was announced Tuesday by Dr. A. M. Ellis, chairman of the arrangement committee.

Mr. Stelzle, according to Dr. Ellis, has a wide reputation as a public speaker on industrial and labor questions. He is said to have spoken to more mass meetings of laboring men than any other public speaker in the country.

According to Dr. Ellis, it will be necessary to increase the charge per plate at the luncheon from 60 cents to \$1, in order to give the speaker more time. The luncheon will be held at 12 o'clock instead of 12:15.

### How Is Your Weight?

While it is true that too much weight is not to be desired yet the fact remains that many men and women are thin to the point of danger. This danger lies in their having no reserve force or nerve power to combat deadly diseases. A little extra flesh is needed by all to feel well and to look well, and this calls up the question of how best to increase the weight. Physicians and chemists by experiments have solved the problem of increasing the white and red corpuscles of the blood by the administration of a grain hypo-nutrient tablets. This is usually followed by an increase of weight. Obtain in sealed packages, and a period of several months, according to directions with package. Adv.
