

# PROVE "RED" PLOT IN RAIL STRIKE

Official Who Promoted Ill-Fated Steel Strike is Behind Rail Walkout.

All rail workers into one union. Served documents also revealed that a similar course was to have been followed in various other industries where crafts aligned with the American Federation of Labor would be urged to reorganize under one name.

**Positive Proof.** "We have positive proof of the plans for this expansion, Mr. Palmer said. I know the date fixed for nationwide strikes in other industries and our investigators have discovered that the fomentation of these outbursts has gone on exactly as in the railroad strike."

"The whole program was one phase of the plans of the Russian radicals designed at the ultimate capture of industry, the overthrow of government and setting up dictatorship like that in chaotic Russia," Mr. Palmer said. "Workers were being led unwittingly into a trap set for them," he added, "through the Industrial Workers of the World and the International, headed by Lenin and Trotsky, which are attacking all industrial life. Federal agents had intercepted a courier from Russia March 1," he said, "bearing messages to American locals of the communists, detailing methods of organizing class war."

**Red Instructed.** The radicals were instructed to direct their utmost efforts toward "drawing the proletarian masses into the pathway of revolution." The organization's first goal, the message said, must be the wrecking of the American Federation of Labor and it ought to establish direct and close relationship with the I. W. O. and the "One Big Union" of Canada. The I. W. O. the word continued, was to be the tool employed and it was to establish the basis for uniting all unions under the One Big Union idea.

As a result of these disclosures, the government has broadened its investigations; agitators in all labor organizations are under surveillance; funds are closely watched and all clues to the source of the financial support are being followed. Following the collapse of the steel strike, Mr. Palmer said, Foster, Pierson, Reese and others of their associates of the revolutionary parties engaged in the endeavor to promote the present strike.

**Seek Members.** Lists of all railroad men who were members of the communist or communist labor parties were sought, he said. "The names of all railroad workers who were opposed to the present management of the four brotherhoods also were collected. Meetings were held in hotels in New York and Chicago and other cities where all of the plans were laid." Mr. Palmer believed that the nation-wide roundup of radicals, conducted recently by the department, had halted at least, if not seriously hindered promulgation of the strike plans by its leaders. He said that literature distributed among railroad workers during the strike as having "shaken the foundation, but not disrupted our organization." In one of these documents, the attorney general was termed "America's Head Policeman."

## BOB JONES DENOUNCES MODERN DANCE HALLS

(CONTINUED FROM PAGE ONE.)

business, society, even in churches. I have seen it on trains when some hog stretches himself over two or three seats when other men and women with children are standing in the aisles. I have seen it on the country roads when men whirl by alone in big motor cars and never think of stopping to pick up some toll weary pedestrian along the way. Spirit Gone Results.

"The only spirit that gets results with God is that you show when on your knees you ask 'oh, God, give me this that I may give it back to thee.'"

"Why I was once stopped on the streets of my town by a preacher who wanted me to hold a revival in his church because, he explained, 'With a revival meeting there I could get the biggest congregation in town inside of a month!' Because he had above the desire to please Jesus, the desire to be pastor of the biggest church in town. Could we expect God to answer prayers such as these?"

**We Don't Pray.** "We think we pray for things we want for our own selfish pleasure or other ends. We don't. Isn't it a shame that Jesus has been pushed into the background and business and pleasure put first."

He made a plea for the unselfish spirit of God's charity in everyday life. "I don't criticize you for enjoying a car if you can afford it. I don't criticize you for wearing good clothes if you can afford it, but if you have this world's goods and close your ears when the poor God will stop his ears when you cry and you will need the things that God can give inestimably more than anyone will ever need the things you can give."

Court 41, F. B. H., will give a dance Tuesday night in Boyer hall. 2535-19

## High School Notes

The girls aquatic meet was held in the high school natatorium and resulted in a win for the seniors. Clarice VonBarandy took first place in the 150-foot swim for speed. Corrine Seegmuller won the 50-foot breast stroke for form. VonBarandy took first in the 50-foot breast stroke for speed, the back stroke, and the 50-foot face for speed with any stroke. Avaline Probst took first in the 100-foot, the record not coming up to last year's standard. Rita Chaplain, Hildegard VonBarandy and Bernice Fiedler were close contestants for first honors in the high dive, the judges finally giving Miss Fiedler first place. Florence Irwin, an underclassman, was this year's find.

Class stunts were important events of the meet and the seniors enacted "The Marriage of Neptune and Annette Kellerman," Corrine Seegmuller officiating as clergyman with a number of "Life" as the Bible. Clarice VonBarandy, with a stiff collar and pitchfork, took the part of Neptune; Contradine Peterson, the blushing bride, was arrayed in a floating veil carrying artificial roses which were waterproof; Loreta Moore took the part of bridesmaid.

"Beach Nuts" was the title of the sophomore stunt in which two girls fell into the pool and were rescued by candy life savers.

All classes participated in the jive race. Classes and Hildegard VonBarandy swimming together, Florence Irwin and Contradine Peterson; Corrine Seegmuller and Rita Chaplain. The VonBarandy sisters took first place.

The soph team composed of the Misses Florence Irwin, Irma Koenig, Mary and Rita Chaplain carried off first honors.

The most effective race of the day was the candle race which was won by Corrine Seegmuller out of a field of six contestants.
