

## ITALIANS INHERIT SEVERAL PROBLEMS FROM RECENT WAR

Military Authorities Having Difficulty With Slav Population.

TRISTE, April 15.—Italian military authorities here say they have inherited from the war a lot of difficulties and problems in controlling the Slav population in Istria and the region surrounding Gorizia. This territory constitutes part of the Adriatic question which still remains unsettled by the supreme council. It passed under Italian control by the establishment of the armistice line at the end of the war.

Recent Surveillance. In this territory there are more than 400,000 Slovenes who resent the surveillance of the Italian military police. Revolting Slav elements fired with socialism, communism

and bolshevism, intermittently attack the Italian military patrols and carabinieri of the army of occupation.

In these districts there have been within a year 20 assassinations and 1,000 arrests. Attempts have been made to set up a communistic regime at Dignano where large stores of ammunition which belonged to the old Austrian army had been collected and hidden beneath a building used as headquarters of a workmen's committee. The plot was discovered by the Italian police who raided the headquarters and arrested 130 Slavs. During the fighting with the communists the building was wrecked by bombs. Bolshevik outbreaks alleged to have been organized by Slav workmen have taken place at Pola, and a large Italian garrison is maintained at this formerly Austrian port, now the eastern base of the Italian Adriatic fleet. Disorders by Slavs have been frequent near Gorizia.

## COMES TO WATCHMAN'S AID; W. C. MORTIFF DESCRIBES THE PLEASING EFFECT OF PEPGEN

It is W. C. Mortiff's vocation in life to be looking out for the welfare of others. In this case, however, the usual order was reversed and it was Mr. Mortiff who received instead of giving the advice of how to reach the point of safety.

He is a railroad crossing watchman and lives at 314 South Columbia street, South Bend. It is interesting to know that the advice to him about Pepgen came from a friend who is also a watchman, stationed at another crossing.

"I have been suffering with stomach trouble for twelve years," said Mr. Mortiff. "Gas formed in my stomach after eating and caused a sour taste. My stomach seemed to harden after eating."

"I was very restless and did not sleep soundly at night. Often I

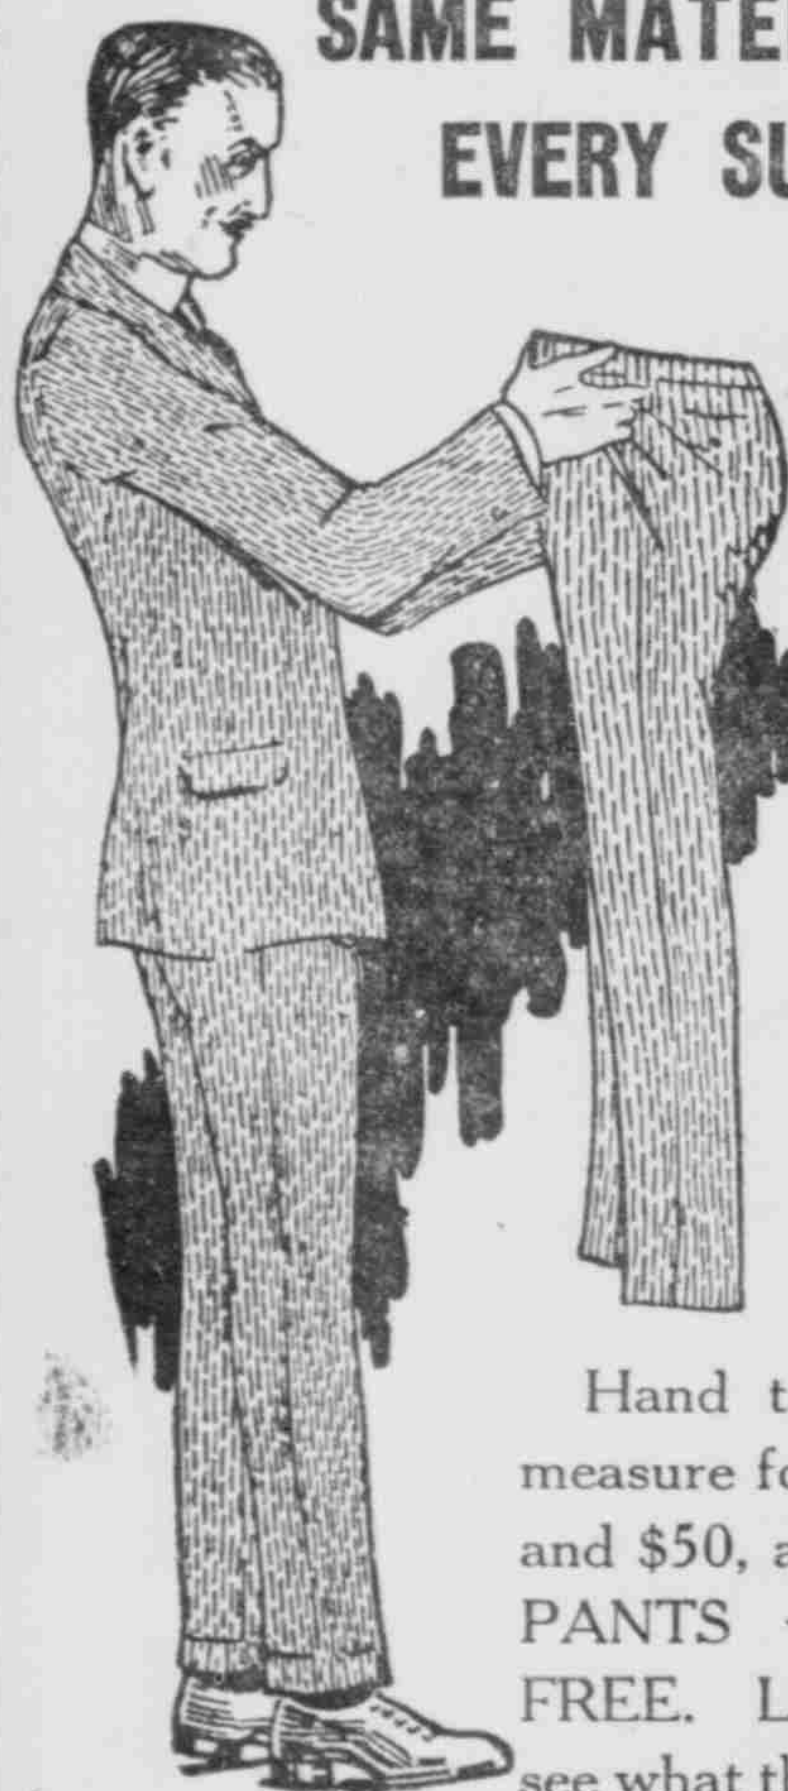

would wake up and remain awake for an hour or two.

"A friend of mine, a watchman at another crossing, told me about Pepgen and recommended it because it had helped him. It has done the same for me. My stomach trouble is entirely relieved. And there's no more bloating. I get sound sleep and my appetite has increased."

"I have previously tried many means of getting relief without success. Pepgen is the best medicine I ever took. I feel better than I have for years, and I can now eat heartily without any feeling of having to suffer for it afterwards."

Pepgen is sold by Striebel and Stetzel (The Public Drug Store) South Bend, The Red Cross Pharmacy, Mishawaka, and all other leading drug stores.
