

PLAN EXPANSION OF CUTTER PLANT

Westinghouse Electric and Manufacturing Company Acquires Interest.

Extensive expansions at the plant of the George Cutter Co., Notre Dame av. and Division st., manufacturers of ornamental electrical fixtures and appliances, are to be made as soon as the details of plans now under consideration can be worked out. It was announced Thursday by officials of the company.

A financial interest in the company has recently been acquired by the Westinghouse Electric & Mfg. Co. of East Pittsburgh, Pa. It was also announced Thursday, and following this action by the Westinghouse company, the South Bend plant is to be enlarged in order to care for the expansion in the company's business.

The company also announced Thursday that a cash bonus will be distributed May 1 to all employees who have been with the company since July 1, 1919. The bonus will be five percent, and according to the company management, it is offered as an expression of appreciation of the loyalty and cooperation of the employees, and is based on the employee's individual earnings.

Lenne was interviewed with a cat on his knee, which he stroked fondly during the conversation.

MRS. ALICE MCCLUSKEY, prominent Lewiston woman, who says she wishes she could have gotten Tanlac twenty years ago, as it would have saved her lots of suffering. Declares she is now well and happy and that she wants everybody to know about it.

"I have been trying for twenty long years to find a medicine that would overcome my troubles, but my efforts failed me completely until I commenced taking Tanlac," was the remarkable statement made recently by Mrs. Alice McCluskey, residing at No. 66 Park Street, Lewiston, Me., a well-known and most highly respected woman of that city.

"I just feel like I would give the world to meet everyone who suffers as I did and tell them about this medicine. If I could only have gotten Tanlac twenty years ago it would have saved me a lot of suffering and money.

"My principal trouble was indigestion, and for many years I could not eat meat or pastries. I would always suffer afterward. I would most always have a distressed feeling after eating and nothing would agree with me. Then, to add to the rest of my suffering, I contracted rheumatism in my shoulders and hips and the awful pains I suffered can never be told in words. This trouble finally got so bad I could hardly walk and my arms pained me so I could scarcely raise my hands to my head. I even had to give up my housework and was hardly able to get around at all.

"You can imagine how happy I was when, after taking only a few bottles of Tanlac, I found such a wonderful improvement in my condition! Why, it was just the medicine I needed all the time and I continued taking it until now I am perfectly well again. I can truthfully say that I am enjoying as good health now as I ever had in all my life. I had gained about 14 pounds in weight and can again do all my housework without the least trouble. I don't get tired like I did and after doing my work I can get out and walk for blocks and feel just fine when I get back home. I earnestly advise everyone who suffers as I did to take Tanlac."

Tanlac is sold in South Bend at the Central Drug Store and in Mishawaka at the Red Cross Pharmacy.
