

## HARVEY H. GINZ DIES IN CHICAGO

Member of One of Oldest Families of City Succumbs After Short Illness.

Harvey H. Ginz, 61, a passenger, age 41, died Monday night at the LaSalle hotel, Chicago, from perforation of the bowels after an illness of but a few hours. He left for Chicago Monday morning on business for the Engman & Matthews Co., with which firm he was associated. His wife accompanied him for a few days vacation.

Mrs. Ginz called her father, Dr. H. T. Montgomery, about 2 o'clock Monday afternoon, and Dr. Montgomery, with his brother, Judge C. R. Montgomery of the superior court, left at once for Chicago.

### Surviving Relatives

Mr. Ginz leaves a wife, Grace, and two children, John, 12, and Betty, aged three, besides a brother Adolph Ginz, and sister, Mrs. Louis S. La Pierre, both of this city.

The Ginz family is one of the oldest and most highly respected of the community having come here early in its development. Mr. Ginz, who was the son of the late Mr. and Mrs. Henry Ginz, was born in South Bend April 5, 1879, and lived here all his life. He was graduated from the local high school and was a member of the first graduating class of Culver academy.

The nature of his ailment was a simple ulcer. He had been undergoing treatment for it a long time. The ulcer bowels performed the lining of his stomach, causing the contents of his bowels to pass through the abdomen which resulted in death.

Mr. Ginz was taken ill at noon Monday, and was immediately rushed to the LaSalle hotel. He suffered severe pains which were thought to be appendicitis and an operation. The usual remedies for this failed to relieve him and a surgeon was summoned. Dr. H. T. Montgomery of South Bend called, but found the patient in too weakened a condition to operate on. He died at 2 o'clock Tuesday morning.

Private funeral services will be held at the residence of Dr. H. T. Montgomery, Denslow rd., Thursday at 3 o'clock. Burial will be in the Riverview cemetery.

### FOUR DELICIOUS LUNCHEON SOUFFLES.

How often have you occasion to prepare quickly a hot, delicate dish for luncheon? For the luncheon guest the souffle is just the kind of dish that is appropriate—daintily appetizing served in its own caserole or ramekin direct from the oven, hot and delicious enough to the eye, delicately flavored and smooth to the palate. Inasmuch as all souffles have an egg basis they are also suitable for the children's hot luncheon.

The secret of a good souffle is careful baking and immediate service. If a souffle is allowed to remain in the oven several minutes after it is finished, or if it cools at the table it will fall flat and neither look nor taste so good. Beat eggs thoroughly, blend well with whatever other mixture is used, and finally fold in the whites of eggs beaten very stiffly.

### CHICAGO YOUTH KILLS HIS GIRL SWEETHEART

By United Press.

CHICAGO, April 20.—Walter Kasinski's first love romance ended tragically here when he accidentally shot and killed his girl sweetheart, Hazel Fredrickson, 17 years old, Monday night.

Walter, 16 years old, entertained Hazel at his home Monday night, having in his knowledge that he was her first "steady." The girl didn't want him to go to the movies so she hid his cap.

With the 16-year-old's love for the dramatic, Walter seized his father's supposedly empty revolver and demanded that she give back his cap. Hazel refused and after stepped the gun several times. The only cartridge in the supposedly empty gun exploded and the bullet crashed through his sweetheart's forehead.

Melt the butter in a baking dish, blend the flour and lye, add the soured milk. Stir while cooking about two minutes, then set aside to cool off. In the meanwhile beat the white of eggs to a stiff froth. Add the beaten yolks of eggs to the white sauce and the grated cheese, finally the stiffly beaten whites. Pour into a buttered baking dish and bake in a medium oven for 25 minutes.

Do not slam the oven door at any time, either when putting in the souffle to bake or while watching or removing it, and serve direct from the stove to table.

### Halibut in Ramekins.

2 tablespoonsfuls of flour.  
2 tablespoonsfuls of butter.  
2 eggs.  
1 cupful of hot milk.  
2 cupfuls of flaked, cooked halibut.

Salt, pepper.

Make a white sauce with melted butter, a sauce pan, adding the flaked fish and beaten egg and season. Beat egg whites stiff and fold in. Pour into buttered ramekins and sprinkle few breadcrumbs and bits of butter on top of each ramekin. Place in a hot oven to brown.

### Chicken Souffle.

2 tablespoonsfuls of butter.  
2 tablespoonsfuls of flour.  
2 eggs.  
1 cupful of hot milk.  
1 cupful of chopped chicken.  
1 teaspoonful of chopped onion.  
1-2 teaspoonfuls of salt.

Pinch of thyme and pepper.

Prepare the white sauce by melting butter in a sauce pan, adding the chopped onion, lightly brown. Then rub in the flour and gradually this with the hot milk, stirring constantly. Add the chicken and beaten yolks of eggs while hot, then set aside to cool off. Whip the whites of eggs stiff, fold in, and bake in a buttered dish for 20 minutes in a moderate oven.

Chopped veal, cold cooked lamb or ham may be used instead of chicken. If this souffle is made with baked canned tuna fish it will taste exactly like chicken.

### Souffle Toast.

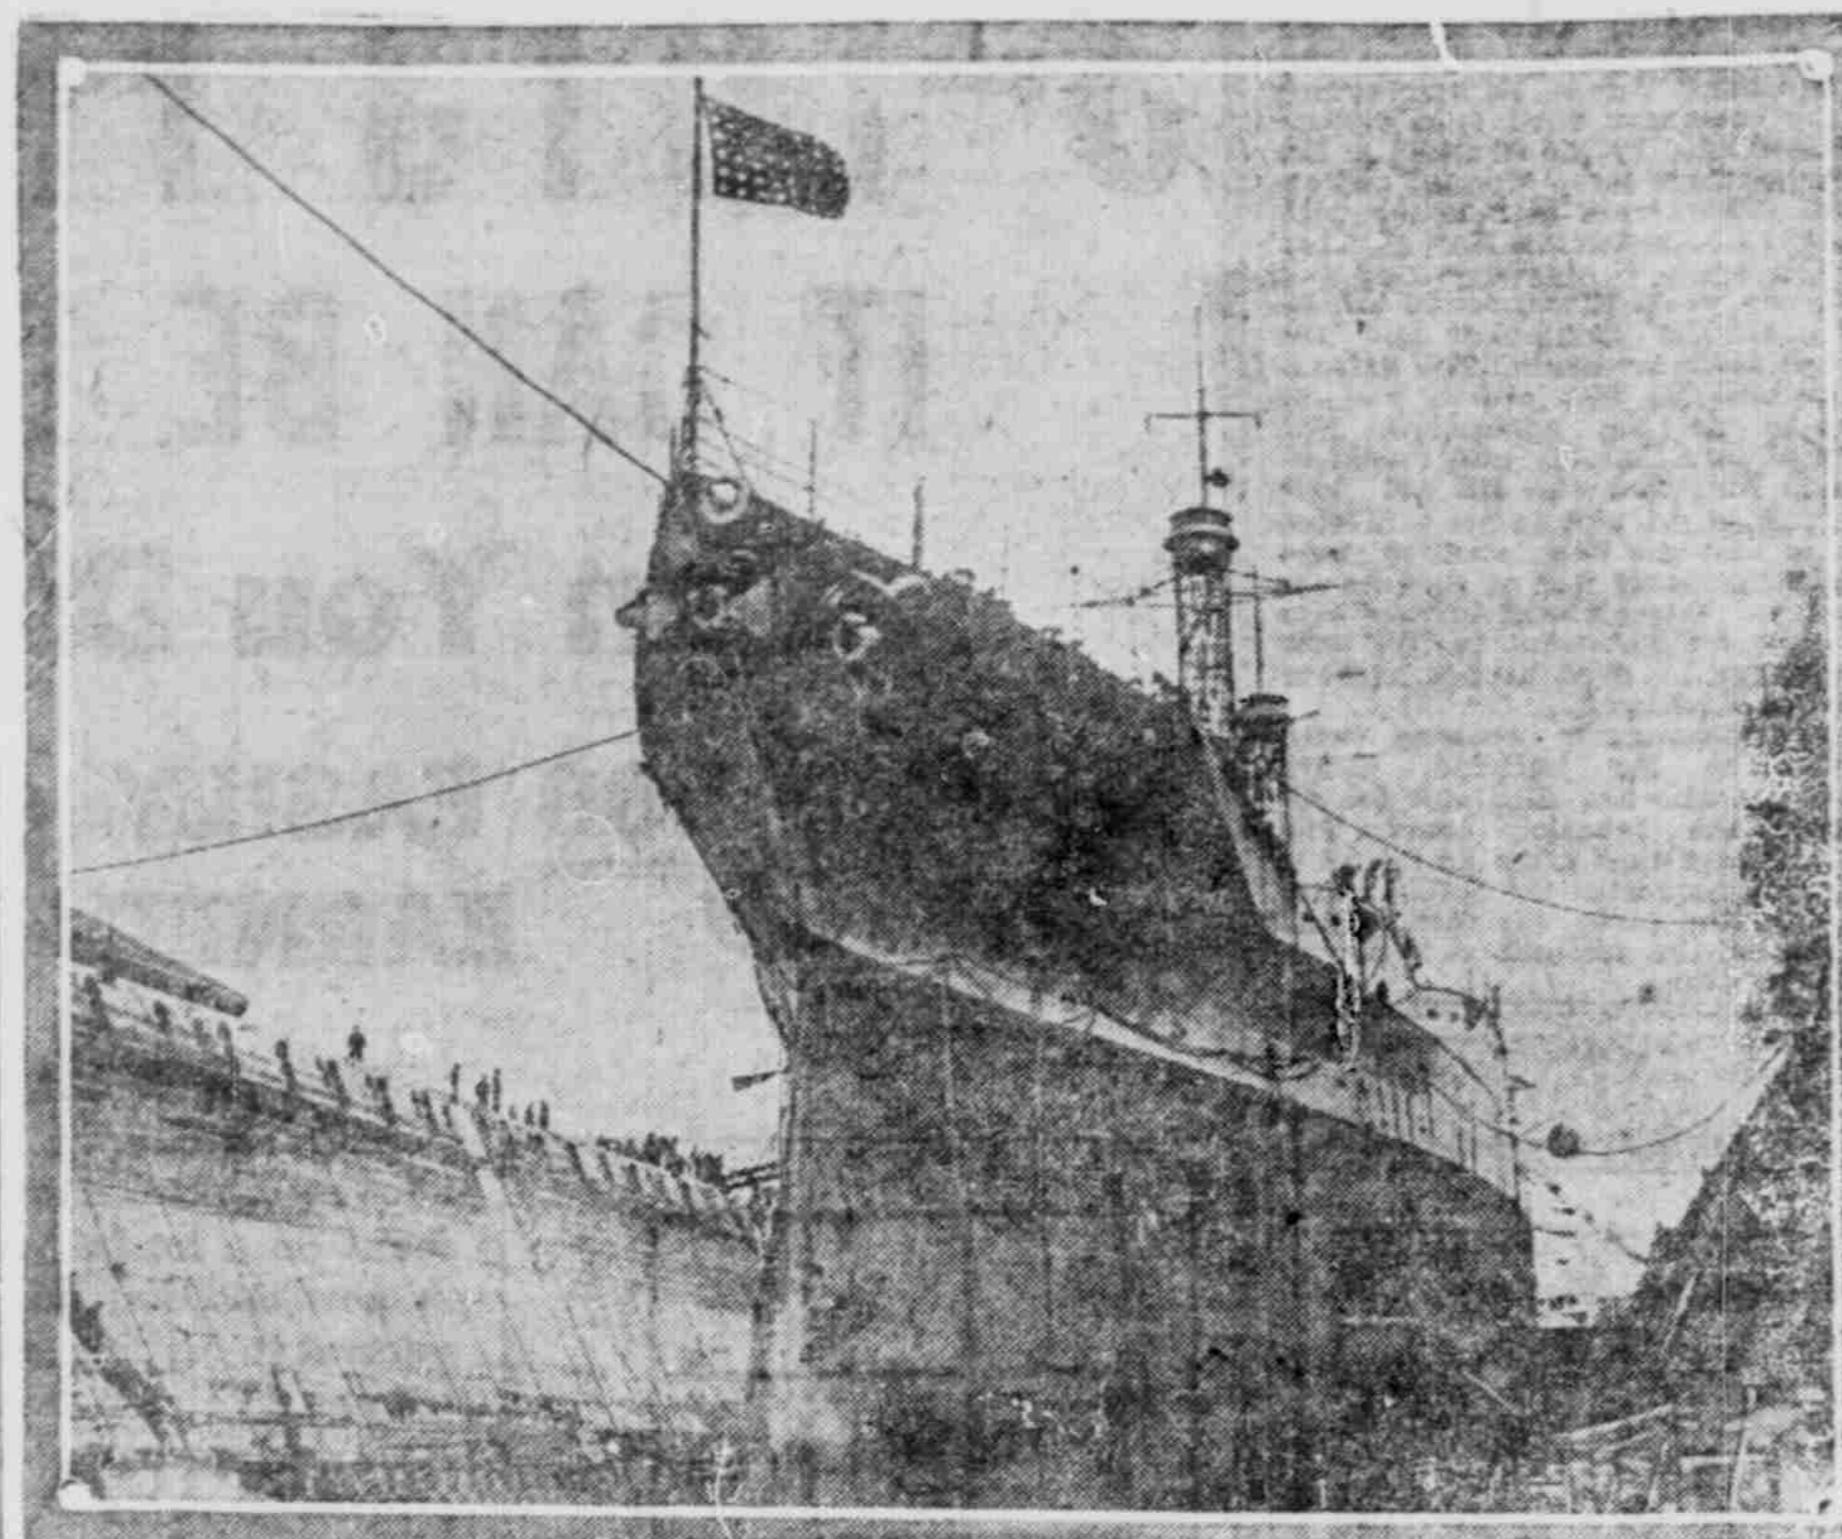

Allow one slice of bread for each egg used. Mix the chopped, cooked meat with a little salt, pepper and spread on each side of bread. Beat whites of eggs stiff with a little salt and spread on top of meat, then drop the whole yolk of egg in center. Sprinkle with salt and pepper and bake in a moderate oven until the egg sets.

### WABASH RIVER RISING.

TERRE HAUTE, Ind., April 20.—The Wabash river continued to rise here today and coal miners living in Taylerville, a suburb, were forced to abandon their shanties. The river was far above flood level this morning and the bottom land farms were under water.

### SCOTCH JUDGE GIVES DEFINITION OF WORD THAT CONFUSES MEN

GLASGOW, April 20.—In a divorce case heard recently the question arose as to the difference between "condonation" and "forgiveness."

The judge decided that in a Christian, as well as a lay, sense it was assumed that every man had a state on which was written the faults of his life.

Then "forgiveness" would be the complete wiping off the slate of the record.

In condonation there was no blotting out. The record remained on the slate and was only covered over with a piece of paper with the mark "that will obscure the record until another matrimonial offense occurs." Then the paper would be raised and the record and the marital sin was still there.
