

NOTRE DAME WINS FROM KALAMAZOO

Ninth Inning Rally and Swat by Fitzgerald Gives Win to Irish.

BY ARCHIE WARD,
(Notre Dame Correspondent)

Pitcher Fenner of Kalamazoo college tore through the Notre Dame baseball nine like pestilence for eight innings in a great pitchers' dual at Cartier field yesterday afternoon and had it not been for a certain Jim Fitzgerald would have registered a victory over Coach Dorais' Gold and Blue squad. As it was the game ended 3 to 2 in favor of Notre Dame and Fitzgerald deserves credit for the triumph. He drove in two runs with his timely single in the ninth and won the game by scoring himself when Carter Andrews duffed the heavy hit bunt and attempted to throw out Molardi at second.

Fenner turned back the Notre Dame batters with monotonous regularity for eight rounds. Pitcher Lally hurled equally as well as his rival, but his support cracked at vital moments. Kalamazoo was presented with a run in the third on successive boots by Miles and Hyland.

Notre Dame had a chance to score in the fourth. Miles, the first batter, bunted along the third base line, stole second and legged his way to third on Andrews' error, but he was forced to remain there while Fenner walked Bleievernight, Fitzgerald and Mohrhardt in order.

Fitzgerald Wins Game.

Some fuzzy stuff was injected into the fracas in the ninth. Moore was sent to the bat as pinch hitter for Lally. He cut the empty ozone three times and muttered his own name as he returned to the bench. Billie Lally, the Notre Dame second, Bleievernight followed with a drive to third that was too hot to handle and then came Mister Fitzgerald, who cracked the ball to center field, allowing Miles and Bleievernight to trundle across the plate. An error by Hoekstra advanced Fitzgerald to third and he scored a moment later when Andrews' bunt was second to nail the paltering Mohrhardt.

Yesterday's game marked Pitcher Lally's second victory in as many starts. He showed carloads of class in the Kalamazoo contest and had it not been for errors behind him he would have blanked the visitors neatly and precisely.

While Capt. Eddie Meehan and his two-mile relay team are representing Notre Dame at the Penn carnival Saturday there will be an event going on before the home folks which is arousing considerable enthusiasm in northern Indiana. A track and field meet for 125-pound aggregations will be held at Cartier field at 2:30 o'clock Saturday afternoon.

Carroll hall of Notre Dame, South Bend and Elkhart high schools are among the entries. The meet will be conducted under the supervision of Coach Dorais of Notre Dame. A silk banner will be the prize for the team scoring the greatest number of points. The Max Adier company will give a banner to the team winning the relay and a silver loving cup will be tendered the individual star of the meet.

BRITISHERS RUN AT PENN RELAYS

Two Mile Relay Expected to Furnish Thrills. Many Entries.

BY HENRY L. FARRELL,
United Press Staff Correspondent.
NEW YORK, April 29.—Six years

ago four Englishmen headed by A. N. S. Jackson came over and taught young America how to run two miles.

Young America will try to show the same Jackson and four of his pupils how to run the two miles in the Penn relays at Philadelphia tomorrow and Saturday.

Five star half and distance runners from Oxford and Cambridge universities, England, will attempt to repeat Jackson's victory of 1914 in the two-mile relay.

America looks to the west for the runners to regain the lost laurels.

The last lap of the two-mile feature event should be a thriller, if the weather is right and the track is fast. It will bring together some of the fleetest footed men in the Penn-Royal, the Oxford-Cambridge and British champion, Earl of Essex.

Penn, champion of the inter-collegiate games; Kurt Mazer, Cornell, inter-collegiate champion; Higgins, Iowa State; O'Connell of Harvard, and Brown of Illinois.

JUNIOR ATHLETES MEET AT HARVARD

Amateur Athletic Union Program Will be Held July 16 and 17.

By Associated Press:

NEW YORK, April 29.—The junior and senior track and field championship events of the National Amateur Athletic Union will be held at the Harvard stadium, July 16 and 17, it was announced Thursday night by the chairman, Frederick W. Rubien. He said the event will serve as a final tryout to select an Olympic track and field team. Plans are also being made, he added, to conduct a pentathlon championship which also will be designated as an official Olympic tryout. The event probably will take place near Chicago on a date to be determined after cross-country trials are not completed.

Similar to Olympic.

The events on the A. A. U. championship program are similar to those of the Olympic program except for the distance run, the walk and the 220-yard hurdle. Mr. Rubien recommended in a letter to members of the championship committee that the national steeplechase and decathlon championships and a 10,000-meter walk be considered in the final tryouts for the Olympic team.

Mr. Rubien explained that he is planning a tryout of these events at a field near New York about July 10 or 11. The national steeplechase championship was awarded the New York Athletic club.

He explained that the American Olympic committee suggests that the tryouts be held under conditions that conform as nearly as possible to the conditions under which the Olympic events are held. The Olympic committee also has requested that the national steeplechase and decathlon championships and a 10,000-meter walk be considered in the final tryouts for the Olympic team.
