

Notre Dame Football Squad Leaves Today for Clash With Nebraska Saturday

ROCKNE TAKING STRONG SQUAD TO MEET HUSKERS

Irish Hold Final Workout Wednesday Afternoon in Preparation for Crucial Game—Squad of 23 Players to Make Trip.

Notre Dame's hopes for another successful football season will embark over the New York Central at 2:50 o'clock this afternoon in company of the 23 husky athletes Coach Rockne has picked to carry the Gold and Blue colors on the field at Lincoln, Neb., Saturday in the clash with the Nebraska Cornhuskers, always the bitterest rivals and most feared foes of the Irish.

The final workout before the game, barring a short signal drill Friday at Lincoln, was held at Carter field Wednesday afternoon when Rockne and Halpern put their charges through two hours of driving preparation. The Nebraska tactics, so far as Notre Dame scouts have been able to gather them, have been used by the freshmen in their scrimmages with the varsity for a week and Rockne will leave with a squad well versed in the mode of attack and defense they may expect to meet at Lincoln.

Two men for every position are included in squad which leaves today. The men selected for the trip are: E. Anderson, Kiley, Hayes and Prokup, ends; Capt. Coughlin, Garvey, Voss, tackles; Smith, H. Anderson, Dooley, DeGree, guards; Larson and Mehre, centers; Brandy and Graff, quarterbacks; Glipp, Mohardt, Dan Coughlin and Barry, halfbacks; Phelan and Castner, fullbacks; and Walsh who can fill in at either half back or fullback. Coach Rockne, Morris Starrett, assistant athletic director, newspaper representatives and several Notre Dame and South Bend followers of the team will accompany the squad. Among the latter will be Mike Calton, local cigar merchant who has rooted for Notre Dame on gridirons from Austin, Texas, to New Haven, Conn., and Earl S. Dickens.

Others Have Hard Games While Notre Dame is playing the Cornhuskers her opponents for future weeks will also be clashing with their stiffest opposition so far this season. Valparaiso which plays here on the 23rd will probably dispose of Northwestern college in short order but Purdue, the Army, Indiana and others will meet formidable opponents. Purdue plays Ohio State at Columbus, the Army meets Springfield while Indiana plays Minnesota at Minneapolis.

HOUSE OF DAVID TO PLAY SINGERS HERE

Long-Haired Players From Benton Harbor to Appear in Two Games.

Saturday and Sunday will see the appearance of the most unique baseball team in America at Singer park when the House of David team from Benton Harbor, Mich., comes to South Bend for a two game series with the Singers.

Probably no other aggregation of athletes but excepting any of the big league clubs will attract more attention on the diamond than these stars who carry about the baseball field with whiskers flowing to the breeze and long locks of hair falling below their shoulders. In accordance with the teachings of their religion no male member of the House of David is allowed to interfere with the natural growth of his hair.

Notwithstanding this playing disadvantage the House of David has for several seasons developed a baseball team which has competed successfully with the best independent nines in the central west and which has just returned from a tour of the east in which they met and defeated clubs in New York and Philadelphia composed of Jeff Tereau, Mike Donlin, Helme Zimmerman and other big league stars. Paul Mooney, the pitcher who would not accept of a contract with the Chicago Cubs because he would have to cut his hair, will be on the mound for the visitors in one of the games.

BADIN HALL TEAM TAKES 19-0 GAME

Defeats Day Students and Ties for Lead in N. D. Hall League.

By FRANK WALLACE.

By its 19-0 win over the students residing off the campus Wednesday morning, Badin Hall enters a tie with Brownson for first place in the interhall conference which will be broken when the two teams meet Sunday at Carter field. Playing the same consistent game which defeated South in the Badinities scored one touchdown in the first half and two more in the second.

The Day Dodgers eleven offered a stubborn resistance in the first half until a 30 yard pass from De Gera to Heuther placed the ball on their 10 yard line as the quarter was over. Swift started the second quarter with a rush to the one yard line from where Seifert went over and De Gera kicked goal. In the second half Badin rushed the ball through the line forty yards for the second touchdown, but missed goal. The off-campus students stiffened and by short forwards to Schmitt and end runs by Murray and Walsh were moving steadily down the field until Nicholson intercepted a pass and returned through a broken field for a sensational 60 yard run that ended beneath the goal post. The goal was missed as the final whistle blew.

In a scrimmage with South Bend high school preparatory to the game with Loyola Saturday at Chicago, the Carroll Hall pushed O'Connell, Johnson and Cennel over for touchdowns. The preps are charged with confidence and hope to bring home a win over the Loyola crowd.

PHILADELPHIA, Oct. 13.—Earl Key and Bob Maxin, stars of the University of Pennsylvania track team, Wednesday announced their intention of leaving college. It is said that both will enter business in Chicago.

BALTIMORE MAKES IT FOUR OF FIVE

Hall Again Fails to Win For St. Paul—Orioles Need One More.

ST. PAUL, Minn., Oct. 13.—Baltimore International league champions Wednesday downed St. Paul, title-winners in the American association, 5 to 6 in their minor league championship series. Several demonstrations from fans in protest against umpire decisions marked the contest.

With the three victories registered by Baltimore in the three game series, against one win by the Saints, the Orioles need only one more victory to give them the minor league title. The next contest will be played here Friday.

The Saints used four pitchers, starting their ace, Charlie Hall, who was succeeded by Williams in the seventh. Griner replaced Williams in the next inning and he in turn was succeeded by Foster after the Orioles had charged Griner with using the emery ball. Bentley won the entire distance for Baltimore, winning his third game in the series.

Score in Third.

Singles by Lawry and Holden, and Boone's error gave Baltimore its first two runs in the third; Bishop's double that Haas misjudged, added another in the sixth; a walk, Bentley's single and Boley's double counted two more in the seventh, and Maise's single, Griner's wild pitch, Lawry's single and an infield out brought in the Orioles' final run in the eighth.

The Saints got their first run in the fourth on Hargrave's walk, Hargrave's single and Hargrave's force-out by Berghammer at second. A St. Paul rally in the seventh brought four runs on four hits, including Miller's home run with one on after a walk, two singles and a put-out had counted two runs.

Fans Start Riot. Umpire Stockdale's decision on Lawry first in the eighth, calling him safe, met disapproval from the fans, who hurled cushions at the umpire, delaying the game several minutes. After the game, policemen and Jim Murray, an association umpire, escorted Stockdale from the field while fans showered them with cushions. No one injured.

STRENGTH DEVELOPS ON CHICAGO MARKET

CHICAGO, Oct. 13.—The wheat strength developed in the fresh market Wednesday largely as a result of farmers' agitation for higher prices and owing to word of serious crop conditions in India. The close was nervous 1 1/2 to 2 1/2¢ higher with December \$2.05 1/2 to \$2.10 1/2 and March \$2.05 1/2 to \$2.10 1/2. At first the wheat market had a downward tendency ascribed to the decline in value yesterday in the northwest while the board of trade here was closed. Soon however, renewal of bullish sentiment took a strong hold on many of the traders, and throughout the remainder of the session sellers were at a disadvantage.

Corn and oats averaged higher with wheat. Country offerings were light. English walnuts Thursday, Friday and Saturday, 60 cents a pound. THE PHILA. 9271-16.

CLEVELAND MAKES A GOOD BUY

TRIS SPEAKER.

It was a record price the Cleveland Indian management paid when they gave \$55,000 for Tris Speaker, then star outfielder of the Boston Red Sox. Speaker was looked upon as a good outfielder and nothing more when the deal was made. Even then he was a veteran who, so the experts thought, had only a few more years of usefulness before him. Then he succeeded Lee Fohl last year as manager of the Indians. This season he led the team to the top of the heap, hit around the 400 mark, distinguished himself as the only playing manager in the majors and, lastly, by superior judgement and his own marvelous playing brought the first world championship to Cleveland. One baseball investment that paid a thousand percent.

INDIANS HIT .244 TO DODGERS .200

Eight Cleveland Players Hit Over .300 in World Series Games.

CLEVELAND, O., Oct. 13.—The new world champions outbatted their rivals for the seven-game series .244 to .200. The Indians cracked out 53 hits to Brooklyn's 45. They played an uphill battle for batting honors and when they went into the four-game series on their home grounds they pulled away from their opponents. The American leaguers had eight men batting .300 or better while the National leaguers had only three.

Nunamaker, who was at bat twice during the series cracked out one hit and he finished with a mark of .500. Steve O'Neill, who caught the entire series, with the exception of one at bat, gave way to Chet Thomas, who had a big margin over the rival backstops, being credited with seven hits in 21 times at bat. Two of his hits were doubles. He was tied with Jamieson and Bagby, teammates, and Wheat and Mitchell of Brooklyn, with an average of .333. Wheat was easily the best batter on the Brooklyn team.

Speaker's Hits Long. Speaker led in total bases with 12, the result of eight hits, which included two doubles and a triple. Wheat was close behind the Indians' manager with 11 bases compiled on nine hits, which included a brace of doubles.

Only two home runs were made in the series and these were made by Bagby and Elmer Smith in one game. Cleveland knocked out eight doubles to Brooklyn's five and the Indians were credited with two triples to their rival's one. As a team Cleveland had the edge in total bases with 71 compared to 55 for Brooklyn.

Batting honors between the Johnston brothers went to W. Johnston, first baseman of the Indians. He finished with an average of .273 compared to .214 made by his brother, Jimmie. Each Indian to Receive \$4,404 As Series Share

CLEVELAND, Oct. 13.—Figures for the world's series given out Wednesday by John E. Bruce, secretary of the National commission, show that neither the attendance nor the gate receipts were as great as in last year's contests. They place the 1920 series well toward the top in the records for all years, however. The approximate figures for 1919 and 1920 follow: 1920 1919 Total attendance... 175,727 236,928 (7 games) (6 games) Total receipts... \$304,800 \$722,414 National Commission's share... 56,480 72,241 Both clubs' share... 148,718 194,911 Players' share (from first 5 games) 214,932 260,349 Winning team's share... 96,997 117,157 Losing team's share... 64,465 78,104 Each winning player's share... 4,404 4,882 Each losing player's share... 2,387 2,254 Purse for second and third place teams of each league... 53,770 65,097 The figures are not carried into the odd cents. The National Commission pointed out that the league club officials lost at least \$100,000 because the series did not go nine games, as the Brooklyn club already had sold tickets to that amount for the two unplayed contests and will have to refund the money. Only 1911, 1912, 1917 and 1919 were the attendance figures for the series exceeded, while only in 1919 were the receipts greater than this year. Seventeen world series now have been played in modern baseball and the total attendance was 2,431,579. The total receipts, \$4,766,935.

ANDREWS OFFERS GREB BOUT WITH CARPENTIER

Pittsburger's Match With Smith at Springbrook Looks Like Elimination Affair in Two Classes With Levinsky Eliminated.

By M. F. SCULLY.

This Gunboat Smith-Harry Greb affair at Springbrook park a week from Thursday is going to be a lot more important than just an ordinary match between good heavyweights. From the way the fistie wind is blowing at present it looks as though it is going to be an elimination contest which will have an important bearing on championships of the world.

Just after Floyd Fitzsimmons, Benton Harbor's boxing impresario has agreed to match the winner for a bout with Jack Dempsey in the spring at the Michigan resort along comes Tom Andrews, veteran promoter of Milwaukee with an offer for Greb to meet Georges Carpentier at Milwaukee in the event he disposes of Smith here.

This bit of information was received yesterday from Jim Mason, manager of Greb. Mason's message indicates that Andrews has reached a tentative agreement with Carpentier to meet Greb in Milwaukee either in November or December provided he proves the best man here on the 21st.

Which makes the South Bend match an affair of national importance in fistiana. If Smith wins he can look forward with reasonable certainty to a match with Dempsey. If Greb is best he will be considered the most formidable foe for Carpentier and about as good as could be picked to meet Dempsey although he is a bit light to invade the heavyweight division proper.

Two Others Considered. In any event it looks as if the winner here is in line for a big bout with one of the two champions.

There are few heavyweight contenders to be considered since Carpentier eliminated Levinsky at Jersey City Tuesday night. There are two who come in for some consideration. They are Tony Melchior, the Chicagoan and Harry Willis, the dark cloud in the fistie sky. Melchior however must meet several other second raters before he can force a match with champions and Willis may or may not be considered. The views of the two respective champions regarding the color line will decide that.

STUTZ MAKES PERFECT MARK AT STATE SHOOT

INDIANAPOLIS, Ind., Oct. 13.—Harry Stutz, Indianapolis, ran up the highest score in the registered shoot at the Indianapolis gun club here today. Stutz broke 150 targets out of 250 attempts in the face of a strong wind which handicapped today's participants in the matches. His exhibition is said to be one of the best ever made on the local course.

C. D. McLary of Hammond, took second place breaking 149 out of 150, while C. A. Bogart was third with 146. C. P. Coburn and Art Risner were tied for fourth and fifth with 145.
