PEP SOARS AT HIGH WEDNESDAY MORNING

One of the peppest assemblies of the year was held Wednesday morning in the high school for the purpose of raising pep for the football game Saturday. Dubois, the first speaker for the Boosters' club, carried a huge sign bearing the words: "We Want Pep." He urged the students of the school to show more hospitality to the visiting teams and to meet the trains instead of relying on the home team. A Boosters' committee composed of three members of each class and three interclass staff members will have charge of the pep parade Friday afternoon. The parade will leave the high school building at 3:30 o'clock in class formation with the freshmen leading. Yell leaders LaPier and and Siekmund brought enthusiastic response from the student body, and a new yell by C. C. Miller promises to be most popular.

"They gave us the ball and we went. They blew the whistle and we stopped and the score was 7-0," said Butch Strickler when he was called to the stage to give his report on the Warsaw game. Captain Zuber seemed to find difficulty in lifting his eyes from the floor but he echoed Strickler's sentiments and said "that's about all" in the Sing-Song which followed the talks an outpouring of enthusiasm showed that the talks had some effect.

Several selections on the harp-mandolin by C. C. Miller, accompanied by Miss Lareh, were a special feature of the program.

Announcement was made that the emergency room is open for use. The boys' debating club will meet Wednesday, Oct. 20.

Principal McCowan announces that the enrollment in the high school passed the 1,300 mark Tuesday.

RED CROSS AIDED 7,000,000 MEN

Did Great Work at Home and Abroad During the War.

WASHINGTON, Oct. 13.—The American Red Cross gave aid to the country's fighting men or their families at home in 7,000,000 cases from the entrance of the United States into the war until last June. The cost was about \$10,000,000. These facts are shown in a statement issued by that organization today. The Red Cross also describes how it is continuing in peace time to aid the world war veterans.

The article is the first of a series based on the forthcoming annual report of the Red Cross and is intended to show what has been done with the funds given by its 10,000,000 adult and 14,000,000 junior members throughout the country.

Great Fighting Machine.

The signing of the Armistice and the demobilization of the country's great fighting machine did not end the work of the Red Cross, the announcement detailing the new work begun at the request of the War and Navy departments. In addition to the varied assistance given during the last year to former service men, the announcement shows that Red Cross workers were kept at 200 military and naval stations, including 50 outposts along the Mexican border, to look after the welfare of the men.

"Through Red Cross Home Service Sections," said the announcement, "thousands of those who other wise would have been 'lost men' were placed in touch with governmental agencies that could aid them. The organization also maintained workers in hospitals, furnished recreation facilities and supplies for occupational therapy, in addition to making loans to patients out of funds because of government compensation checks going astray."

Veterans Give Aid.

Among the families of the veterans aid was given to thousands monthly, the cases for December 1919 numbering 34,105 and for June this year, 15,841. During the intervening period the army decreased its size by three-fourths while the Red Cross Home Service declined little more than one-half.

Hundreds of motion picture and other entertainments at hospitals and camps were largely attended, in December the total attendance being 158,483 and that for June being \$2,178. Delivered \$1,000,000 of Liberty bonds bought by men while in service also was effected through the Red Cross during the year, there being 15,000 bonds distributed by it for the government. In 283,559 cases of allotment and allowance of War Risk Insurance, the Red Cross was instrumental in securing settlements for the veterans' families. It also prosecuted 50,000 compensation and insurance claims.

Let Cuticura Be Your Beauty Doctor

Soothes, cleanses, cures, everywhere. For eczema, itching, dandruff, etc. Address: Cuticura Laboratories, Dept. A. E. M. Co., Boston, Mass.

KEMP'S BALSAM

WHI THOUT THAT COUGH

EGG coughed for an hour after bedtime until Mother thought of Kemp's Balsam. A half teaspoonful quickly relieved the irritation, after which she soon went to sleep.

SCOUT QUESTIONNAIRE

Isn't Scouting too expensive for boys and parents? It costs less than any other boys' program. A uniform is not compulsory — but Scout clothes are much cheaper than citizens' clothes. Why doesn't the Council give uniforms and outings to Scouts?

Because it is part of a Scout's training to earn these things. Boys have too much pampering. Will you take care of the poor boys? Yes. In a way that will not pamper them. Isn't Scouting a rich man's game? Not at all. Nearly all troops are composed of privileged and unprivileged boys. No favorites known. Why does the American Legion endorse Scouting? Their goal is Americanization. Boy Scouts offer them their greatest opportunity. Why have all the great church denominations endorsed Scouting? Because Scouting interests, helps and holds boys. The program is non-sectarian. Does the U. S. government endorse Scouting? The U. S. A. is the only boys' organization chartered by the government.

SCHOOL SPORTS

Simple Signals Best.

"The simplest set of football signals is the best," says T. E. Jones, director of athletics in the University of Wisconsin. A simple kind, not easy to detect, is to give each play a number and let the sum of the first two digits be the number of the play. Thus, if it be play 14 may be called by 86-41-34-78, by 9-3-7-3-2-9, or by 77-61-34-32.

Of course all the other numbers given are merely hints to cover up the ones really important.

The Best Sort of Detective.

Dorsey Rebo—My father must have been up to all sorts of mischief when he was a boy.

Harold Banks—Why?

Dorsey—Because he knows exactly what questions to ask me when he wants to know what I have been doing.

Rats Must be Killed

To help prevent the spread of disease KILL THEM TO-DAY

By Using The Genuine

Stearns' Electric Paste

the guaranteed exterminator for Rats, Mice, Cockroaches, Ants and Water Bugs, the greatest known destroyers of food supplies and property. It creates a desire in these pests to run from the building for water and fresh air, dying outside in a few moments.

Ready for use. Money back if it fails. Better than vapor. Directed in 15 languages in every box. 2 oz. Box 85c; 15 oz. Box \$1.50. Should be enough to kill from 50 to 600 Rats.

U. S. Government buys it.

SAY "DIAMOND DYES"

Don't streak or ruin your material in a poor dye. Insist on "Diamond Dyes." Easy directions in every package.

GIRLS! MAKE A LEMON BLEACH

Lemons Whiten and Double Beauty of the Skin

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White which can be had at any drug store, shake well and you have a quartet pint of harmless and delightful lemon bleach for a few cents.

Massage this sweetly fragrant lotion into the face, neck, arms and hands each day, then shortly note the beauty of your skin.

Famous stage beauties use lemon juice to bleach and bring that soft, clear, rosy-white complexion. Lemons have always been used as a freckle, sunburn and tan remover. Make this up and try it.

Why Stay Fat?

The answer of most fat people is that exercise and dieting is too hard, too troublesome and too dangerous a method to force the weight down. However, in Marmola Prescription Tablets, all these difficulties are overcome. They are absolutely harmless, entail no dieting or violent exercise, and have the added advantage of cheapness. One little tablet after each meal and at bedtime—as pleasant to eat as candy—will reduce your weight two, three or four pounds a week, and leave no bad results such as wrinkles or flabby skin. A good size box is sold by druggists at the reasonable price of one dollar, or if preferable they may be obtained by sending the amount to the Marmola Co., 24 Central Building, Detroit, Mich. They will reach you by mail, prepaid, in plain, sealed cover.

Now that you know this you have no excuse for being too fat, but can reduce two, three or four pounds a week without fear of bad after-effects.

GIRL'S RIFLE MAKES 484 IN 500 SHOTS

Marjorie K. Kinder, 15-year-old high school girl of Bridgeport, O., is the youngest girl who ever held the national indoor rifle championship.

She hit the target 484 out of 500 times in the recent American Home Ranges Record Match, held at Camp Perry, Ohio.

In the 30-yard match she scored 91 out of 100; in the 100-yard range, 96 out of 100.

GIRLHOOD DAYS OF FAMOUS WOMEN

Marla Mitchell. "Come, Marla, and look through the telescope," called Mr. Mitchell to his small daughter. "Oh, father, isn't it lovely?" exclaimed Marla after she had looked at a total eclipse of the sun at Nantucket.

"When I get big I'm going to find lots of new stars and write a book all about them," announced Marla. At the age of 29 years Marla did find a "New Star," and she was given a good medal by the King of Denmark.

Marla Mitchell (1818-1889) became professor of astronomy and director of the observatory at Vassar college.

CORRIDOR GOSSIP

Seven Freshman damsels sitting on a carpenter's box in the balcony during the Wednesday morning assembly departed so hurriedly under the fixed stare of the principal that two of them rolled down the steps in their wild retreat.

TRY SULPHUR ON AN ECZEMA SKIN

Costs Little and Overcomes Trouble Almost Over Night.

Any breaking out of the skin, even fiery itching eczema, can be quickly overcome by applying Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. Sufferers from skin trouble should obtain a small jar of Mentho-Sulphur from any good druggist and use it like cold cream.

German Labor Committee Does Not Favor Seizing Coal Fields

BERLIN, Oct. 13.—The Socialization committee appointed by the government, comprising 31 leaders of the industrial labor world and economic experts, has reported by a majority of one, that it is opposed to the immediate seizure of the nation's coal fields.

The commission was divided into two groups, the smaller of which demanded the nationalization of the entire production and distribution of coal. This group supports the findings of the first commission, which has since been disbanded, but whose majority recommended immediate confiscation.

Eleven members of the newly organized commission endorsed Walter Rathenau's proposal to give the state absolute control over every ounce of coal produced, thus depriving the operators of any voice in determining the method of disposing of their product or fixing its price. The output of the mines would be taken over by an imperial coal council, which would have authority to fix the prices and reimburse the operators.

Eliminate Gains.

The commission was unanimous in favor of "far-reaching elimination of capitalistic gains from coal production." The majority of the commission was also convinced of the desirability of withdrawing the nation's coal assets from private ownership, but it was divided over the method by which this is to be achieved.

Rathenau's plan, which was given a small majority of support, provides for the indemnification of the

operators for the use of their plants, payment of interest on invested capital, allowances for wear and tear and new equipment and fixed interest for actual capital required for operations.

Favor Bonus.

The commission also favored allowing workers fixed bonus premiums for increased production and social welfare institutions, but also suggested penalties in the nature of deductions for decreased output due to the fault of the workers.

The majority group pointed out that if its recommendations were put into effect the operator would at once be deprived of the opportunity of juggling prices, as he would no longer be able to market the coal himself.

The majority of the commission designated the present provisional procedure which will logically terminate in complete socialization not later than 30 years, assuming that the ultimate confiscation is fully warranted by the progress of economic developments.

CASCARETS

"They Work while you Sleep"

"They Work While You Sleep." Liven up! Your system is full of liver and bowel poisons which keep you headachy, constipated, bilious, half-sick, and unstrung. Take Cascarets tonight! Wake up feeling like a "live wire" with your stomach regular, cold gone, and a clear head, rosy skin and sweet disposition. No gripping—no inconvenience. Children love Cascarets too. 10, 25, 50 cents.

Women of Middle Age

Owing to modern methods of living not one woman in a thousand approaches this perfectly natural change in her life without experiencing a train of very annoying and sometimes painful symptoms. Those dreadful hot flashes, smothering spells, fainting spells, nervous troubles and irregularities are symptoms that should have prompt attention. These two letters prove what a successful remedy Lydia E. Pinkham's Vegetable Compound is for women at this time of life.

These Two Women Helped During Change of Life.

Taunton, Mass.—"I could not eat or sleep for six months, had fainting spells and could not walk without help for three months, caused by female trouble. My cousin, who was a doctor, told me to take Lydia E. Pinkham's Vegetable Compound and it helped me greatly. Then during the Change of Life I used the same remedy. I am seventy years old now and am able to do my own housework and walk one mile to church every Sunday morning and evening. I am recommending the Vegetable Compound to my friends having the same troubles as I had. Your remedy is the best on earth. I cannot find words to express my gratitude for it."—Mrs. SUSAN C. STAPLES, 157 B School St., Taunton, Mass.

Philadelphia, Pa.—"I want to let you know what good Lydia E. Pinkham's Vegetable Compound has done me. I had organic troubles and am going through the Change of Life. I was taken with a pain in my side and a bad headache. I could not lie down, could not eat or sleep. I suffered something terrible and the doctor's medicine did me no good at all—my pains got worse instead of better. I began taking the Vegetable Compound and felt a change from the first. Now I feel fine and advise any one going through the Change of Life to try it, for it cured me after I had given up all hopes of getting better. I will tell any one who writes to me the good it has done me."—Mrs. MARGARET DANZ, 743 N. 25th St., Philadelphia, Pa.
