MICHIGAN WATCHES TRIANGULAR RACE FOR SENATORSHIP

Sen. Townsend, Present Incumbent, Is Opposed by Kelley and Emery.

DETROIT, Mich., July 18.—With the certainty that the proposed amendment to the state constitution, requiring all children of school age to attend the public schools, will not be submitted to the state voters at the November election, interest in the primary campaign now centers in the three-cornered republican race for United States senator.

The proposed amendment, known as the anti-patrol school measure, was withheld for the election next spring. This measure was expected to vie with the senatorial race for interest throughout the state.

Three Candidates
The three candidates seeking the nomination on September 12 are United States Sen. Charles E. Townsend, long a Michigan representative in the upper house at Washington; Congressman Patrick H. Kelley, of Lansing, and Maj. John G. Emery, of Grand Rapids, former national commander of the American Legion.

No democratic aspirant yet has entered the race, but the party strongly has urged former Gov. Woodbridge N. Ferris, one of the few democrats in the history of the state to become governor, to take up the fight. The invitation to the former governor was extended some time ago at a

convention of the party in Grand Rapids.

The republican senatorial fight will be one of the greatest political battles in the history of the state that saw the birth of the party, in the opinion of Michigan politicians. The issues are clearly defined but the one most often heard arises from the charges brought against Sen. Truman H. Newberry, junior senator of Michigan, with respect to campaign expenses. Sen. Townsend's opponents, particularly Congressman Kelley, are assailing the senator because he championed the cause of Sen. Newberry on the floor of the senate.

Seeks Re-nomination
Sen. Townsend is seeking re-nomination on his senatorial record that includes sponsoring of the lake-to-ocean water-way, a movement he is credited as having instigated.

Maj. Emery, war veteran and former business man of Grand Rapids, is seeking support among the former service men. He served as head of the American Legion following the death of Commander Frederick Galbreath and came into national prominence.

Believing that the eyes of the nation will be on Michigan in September to an extent not approached in any other state this year, politicians in the state are anticipating a memorable political fight for the senatorial tags. Each of the three candidates hopes to go into every county in the state during the campaign.

STATE PUTS WARNING SIGNS AT CROSSINGS

INDIANAPOLIS, July 18.—Approximately 5,000 of the 7,000 railroad crossings of the state now have warning signs placed within 100 yards of the tracks on either side of the approach, according to L. C. Loughry, secretary of the Indiana Public Service commission.

A law putting the erection of warning signs at crossings under the supervision of the public service commission became effective on June 1, 1921. Mr. Loughry said that while he had no definite information, he understood the work of posting each crossing was progressing satisfactorily throughout the state, and that the work was about three-fourths completed.

Under the law, 7,000 crossings in Indiana must be properly marked by Dec. 1, 1922. The cost of the signs is prorated among the 92 counties of the state, each paying for the number of signs they use, it was said. The actual installation is done by the railroads, which also pay for the transportation.

The 14,000 signs were made at the state prison at Michigan City at a cost, it was said, of about \$9 each.

**Father Guendling Retiring
From Pastorate to Perú**
PERU, July 18.—The Very Rev. Father John H. Guendling, 67, for 20 years irremovable pastor of St. Charles Catholic church here, will become pastor emeritus of the local church August 2, when he will be succeeded in the active pastorate by the Rev. Father John M. Schmitz, formerly pastor of St. Mary's church at Union City.

The change is made by the Rt. Rev. Bishop Herman J. Alerding, of the Fort Wayne diocese, because of the poor health and advanced age of the Rev. Father Guendling.

Father Guendling, formerly was rector of the Cathedral of the Immaculate Conception, Fort Wayne, and was ordained to the priesthood more than 40 years ago. For 18 years he was superintendent of St. Joseph's orphanage for boys, located at Lafayette.

He was born in Peru, Dec. 19, 1855, and entered St. Mary's seminary, Cincinnati, in 1870. Later he was sent to the North American college, Rome, Italy, returning in 1878 to enter the Sulpician seminary at Baltimore, Md., where he completed his theological course.

In 1891 he was made vicar-general by the Rt. Rev. Rademacher, then bishop of the Fort Wayne diocese, which office he retained until 1900. During the illness of Bishop Rademacher in 1900, he served as administrator of the Fort Wayne diocese. He came to Peru in 1902 as irremovable pastor of St. Charles church, during which time he also has been a diocesan consultor.

**State Board Charges Short
Weighing by Stone Company**

INDIANAPOLIS, Ind., July 18.—Representatives of the Kokomo Stone Co. declined Tuesday to discuss with the state board of accounts the charge of \$18,747 made against the company by the board's examiner for alleged short weighing of stone furnished Grant county. Authority of the accounts board to hold the hearing which had been set for Tuesday was questioned by the stone company and the admission was made by Jesse Eschbach, chief examiner that the board had no power to make a finding in the case. The charges made against the company will be certified to the attorney general for legal action.

L. B. Hodgin, president of the stone company, expressed the opinion that Mr. Eschbach had arranged the conference as a subterfuge to obtain evidence which might be used against the company. Mr. Hodgin said the chief examiner had written him that a hearing would be held Tuesday in the governor's office.
