It made the operation of the surgeon both difficult and delicate. It is supposed the child fell on the pin while playing, as it is dis- covered how otherwise the pin have been broken and driven to a depth.

### FOREST KING

(3.) 2:18

The great trotting stallion, Forest King, owned by McHaffie of the Forest Stock Farm, 11 miles east of Greencastle on the ... Road, will serve a few mares this fall during the Fall Sea- son.

Forest King has a three year old record of 2:08 1/2 over a half mile track. He is prob- ably the greatest trotting stallion of his age living.

Great things are ex- pected of this horse in the next few years. He has been raced this year but has been kept in training. All judges of trotting horses who have seen this colt have pre- dicted that in his six-year-old form he will be a world beater.

Those having mares to be bred this fall should notify McHaffie at once.
