### SPEEDWAY OPENS NEW WATER SYSTEM

Speedway opened its new water system on last Thursday morning at 10:00 o'clock.

A new tank, with a capacity of 150,000 gallons, has been built on the west edge of town. This tank is filled by pumps from deep wells. It takes five hours to fill the tank.

This new water system will supply water to the entire town, the Speedway industries, and the race track and golf course. Again Speedway takes the lead. Our municipal water system will prove a great boon to a town that is already the "BIGGEST LITTLE TOWN" in Indiana.

Until the present time there have been twelve additions to the church during our meetings; these new members are: Mr. & Mrs. W. Henderson, Mr. & Mrs. Chas. Turner, Mr. & Mrs. C. Kelly, Mrs. W.T. Houk, Warren Strebe, Booth Scholl, Josephine Kennedy, Mrs. Mattox, and Harold Lyons. We are glad to welcome these new members which adds to the 37 additions which we had during 1931.
