SPRING PAPER SALE WEDNESDAY, APRIL 24

"LEPRECHAUNS INVADE SPEEDWAY"

"Finian's Rainbow," the "humorous musical fantasy" and comical mixture of rousing and romantic songs that delighted New York audiences for 91 weeks in 1947 and 1948, will bring its pot of gold, its leprechaun and its collection of famous song-hits to the Speedway High School Auditorium. Two night performances will begin on Friday, May 10, and end on Saturday, May 11, with Tom Burnett and Debbie Medenwald in the starring roles of its fey Irishman and his lovely daughter from Glacca Morra. Tom Burnett will appear as the genial Finian McLonergan who filches a pot of gold from the leprechauns of his native Emerald Isle and brings it to America with the idea of burying it somewhere and thereby letting it increase, because he has heard that Americans bury their gold at Fort Knox and it thereby mysteriously multiplies.

He chooses for his burying-ground a spot in the state of Mississippi, inhabited by poor tenant farmers, on land coveted by a bigoted politician named Senator Billboard Rawkins, and he finds that he has been followed to this rural area by a

pixyish representative of the pillered leprechauns who want their pot of gold back.

These circumstances lead to a number of fanciful and amusing situations — among others one in which the poor farmers can sing of their having reached the "Great Come-and-Get-It Day" because the very rumor of gold on their property establishes their credit and permits them to buy everything they want. This gives them the chance to sing another famous choral number from the show—"When the Idle Poor Become the Idle Rich."

The most exultant songs of "Finian's Rainbow, known to all listeners to radio since the show was first produced, are "If This Isn't Love" and "This Time of Year." "How Are Things in Glacca Morra?" and "Old Devil Moon" are haunting songs with a combination of romantic Irish and American sentiment, "Necessity" is a tuneful song with a touch of blues added.

Preston Sinks will sing two other popular numbers of the show, "Something Sort of Grandish" and "When I'm Not Near the Girl I Love," in his role of the pursuing leprechaun, who decides when he falls in love with a girl who is mortal, that he will become mortal, too, and a naturalized American. Others in the

leading roles will be Scott McClelland, Mike Potter, Nancy Casady, Jenny Sauer, Bob Harbin, Denny Smith, and Roger Noonan, supported by a large chorus of singers and dancers. Karin Kyle and Doug Rosebrock are the student directors for the production. The story of "Finian's Rainbow" has been written by E. Y. Harburg, and the song lyrics are by Harburg to music by Burton Lane. The show was revived in New York in the spring of 1955, it was adjudged by critics and audiences to be as fresh as it

had been when it first scored its Broadway hit. In its production at the Speedway High School Auditorium, "Finian's Rainbow" dances are being staged by Mr. Richard Camack, its scenery is being designed by Mr. Don Johnson, and its musical direction is to be by Mr. Charles Horoho and Mr. Robert Wise.

BOOK DRIVE

(Continued from page one)

Square complex for all the books and magazines to be collected in this drive. Without Mr. Atkinson's generous offer the Scouts could not have conducted this drive as there was no more storage space available. The Town Board has permitted the storage of books at Town Hall but that space has all been used. Likewise the School Board has generously permitted the high school to be used for all the new books now arriving but that space too is limited. The Speedway Scout Troops and the Library Board are indeed very grateful to Mr. Atkinson for his offer of storage space.

The book drive will start at 8:30 A.M. Saturday. All Scouts in Speedway are reminded to be at the 1st Bank & Trust parking lot, corner of 136 and Lynhurst, promptly to join the team which you will be assigned at that time.

The town has been divided into 4 districts for the convenience of those people who know they will not be home on Saturday and wish to donate some books or

magazines. Please call your district captain to arrange for special pickup service. The districts and phone numbers are as follows:

District No. 1 — 136 South to 10th Street and east side of Lynhurst to Main Street. Phone 241-7564.

District No. 2 — 136 South to 10th Street, West side of Lynhurst including all of Cunningham Park addition. Phone 241-5004.

District No. 3 — North of 136 to 25th Street, East side of Lynhurst to Georgetown Road. Phone 243-6847.

District No. 4 — North of 25th Street, west of Lynhurst to High School Road, includes all of Meadowood and Parkview. Phone 243-0083.

Please use these phone numbers only if you will not be home on Saturday and do have books to donate. For any information not contained in this article please call 293-0083 before Saturday.

There will be over 100 Scouts and Adult Scout Leaders taking part in this drive. They are to be commended for their pride and interest in the community and their desire to do a project which can be of benefit to everyone in this community.
