A general attendance of every man in favor of the Union and the Constitution and opposed to the establishment of a despotism is respectfully requested. Come one! come all!

Religious.—Rev. ARA HOLLINGSWORTH will preach at Concert Hall next Friday evening at early lamp lighting.

Bally! Rally!
There will be a meeting of the Democracy at M. Kinney's School House in the "Shen" on Saturday next, at 8 o'clock, p. m. A general turn out is requested.

By order of
COMMITTEE.

NEW ESTABLISHMENT.—The Boot & Shoe, Hat & Cap business has been rather poorly represented in our city since John M. Blair quit it, in 1861, that is, there has been no establishment devoted exclusively to this business—our merchants all keeping a small stock but making this branch a kind of auxiliary instead of a specialty. This has been remedied, Mr. Geo. W. KIRK, who was with Mr. Blair during the time he was in the business, and noted for his obliging and courteous attention to customers, has recently opened out an entire new and varied assortment of goods in this line in the new frame building just East of Gorge's Hardware Store, where he will be pleased to greet his former friends and customers, and the community in general, and supply them with articles in this line of a superior quality and at low prices as can be obtained elsewhere in the country.

SPRING.—The indications now are that Spring is upon us. We were visited with a copious and refreshing shower of rain on Monday, accompanied by lightning and fair specimens of thunder, the first of the season. The revivifying effects of the shower were apparent the next morning in the verdant and fresh appearance of the earth. The present month has been one of unusual disagreeableness, the cold intense and the wind high and peering, apparently insinuating itself into the very marrow of your bones.

PICTURES.—John Morrison at his Periodical Depot, has just received a large stock of Steel Plate and colored Pictures, especially adapted for framing. There is no finer or more interesting ornament for a room. He also has a large assortment of Photographs of the most prominent men in the United States, both military and civil, very appropriate ornaments for a Centra table. Those desiring to purchase should call soon as they are going off like hot cakes.

ERRATA.—In speaking of the proposed exhibition by the Jeffersonian Literary Society last week, we put it on the 13th and 14th—it should have been 14th and 15th of April. Every exertion is being made by the members of the Society to present a rare and novel entertainment.

Little, No. 2 Ray House, is just in receipt of an entire new stock of seasonable goods, rich and elegant, comprising every article in the line of dress and domestic goods, to which he invites the attention of the community, assuring them good bargains and superior goods. Give him a call.

Among the returned veterans we were pleased to greet Capt. John Maize, of Co. G, 33d Reg. It will be remembered that Mr. Maize went out as first Lieutenant in Capt. M. Crea's Company, from this county. On the death of Capt. Dillie, from Bartholomew county he was elected Captain of that company. He is looking well and hearty.

RETURN OF THE 33d.—The members of the 33d Regiment from this county returned on Tuesday last, having re-enlisted as veterans. Those of the boys whom we have seen are looking well and hearty, as if campaigning agreed with them.

SPRING STYLE.—Every body will want a new hat directly, one that is both nice and fashionable. BARRBERGER'S, Indianapolis, is the place to get it. His stock is always large and of a superior quality—in fact he keeps no poor goods.

We were pleased to receive a call from Lt. WILLIAM H. BOONE, 33d Regiment, on yesterday, one of the numerous members of the Art preserve: who have abandoned the shooting stick for the shooting iron, and gone forth to do duty on the tented field. Lt. Boone entered the service a private and for meritorious conduct was chosen by his comrades in arms to don a pair of epaulettes.

GRAND EXHIBITION.—Prof. Herr Imhoff the American Wizard and Ventriloquist, celebrated through this country and Europe, a pupil of the World renowned Wizard, McAllister will give one of his wonderful and awe inspiring entertainments at Concert Hall on Wednesday evening next. In addition to his surprising feats of legerdemain, ventriloquism, &c., he will give a performance on a slack wire, on which he will seat himself on a chair, lie down and turn over.

REMOVAL.—We last week neglected to mention that Wm. J. WINGATE had removed his stock of Stores, Tin Ware, &c., to Gorge's new building, directly opposite his former location, where he purposes keeping a larger and more complete assortment of goods in his line than heretofore, and selling the same at prices that will enable all to buy. See advertisement.
