FOR THE FACE.

2 DOZ. Oriental Powder of Alabaster, 2 " Rose Toilet Powder, just received and for sale by TOMLINSON BROTHERS. aug 11

PETERS' PILLS;

Or, really, Health compared with 25 or 50 Cents. We know that these Pills of Peters', are eminently the best vegetable anti-bilious Pills in use—we can also prove this and from it will not depart—who does not know it? A cloud of witnesses are before you and the world, too numerous—too intelligent—restless, speaking what they do know, and testifying what they have seen and experienced. Without exception, in any age or country, no medicine has spread with such rapidity and given such universal satisfaction—they are in general use throughout the American continent and elsewhere—and their restlessness power and innocence proclaim them one of the happiest discoveries of modern days, and an inestimable public blessing. They are simple in their preparation, mild and kind in their action, thorough in their operation, and unrivalled in their results. The town and country are alike filled with their praise. The palace and poor-house alike echo with their virtues—under all climates—and all temperatures, they will retain their wonderful powers, and exert them unaltered by age or situation: and this the voice of a grateful community proclaim. They will cure Bilious Fever, Fever and Ague, Dyspepsia, Liver Complaints, Sick Headache, Jaundice, Asthma, Dropsy, Rheumatism, Enlargement of the Spleen, Piles, Colic, Female Obstructions, Heartburn, Purged Tongue, Nausea, Distension of the Stomach and Bowels, Inclined Diarrhoea, Flatulence, Habitual Constiveness, Loss of Appetite, Bloated or Sallow Complexion, and in all cases of Torpor of the Bowels, where a cathartic or aperient is indicated—producing neither nausea, griping, nor debility, and are the scientific compound of a regular physician who has made his profession the study of his life. Dr. Peters was bred to the healing art—he is a graduate of Yale College, and the Medical College of Berkshire, Mass., diplomas from both of which hang in his office, Liberty street, N. Y. also the American Institute honored him with three premiums for his inimitable skill and perfection, in generalizing and manufacturing medicines, and the Medical Society of New York have recognized Peters' Pills with their sanction and individual patronage. Dr. Peters formerly practiced in the marshy district South, where agues, fevers, and yellow-jack, grow out of a morbid state of the bile, and here it was Peters' Pills originated for the benefit of mankind. Some very quacks tell you their nostrums will cure every thing. I would as leave swallow them, prescriptions, wrappers and all, as a tale so absurd. Peters' Pills work no such miracles—although I take them and derive more real benefit in one box than in fifty dollars laid out in any former way—and I would exchange them for none. The care with which every box of pills is put up under Dr. Peters' own inspection—their adaptation to every variety of ills where cathartics are indicated—three or four is a common dose; hence the patient is not compelled to make a meal of them. Only read what they have done; we mean if any are yet unacquainted with their power and efficacy, please to call on the agents, and see a pamphlet published by Dr. Peters, where they are recommended by such persons as will inspire confidence. The subscribers, also, having found by the past years' experience, that it is really what is recommended to be, have obtained a fresh supply from Dr. Peters, for wholesaling, &c. at his prices. Inquire for Peters' Vegetable Pills—Price 25 or 50 cents. The restlessness force of such truths—their universal reception—added to the testimony of millions, "keep it before the people," must and will be heard throughout this vale of tears.

The King of terrors looked awfully, As though his soul was turned to bile, At that unparagoned scourge of pills, By all men known as Peters' Pills. These Pills of Peters' stop the slaughter, And leave the blood as pure as water. Now Peter makes, I've heard him say, Five hundred thousand Pills a day; So that the chance is very small, Of people dying there at all. For soon the cheeks so marked for doom, Begin like any rose to bloom.

March 5-15 D. L. KING, Agent. 10,000 boxes for sale wholesale and retail, by SCUDDER & HANNAMAN, TOMLINSON BROTHERS, CRAIGHEAD & BRANDON, & BLAIR, DANIEL KING, Indianapolis; FROST & SLOUGHBERG, Noblesville; COTTINGHAM & COMBS, Strawtown; BLACKLOCK & BIRD, CALVERT & HAWN, Andersonstown; MAKEPEACE & SMITH, Chesterfield; JOSEPH BOWMAN, Yorktown; RUSSELL & JACK, DE ANTHONY, WILLIAMS & ROSS, Muncielown; GOODRICH & CO. and M. BAKER, Winchester; Dr. J. W. APPLETON, Bridgeport; W. J. MATLOCK, and CRAWFORD, VORLES & CO. Danville; W. J. UNGLER, and S. G. MOORE, Belleville; T. J. MATLOCK, Stillwell; W. M. & J. THORNBURG, and ALISON & ROBINSON, Greencastle; JAMES RICHET, Franklin; JOHN F. KING, Terre Haute. And throughout this State and the Union.

AGUE! AGUE! AGUE!!!

No cure no pay.

CLEMENS & BAKER'S celebrated Black Tonic Pills, A certain cure for FEVER & AGUE.

Warranted to cure or the Money refunded. This unparalleled success which has attended the use of these Pills wherever they have been introduced, enables us with confidence to offer them to the public as an infallible remedy for FEVER AND AGUE. And as we have never yet heard of their failing to cure in a single case, we have such confidence in their efficacy, that we hereby authorize our agents to refund the price of them in every instance of failure, provided satisfactory evidence is given that the directions for their use has been complied with.

These pills contain no mineral or poisonous ingredient, nor any thing in the least injurious to the human system, but are a vegetable preparation, and may be given to infants or persons of the most delicate constitution, with perfect safety, and are of so bracing and strengthening a nature, that they restore a lost appetite, strengthen the digestive organs, and invigorate the whole system; and are consequently one of the best remedies known for dyspepsia, liver complaint, jaundice, and general debility.

No person, living in a section of country where intermittent fevers prevail, should ever be without a box of the TONIC PILLS, and whenever the premonitory symptoms appear, by taking one pill every morning or oftener, the disease will in most cases be arrested.

To travelers also, they cannot be too highly recommended, as they are neatly put up, and can be carried in the pocket without inconvenience, having in this respect the advantage over all the liquid Tonics, which are not only bulky and liable to breakage, but being generally watery solutions, will not stand the cold.—The Tonic Pills contain all the virtues of the best of them.

Our advice to every body is, Go and buy a box of Clemens & Baker's Black Tonic Pills, which may be had of the following agents.

J. R. Wilcox, Druggist; Evansville, Indiana. W. & C. Bell, do. do. R. Wallace & Co., Merchants, Carlisle, do. J. B. Colwell & Co., Druggists, Vincennes, do. Patrick & Wood, do. Terre Haute, do. J. F. GOLD LEAF.

6 PACKS GOLD LEAF. For sale by CRAIGHEAD & BRANDON. July 11

Moffat's Vegetable Life Medicines.

THESE Medicines are indebted for their name to their manifest and sensible action in purifying the springs and channels of life, and enduing them with renewed tone and vigor, and to the undoubted fact that in a very early period in their history they had rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day, prescribed by physicians, had utterly failed, in which cases they also permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great indeed had their efficacy invariably proved, that it was scarcely less than miraculous to those who were unacquainted with the beautifully philosophical principle upon which they are compounded, and upon which they consequently act.

THE PHENIX BITTERS are so called, because they possess the power of restoring the expiring embers of health, to a glowing vigor throughout the constitution, as the Phoenix is said to be restored to life from the ashes of its own dissolution. The Phoenix Bitters are entirely vegetable, composed of roots found only in certain parts of the western country, which will infallibly cure FEVERS AND AGUES of all kinds; will never fail to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla, and will immediately cure the determination of BLOOD TO THE HEAD; never fail in the sickness incident to young females; and will be found a certain remedy in all cases of nervous debility and weakness of the most impaired constitutions. As a remedy for Chronic and Inflammatory Rheumatism, the efficacy of the Phoenix Bitters will be demonstrated by the use of a single bottle.

The proprietor rejoices in the opportunity afforded by the universal diffusion of the press, for placing the Vegetable Life Medicines within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, which boast of vegetable ingredients, the Life Pills are purely and solely VEGETABLE, and contain neither Mercury, Antimony, Arsenic, nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels, the various impurities and erudities constantly settling around them; and to remove the hardened feces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind as to produce habitual constiveness, with all its train of evils, or sudden diarrhoea, with its imminent dangers. This fact is well known to all regular anatomists, who examine the human bowels after death; and hence the prejudice of these well informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE PILLS is to cleanse the kidneys and the bladder, and by this means, the liver and the lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and the lungs before it passes into the heart, being thus purified by them and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing varieties of human diseases, to which the Vegetable Life Pills are well known to be infallible:

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind.—Flatulency, Palpitation of the Heart, Loss of Appetite, Heart-burn and Headache, Restlessness, Ill temper, Anxiety, Langor and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. Constiveness, by cleansing the whole length of the intestines with a solvent process, and without violence: all violent purges leave the bowels costive within two days. Diarrhoea and Cholera, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative secretions of the mucous membrane. Fevers of all kinds, by restoring the blood to a regular circulation through the process of perspiration in some cases, and the thorough solution of all intestinal obstructions in others. The Life Medicines have been known to cure Rheumatism permanently in three weeks, and Gout in half that time, by removing local inflammation from the muscles and ligaments of the joints. Dropsies of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of Gravel. Also Worms, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere; Asthma and Consumption, by relieving the air vessels of the lungs from the mucus, which even slight colds will occasion, which if not removed becomes hardened, and produces those dreadful diseases. Scurvy, Ulcers, and Incurable Sores, by the perfect purity which these Life Pills give to the blood, and all the humors; Scorbatic Eruptions and Bad Complexions, and by their alternative effect upon the fluids that feed the skin, the morbid state of which occasions all Eruptive complaints, Sallow, Cloudy, and other disagreeable Complexions. The use of these Pills for a very short time, will effect an entire cure of Salt Rheum Erysipelas, and a striking improvement in the Clearness of the Skin. Common Colds and Influenza, will always be cured by one dose, or by two, even in the worst cases. Piles,—as a remedy for this most distressing and obstinate malady, the Vegetable Life Pills, deserve a distinct and emphatic recommendation. It is well known to hundreds in this city, that the originator of these invaluable Pills was himself afflicted with this complaint for upwards of thirty-five years, and that he tried in vain every remedy prescribed within the whole compass of the Materia Medica. He however, at length tried the medicine which he now offers to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

All that Mr. Moffat requires of his patients is to be particular in taking the Life Medicines strictly according to the directions. It is not by a newspaper notice, or by anything that he himself may say in their favor, that he hopes to gain credit. It is alone by the results of a fair trial.

These Valuable Medicines are for sale at the Drug Store of DANIEL KING, Indianapolis, July 22, 1841. 21marr24

DR. J. B. STOUT'S Highly improved Anti-Fever Pills, or Great Western Fever Panacea.

TO the efficacy of this triumphant remedy thousands of grateful souls who have made the trial are ready to testify. It reaches not only the common cases of agues and fevers, remittent and other periodical fevers, but without sickening or prostrating the patient, cures with certainty the most aggravated and congestive types of those malignant diseases.

Families should always be provided with a package, as it with certainty makes a speedy cure. So soon as the fever is broke the patient may pursue his ordinary avocations.

The Great Western Fever Panacea is for sale by the subscribers in Indianapolis, and other agents throughout the country. sept 25, 41 ly SCUDDER & HANNAMAN.
