**CARL C. CLUEN**  
Democratic Candidate for State  
Representative

It must be a source of keen sat-  
isfaction to a man who has exerted  
every energy to establish for him-  
self a reputation among his fellows  
for clean cut dealings, loyalty and  
integrity of purpose, to have his ef-  
forts repeatedly regarded by a  
single demonstration of their trust  
in him. This pleasure has been ac-  
corded for the office of state rep-  
resentative by the candidacy of Carl  
C. Cluen which has received the  
endorsement of the Democratic  
party. Carl C. Cluen is well known  
in Kosciusko county where he has  
always worked indefatigably and  
unselfishly for community better-  
ment. Among those whom he has  
met in business or in politics he en-  
joys a reputation for trustworthi-  
ness and zeal, a reputation that has  
not come in a day, nor by any ac-  
cident or streak of luck. It is the  
direct result of his life and how he  
has lived it. It is therefore not only  
interest, but of vital moment to  
every voter to give deep thought to  
Carl C. Cluen's candidacy and to  
support him in the interest of good  
government.

**CLAUDE E. ELDER**  
Democratic Candidate for Treasurer

Perhaps never before in the history  
of the country have the people  
given so much thought to the car-  
rier of the man who would hold  
public office as well as their proved  
personal attributes and capabilities  
that would indicate how well they  
would hold their respective offices  
after being elected. This is as true  
of the people of Kosciusko county  
as it is of the rest of the nation.  
Claude E. Elder's constructive ad-  
ministration of his own private af-  
fairs and business endeavors has  
gained him hearty regard and the  
respect of his colleagues, because  
his career as a citizen has been  
helpful and conducted in a sound  
and businesslike manner. He has  
been indefatigable in his efforts to  
give the interests of his fellow citi-  
zens, the best that is in him and his  
policies have been so manifestly  
honest and above board, that he has  
won the plaudits of all, regardless  
of partisanship. It is such men  
who merit well with favor at elec-  
tion time, for the day has passed  
when men are selected for office as  
a personal favor. Candidates today  
must prove their mettle and ability  
to gain such favor and Claude E.  
Elder has surely done this without  
the prevarication of a doubt. Claude  
E. Elder was born and raised in  
this county, as well as his parents.  
He is fully qualified for county  
treasurer, having had twenty-five  
years experience in public account-  
ant work. He is the popular candi-  
date for the office of county treas-  
urer and he is indeed the right  
man for the place.
