DOLLAR A YEAR

O. E. S. ANNUAL INSPECTION HELD FRIDAY

STATE WORTHY GRAND MATRON
MRS. RUTH L. MYERS
IN ATTENDANCE

Syracuse Chapter No. 233, O. E. S. met on November 4, 1938 for the annual inspection by the Worthy Grand Matron Mrs. Ruth L. Myers, of Greensburg, Indiana.

Preceding the meeting a luncheon was served at the Syracuse Hotel. The tables were decorated with many vases filled with marigolds and candles in crystal holders. The favors were tiny baskets with candies in the colors of the order. At the official visitors plates were lovely corsages, gifts from the chapter.

After the luncheon the members retired to the chapter room where sixty-one registered. The room was beautifully decorated with baskets of late garden flowers at each star point and station.

After the opening of the chapter the Worthy Grand Matron was presented at the altar and welcomed with a solo "To You," by Mrs. Alice Clark. She was then escorted to the east and given grand honors.

Others presented in the east and welcomed were Mr. Delph McKesson, Past Worthy Grand Patron of Plymouth; Mrs. Anna F. Glaus, district deputy, of Plymouth; other visitors were Mrs. Rachael McKesson, of Plymouth; Mrs. Opal Reeg of Plymouth, and Mrs. Jenny Fishack, of Ft. Wayne; Mrs. Maude Lambert, of Warsaw; Mr. and Mrs. George W. Howard, of Ligonier, and Mrs. Jesse Werle, of Chicago, who were introduced and welcomed.

After the exemplification of the ritualistic work a very instructive address was given by the Worthy Grand Matron. P. W. G. P. McKesson also gave an interesting talk as did the district deputy Anna Glaus.

A baby dedication ceremony followed when the little sons of Mable Smith and Vera Kitson were dedicated to the principles of the order.

Mrs. Olive Miller is Worthy Matron of Syracuse chapter and Everett O. Dunn is Worthy Patron.

RED CROSS ROLL CALL

The annual roll call for Red Cross members starts November 11.

This year the canvass will be conducted the same as has been for several years. Mrs. May Kindig is chairman for Turkey Creek township and Ladies of the Round Table are the solicitors. These ladies are willing to do this work because the money is used for a worthy cause.

The people in and around Syracuse have been very generous in supporting with their money. Last year this township was the highest in the county outside of Warsaw.

On Wednesday, Nov. 9 the county chapter gave a banquet at the Masonic Temple in Warsaw for all Red Cross workers in the county. The food was donated by firms of Warsaw and prepared and served by Eastern Star ladies of Warsaw. A national Red Cross official was the speaker. Mrs. Kindig and several ladies attended.

Washington Snapshots

By JAMES PRESTON

Nominated for whatever niche there is for professional Worries, is the little group of government officials whose job it is to find office space for Federal departments, agencies, commissions, boards, committees and divisions.

The worries of the space finders were negligible in days of old when farmers could plant what they pleased, when Joe Doe could sit down and have a heart to heart talk with his boss without the latter being hauled up before a board on charges of coercion, and when leaning on a shovel or raking leaves was a personal exercise done in one's own yard or garden.

But not so today, for new thousands of clerks, stenographers, theorists and economists have come to Washington to teach new tricks and ways of doing things by economic planning and regulation. That is why the space procurement officials of the Interior Department are having such a difficult time of it and thus qualify as professional worriers.

An idea of the size of their problem right now is found in these figures:

Although more than 120 buildings in Washington are owned and occupied by one government agency or another (a total of 12,845,613 square feet of floor space) the space finders have had to rent 118 buildings, or 3,250,000 more square feet, to quarter the planners. And there is still an acute shortage. The capital just isn't big enough. Even the Social Security Board had to move most of its activities to Baltimore.

The Wage-Hour Administration is the latest of the major problems. The space finders can't even find a suitable building to rent for the thousands of employees that will be needed by this newest agency.

A commission appointed to help the space finders find space for other commissions has reported, incidentally, that by 1947 an additional 8,808,056 square feet will be needed—if the expansion of government activity continues at its present pace.

Washington gossip is saying that the \$500,000 monopoly investigation, which is now getting under way, may be exciting. Some of the Brain Busters want it so. But it would not be if it were based, as Chairman O'Mahoney wishes, on facts and not fancy. Businessmen have offered to cooperate fully with the investigators, and the businessmen will be prepared to offer actual facts. And the facts won't be what some of the Brain Busters had hoped they would be.

Incidentally, the gossip is saying, too, that the investigators are going to ask the new Congress for a \$3,000,000 fund to go deeper into the question of alleged monopolies. That would be the largest sum ever asked for any investigation by a Federal investigating committee.

As for importance (and by way of comparison) the Dies committee was given only \$25,000 to investigate un-American activities (Communism, Fascism, etc.). Dies' job is a big one. It is to develop how foreign influences, like termites, (Continued on Page 2)

COMMUNITY THANKSGIVING SERVICE

To Be Held In Evening of Thanksgiving Day At Church of the Brethren

A Spiritual Uplift Campaign, extending over two weeks, will be launched Sunday, Nov. 13, at the Church of the Brethren. A guest speaker has been booked for this important and enjoyable time in the person of Dr. T. E. George, D. D., of Goshen. More about this is given under Church Notes.
