SENIORS START WORK ON CLASS BOOKS OF AN EN- TIRELY DIFFERENT TYPE

Katharine Dillen and Robert Hinderer Appointed to Head Year Book Staff Organization

Some time ago, the Seniors agreed to try something new in class books. The Inter-Collegiate Press salesman was here and presented his company's offer. It sounded so good that the Seniors decided to try it. This plan, as has already been stated, is something new. For the past seven or eight years, Mr. Reinbold, the local photographer, has been making these books for the Seniors, but this year since he will not have time to make them, the Seniors have accepted the Inter-Collegiate Press offer. This company furnishes the blank book and the pictures for this book. The class will mimeograph all copy to be put into the book, and arrange it just as they want it. This is an excellent opportunity for the students to use their skill along these lines.

Katharine Dillen was appointed Editor-in-Chief of the Year Book, with Robert Hinderer as her assistant. Burton Niles was appointed Production Manager; Kathleen Gibson, Social and Literary Editor; Ronald Sharp, Sports Editor; and Virginia McFarren, Art Editor. Mr. Slabaugh and Miss Hammon will be the faculty advisors. This, however, does not mean the above mentioned are to do all of the work; on the contrary. They were merely appointed so that the book would be well organized and the work on it will be systematic.

Syracuse High School Song

For those of you, our readers, who do not know the words to our school song, and would like to, we print this copy of it.

Dear Syracuse we call her
May never ill befall her
Glory, to her be glory
And may we always by deeds of
honor
Heap fame and praise upon her
Here's to the school we love.
Rah! Rah!
Yes we love you, our dear old
high school
And to your colors we will be
true
We pledge our honor, we pledge
our valor
We pledge our faith to the gold
and blue.

There were 13 children who won chocolate turkeys for learning their multiplication tables perfectly for Thanksgiving.

The Fourth Grade geography class is now on a trip across the desert in Arabia.

In arithmetic the class is working on division.

Fifth Grade

Having finished reading Tom Sawyer, we are now ready to begin some old and well-known Christmas stories for opening exercises.

Our attendance has gone down the last month, although there were only eight absent, there was a total absence of twenty-one days.

Plans for Christmas decorations and gifts are being discussed and we hope to soon have the room decorated appropriately.

Sixth Grade

Kenneth Metcalf, Barbara Bushong, and Ralph Dinneen were ab-

sent several days this week.

Thanksgiving vacation has passed and we are looking forward to examinations and Christmas vacation.

Our attendance was much better this month. We had twelve absences. Our average daily attendance was 43.4. The per cent of attendance was 98.6. There are twenty-one who have been neither tardy nor absent so far this year.

There was a general drop in citizenship grades this month, but next month we shall be better. (Just before Christmas you know.)

Opportunity Class

The boys and girls in the Opportunity room gave a little play on Wednesday afternoon entitled, "Our American Schools." They told about the Puritan schools, the Colonial schools and found that our present school system is the result of many plans which have been worked on for one hundred years. They ended the play with the pledge to the American flag. The second grade were the guests and after the play they sang a number of songs. They all had a very nice time.

The names of one day absences because of colds are: Annabell Droke, Ray Hoover, Hubert LeCompte, Alice Sapen, Leonard Eppert and Jimmy Sawyer.

JUNIOR HIGH NEWS

Seventh Grade

The seventh grade home economics class has divided into groups and are cooking breakfasts.

Delores Sapen has been absent from school.

Eighth Grade

The eighth grade had a contest to see who could get the most words from Thanksgiving and the contest was won by Marth Cory.

They chose sides for an arithmetic contest with Lois Held and Dewey Baker as captains. The score was, Lois 5 and Dewey 16.

Rosemary Coy has returned to school after an absence caused by scarlet fever.

Geraldine Byland and Lloyd Horderman have been absent from school.

Freshmen News

The Freshman class is having a party December 10. There is to be an amateur hour, so if you see any Freshmen going around singing or tap dancing or telling stories you know they are practicing for the contest. The Freshmen band is also holding sessions for they are to provide music.

The Freshmen Economics class served another luncheon Tuesday. The guest was Miss Burcaw. The girls serving were Joanne McCarty, Willamae Flickinger, Doris Hartman, Lina Belle Vance and Vella Smith. The critics were Katharine Dillen and Betty Wolf. The menu consisted of creamed potatoes, buttered peas, orange pineapple salad on lettuce and chocolate cake. The rest of the girls made cookies.

The rest of the high school should be grateful that they have such hard working Freshman girls. If it weren't for them some of the students wouldn't get to go to the out-of-town games.

A good minded Freshman has a new way of working algebra. Mr. Fidler asked if he had the thirteenth problem and of course he had. When asked what the answer was he replied, "Well, subtract 23 from 30 and you get fifteen."

What is the matter Howard? Did you have your mind on Eleanor?

A certain boy wrote a theme in English the other day entitled, "How to Choose a Wife." If any of you boys want information ask Howard Held.

It seems a certain freshman gets letters from a long distance. Who are they from Betty G?

I wonder why a few of the freshman girls worked to get a bus to go to Pierceton. Do they just like work or was it something else. They say they don't have any personal interest but we wonder.

The Goo-Goo Romance is in the Freshman class as well as the Junior (only not so bad) as Marise and Arthur and Libby and Jim are proving.

SYRACUSE LOSES ONE, WINS ONE, TO BREAK EVEN IN VACATION GAMES

Second Team Suffers First Defeat of Season at Bremen

Syracuse broke even in the holiday tilts, losing a close one to Bremen by a score of 19 to 21, but came back Friday night in the local gym, scoring 35 points to the opponents' 15. The Bremen team started out fast, scoring eight points to the Syracuse 3 in the first half. The second half featured Syracuse coming to life, making the score 7 to 8 at the end of the third period. Syracuse then took the lead, but lost it in the closing minutes on three free throws.

On Friday night Syracuse started fast and ended that way, scoring 9 points and holding North Webster scoreless in the first quarter. Syracuse led 16 to 5 at the end of the half and 29 to 11 at the end of the third quarter. In the fourth quarter, subs were rushed into the game at various intervals, holding Syracuse's score down. Burton Niles, Syracuse center, scored 21 points—more than the entire North Webster score.

The second team lost their first game of the season to Bremen last Wednesday night. The score at the end of the first period was 2 to 4 in favor of Bremen. Bremen led 4 to 6 at the half and 7 to 12 at the end of the third quarter. The score at the end of the game was 14 to 17 in favor of Bremen. Numerous subs were used by Bremen.

North Webster was less fortunate than Bremen. Syracuse started rather slow, however led 5 to 2 at the end of the first quarter, 8 to 7 at the end of the half and 13 to 12 at the end of the period. Then Syracuse opened up, making the final score 24 to 15.
